The Lonely Road

From the bestselling author of Day of Infamy: In the bloodiest island combat of WWII, one group of men kept watch from behind Japanese lines. The Solomon Islands was where the Allied war machine finally broke the Japanese empire. As pilots, marines, and sailors fought for supremacy in Guadalcanal, Bougainville, and

the Slot, a lonely group of radio operators occupied the Solomon Islands' highest points. Sometimes encamped in comfort, sometimes exposed to the elements, these coastwatchers kept lookout for squadrons of Japanese bombers headed for Allied positions, holding their own positions even when enemy troops swarmed all around. They were Australian-born but Solomon-raised, and adept at survival in the unforgiving jungle environment. Through daring and insight, they stayed one step ahead of the Japanese, often sacrificing themselves to give advance warning of an attack. In *Lonely Vigil*, Walter Lord, the #1 New York Times–bestselling author of *A Night to Remember* and *The Miracle of Dunkirk*, tells of the survivors of the campaign and what they risked to win the war in the Pacific.

A Long And Lonely Road

"You can be lonely anywhere, but there is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. *The Lonely City* is a roving cultural history of urban loneliness, centered on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. What does it mean to be lonely? How do we live, if we're not intimately involved with another human being? How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Olivia Laing explores these questions by travelling deep into the work and lives of some of the century's most original

artists, among them Andy Warhol, David Wojnarowicz, Edward Hopper, Henry Darger and Klaus Nomi. Part memoir, part biography, part dazzling work of cultural criticism, *The Lonely City* is not just a map, but a celebration of the state of loneliness. It's a voyage out to a strange and sometimes lovely island, adrift from the larger continent of human experience, but visited by many - millions, say - of souls"--

Along a Lonely Road

Few Americans are aware of the silent epidemic of suicide among our troops and veterans--as many as twenty-two per day. There is the obvious causation from the traumatic effects of combat on those who deploy to these wars, but there are also secondary and tertiary stresses from a military at war that are rippling outward to touch even troops who vicariously deal with the aftereffects of combat, resulting in a spike in suicides even among troops who have not deployed and among troops who are not considered traditional war-fighters. This tragedy reveals the strain on

Access Free A Long Lonely Road Book 27 The Beast War

our military after a decade at war in two countries. However, with an estimated nine hundred programs addressing the pressures on the soldiers, and no significant decrease in the suicide rate, military leaders seem to be at a loss on how to understand or to address this epidemic. This book is the story of just one such veteran who served in combat, his struggle with PTSD, his lonely road home after combat, how he survived with faith and courage, and how he avoided becoming another suicide statistic. His story, with brutal honesty, gives a window into the deployment experience of our troops and many of the pressures affecting our troops.

The Heart Is a Lonely Hunter

Jason Hazard, once a respected member of the Hollywood elite, finds himself, after a series of flops, known only as the husband of his very successful actress wife. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Fork In The Road

This is the ultimate feast of fear by a host of horror writers such as Robert Bloch, Ray Bradbury, Ramsey Campbell, and others. Twenty-four macabre tales include

the nerve-twisting novelette *The Mist* by Stephen King.

Epic Drives of the World

A simple retelling of the biblical story of the Good Samaritan, which teaches the importance of helping others.

Lonely Road

Nothing can change the terrible facts of the Sand Creek Massacre. The human toll of this horrific event and the ensuing loss of a way of life have never been fully recounted until now. In *Sand Creek and the Tragic End of a Lifeway*, Louis Kraft tells this story, drawing on the words and actions of those who participated in the events at this critical time. The history that culminated in the end of a lifeway begins with the arrival of Algonquin-speaking peoples in North America, proceeds through the emergence of the Cheyennes and Arapahos on the Central Plains, and ends with the incursion of white people seeking land and gold. Beginning in the earliest days of the Southern Cheyennes, Kraft brings the voices of the past to bear on the events leading to the brutal murder of people and its disastrous aftermath. Through their testimony and their deeds as reported by contemporaries, major and supporting players give us a broad and nuanced view of the discovery of gold on

Cheyenne and Arapaho land in the 1850s, followed by the land theft condoned by the U.S. government. The peace treaties and perfidy, the unfolding massacre and the investigations that followed, the devastating end of the Indians' already-circumscribed freedom—all are revealed through the eyes of government officials, newspapers, and the military; Cheyennes and Arapahos who sought peace with or who fought Anglo-Americans; whites and Indians who intermarried and their offspring; and whites who dared to question what they considered heinous actions. As instructive as it is harrowing, the history recounted here lives on in the telling, along with a way of life destroyed in all but cultural memory. To that memory this book gives eloquent, resonating voice.

Lonely Road of Faith

Liverpool, Christmas 1938. Rose McAllister is waiting for her husband, Steve, to come home. He is a seaman, often drunk and violent, but Rose does her best to cope and see that her daughters, Daisy and Petal, suffer as little as possible. Steve, however, realises that war is coming and tries to reform, but on his last night home, he pawns the girls' new dolls to go on a drinking binge. When war is declared Rose has a good job but agrees the children must be evacuated. Daisy and Petal are happy at first, but circumstances change and they are put in the care of a woman who hates all scousers and taunts them with the destruction of their city. They run away, arriving home on the worst night of the May Blitz. Rose is

attending the birth of her friend's baby and goes back to Bernard Terrace to find her home has received a direct hit, and is told that the children were seen entering the house the previous evening. Devastated, she throws herself into the war effort, risking her life before she considers finding out what really happened that fateful night A Long and Lonely Road is yet another confirmation of the brilliance and warmth of Katie Flynn's saga novels.

The Road Not Taken

Starting in the 1950s, Americans eagerly built the planet's largest public work: the 42,795-mile National System of Interstate and Defense Highways. Before the concrete was dry on the new roads, however, a specter began haunting them—the highway killer. He went by many names: the “Hitcher,” the “Freeway Killer,” the “Killer on the Road,” the “I-5 Strangler,” and the “Beltway Sniper.” Some of these criminals were imagined, but many were real. The nation's murder rate shot up as its expressways were built. America became more violent and more mobile at the same time. Killer on the Road tells the entwined stories of America's highways and its highway killers. There's the hot-rodding juvenile delinquent who led the National Guard on a multistate manhunt; the wannabe highway patrolman who murdered hitchhiking coeds; the record promoter who preyed on “ghetto kids” in a city reshaped by freeways; the nondescript married man who stalked the interstates seeking women with car trouble; and the trucker who delivered death

with his cargo. Thudding away behind these grisly crime sprees is the story of the interstates—how they were sold, how they were built, how they reshaped the nation, and how we came to equate them with violence. Through the stories of highway killers, we see how the “killer on the road,” like the train robber, the gangster, and the mobster, entered the cast of American outlaws, and how the freeway—conceived as a road to utopia—came to be feared as a highway to hell.

The Vanlife Companion

Hi I am Jose M. Gonzalez this is my story. I was inspired by the lord Jesus Christ himself to write this book about my life story. I alone would have never even thought to write a book about my life but I feel as if i have been led by God to write this. It hurt to write this book because for my entire childhood and even as a young adult there was nothing but pain and misery. This book takes you thought my life and my hardships of growing up with nobody to care for or anybody to love and even as my struggles as an adult. I hope this book touches and moves you to appreciate the things you have in life. This story is a testament that God is real and he protects his children from all the things in this world. If this book can help just one person than I would be happy. I hope you enjoy God Bless.

Long Live the Queen

Hit the open road with this practical and inspiring guide. In the first half, you'll discover how to choose and customise your perfect van, and get it fitted for sleeping, cooking and storage. In part two, we'll tell you how to stay safe, save money and park legally, then share the best road trips around the world, complete with itineraries.

Demons Five, Exorcists Nothing

You Get a Free Copy of this Book When You Buy a Paperback This book will make you cry. No book will appeal to your emotion and captures what BPD person goes through daily as this book does. Who is this book for? If you are having an identity crisis even though you know you shouldn't, then this book is for you. If everyone around you seems to live a normal life while yours seems totally messed up, I tell you, my friend, you could not get a better book that understands you as this book does. If you have a loved one whose actions and reactions seem to frustrate you, then read this book to understand what really goes on in the head of a BPD person. Also recommend this book to anyone who questions how you react to actions and find it difficult to realize that you are a victim yourself. The Book If you are a BPD person and have ever felt alone, like the only person who suffers from a crisis of not knowing who they are, wondering why you feel so empty, so nerdy, insecure and undesirable. This book explains what can happen in the life of a person with borderline personality disorder in every typical day of their life using

real-life experiences. The experiences will tell you how some BPD persons react when they believe they are about to be dumped and abandoned and what they do about it. It will also show how some other BPD persons feel when they feel empty in their inner core. You will also learn the three emotions a BPD person has to deal with daily as they attempt to manage the impulsive and non-impulsive actions. A BPD person who reads this book will quickly identify from the beginning of the book that his or her feelings have been finally captured correctly by someone emphatic enough to try and understand what goes on in the head of a person with a borderline personality disorder. He should be able to understand some aspects of him told from the perspective of a BPD person. So it does not matter if you are a man, woman, working or a stay at home, you will find aspects of yourself that relates to you as you go through this book. Disclaimer: The experiences detailed in this article are congruent with my personal real-life experiences. However, they are not reflective of certain people within my life either currently or in the past. This story is meant to be purely anecdotal and to portray the average daily experience of someone struggling with Borderline Personality Disorder.

The Lonely City

Two men from very different backgrounds meet in a small café in rural Texas. Together they build a refuge and a stronghold for the remnants of a fallen nation. With their neighbors, they work to build something new using the old-

fashioned values and ways. The Free Republic of Texas is born.

Murder Was My Alibi

Dark Forces

“She walked into my office smelling like a meadow of flowers and looking like one long night of trouble.” Myron Foote is a private detective on the wrong side of the tracks who does not like to be on the receiving end of violence but is sometimes a little too quick to hand it out to others. From his dumpy little office on the edge of the red light district, he works bottom-of-the-barrel divorce cases . . . until a gorgeous redhead walks into his life and offers him \$105,000 to pose as her uncle Percy. It sounds simple. Too simple. But who could turn down that kind of money? Or that kind of redhead? The job takes him down a dark path littered with lies and secrets, blackmail and murder . . . a path that leads straight into Cynthia Thacketer’s arms . . . and into a deadly trap. Soon, all that stands between Foote and life in prison is an alibi he cannot use. Author Ray Garton keeps the pace brisk and the action intense in this hard-boiled modern noir that will have you guessing until the final gunshot.

Lonely Road

John Long Walker thinks it's maybe time to retire to the rocking chair. It's been a long, hard road to carve a slice of civilization out of the ruins of America, and he's not getting any younger. Hell, he wasn't young when the world ended. But how can he quit when the adventures are still so tantalizing and the company so good? The end of the world can be alright when your companions are true and have a sense of humor.

A Long Lonely Road Volume Twelve

The fantastic conclusion to the Immortal Empire series that started with the spectacular God Save the Queen. Xandra Vardan thought life would be simpler when she accepted the goblin crown and became their queen, but life has only become more complicated. Everyone -- vampires, werewolves, and humans -- wants the goblins on their side, because whoever has the goblins --wins. With human zealots intent on ridding the world of anyone with plagued blood and supernatural politics taking Britain to the verge of civil war, Xandra's finding out that being queen isn't all it's cracked up to be, and if she doesn't do something fast, hers will be the shortest reign in history. The Immortal EmpireGod Save the QueenThe Queen is DeadLong Live the Queen

The Dark and Lonely Road

Coming out in South Africa. Kabelo Mosala has been the perfect child, bright and attractive. In his small South African community, it is expected that he will return after university to join his father's medical practice. But all the while Kabelo and his schoolmate Sediba have harboured a strong mutual attraction that dare not show itself in the open. As they mature into young adulthood, and Kabelo becomes a doctor, they form a strong romantic relationship of intermittent secret encounters. But Kabelo is torn between his love for Sediba and his responsibility to his family and community. Can he return, openly declare his gay relationship, and yet serve his people who need him, at a time when young people are increasingly succumbing to the ravages of AIDS? In this tender love story, in her characteristic, beautifully modulated voice, with razor-sharp clarity Kagiso Lesego Molohe tackles an urgent issue in her country of birth.

A Woman's Long Road to Happiness

Nearly 20 years after World War II, Harry Cogbill is drifting through life, unable to hold down a steady job or form lasting relationships. All of that is about to change when Ethel Burkitt comes to his door looking for an ally against the hoodlums buying her uncle's property. Cogbill's not a private detective, but even the most

reluctant soldier knows some things are worth fighting for.

Ned Wynkoop and the Lonely Road from Sand Creek

This book “A Woman’s Long Road to Happiness” is just that, it’s a long road to finding happiness after a physical and verbal abusive life. For seventeen years of living in an abusive relationship she decided enough was enough. It’s a painful and inspiring triumphant story of a woman who fought to protect herself and her children from the abuser. She found her life’s treasures afterwards. There are many women who live and stay in an abusive situation for one reason or another. Life is a long road that comes with many obstacles and sharp winding curves which eventually takes you to a crossroad of making a hard decision as to which road you should take. Everyone’s abusive life story is different, some end up leaving and some never do. The greatest conqueror is to continue keeping the faith. When seeing the darkest helpless side of your life, never lose hope because he (God) will always have your back. The answers to prayers don’t ever come right away but in time the doors will open to be able to fly into another dimension that changes the mind or situation for a better life. I hope this book helps others that have lived or have had similar experiences and to say that there is a silver lining with a bright beautiful rainbow at the other end of the road.

Blockade Billy

AN INSTANT NEW YORK TIMES BESTSELLER! A GOOD MORNING AMERICA BOOK CLUB PICK "[Moore's] careful balance of the hard-bitten with the heartfelt is what elevates Long Bright River from entertaining page-turner to a book that makes you want to call someone you love." – The New York Times Book Review "This is police procedural and a thriller par excellence, one in which the city of Philadelphia itself is a character (think Boston and Mystic River). But it's also a literary tale narrated by a strong woman with a richly drawn personal life – powerful and genre-defying." – People "A thoughtful, powerful novel by a writer who displays enormous compassion for her characters. Long Bright River is an outstanding crime novel... I absolutely loved it." —Paula Hawkins, #1 New York Times-bestselling author of *The Girl on the Train* Two sisters travel the same streets, though their lives couldn't be more different. Then one of them goes missing. In a Philadelphia neighborhood rocked by the opioid crisis, two once-inseparable sisters find themselves at odds. One, Kacey, lives on the streets in the vise of addiction. The other, Mickey, walks those same blocks on her police beat. They don't speak anymore, but Mickey never stops worrying about her sibling. Then Kacey disappears, suddenly, at the same time that a mysterious string of murders begins in Mickey's district, and Mickey becomes dangerously obsessed with finding the culprit--and her sister--before it's too late. Alternating its present-day mystery with the story of the sisters' childhood and adolescence, Long Bright River is at once heart-pounding and heart-

wrenching: a gripping suspense novel that is also a moving story of sisters, addiction, and the formidable ties that persist between place, family, and fate.

Killer on the Road

"Even the most die-hard baseball fans don't know the true story of William "Blockade Billy" Blakely. He may have been the greatest player the game has ever seen, but today no one remembers his name. He was the first--and only--player to have his existence completely removed from the record books. Even his team is long forgotten, barely a footnote in the game's history. Every effort was made to erase any evidence that William Blakely played professional baseball, and with good reason. Blockade Billy had a secret darker than any pill or injection that might cause a scandal in sports today. His secret was much, much worse."

Lonely Planet Pacific Coast Highways Road Trips

When Edward W. Wynkoop arrived in Colorado Territory during the 1858 gold rush, he was one of many ambitious newcomers seeking wealth in a promising land mostly inhabited by American Indians. After he worked as a miner, sheriff, bartender, and land speculator, Wynkoop's life drastically changed after he joined the First Colorado Volunteers to fight for the Union during the Civil War. This

sympathetic but critical biography centers on his subsequent efforts to prevent war with Indians during the volatile 1860s. A central theme of Louis Kraft's engaging narrative is Wynkoop's daring in standing up to Anglo-Americans and attempting to end the 1864 Indian war. The Indians may have been dangerous enemies obstructing "progress," but they were also human beings. Many whites thought otherwise, and at daybreak on November 29, 1864, the Colorado Volunteers attacked Black Kettle's sleeping camp. Upon learning of the disaster now known as the Sand Creek Massacre, Wynkoop was appalled and spoke out vehemently against the action. Many of his contemporaries damned his views, but Wynkoop devoted the rest of his career as a soldier and then as a U.S. Indian agent to helping Cheyennes and Arapahos to survive. The tribes' lifeways still centered on the dwindling herds of buffalo, but now they needed guns to hunt. Kraft reveals how hard Wynkoop worked to persuade the Indian Bureau to provide the tribes with firearms along with their allotments of food and clothing—a hard sell to a government bent on protecting white settlers and paving the way for American expansion. In the wake of Sand Creek, Wynkoop strove to prevent General Winfield Scott Hancock from destroying a Cheyenne-Sioux village in 1867, only to have the general ignore him and start a war. Fearing more innocent people would die, Wynkoop resigned from the Indian Bureau but, not long thereafter, receded into obscurity. Now, thanks to Louis Kraft, we may appreciate Wynkoop as a man of conscience who dared to walk between Indians and Anglo-Americans but was often powerless to prevent the tragic consequences of their conflict.

Long Bright River

Lonely Planet: The world's leading travel guide publisher A Fork in the Road: Tales of Food, Pleasure and Discovery on the Road 2014 James Beard Award Nominee and 2014 Society of Travel Writers Foundation Thomas Lowell Travel Journalism Bronze Award Winner for Travel Book Join us at the table for this 34-course banquet of original stories from food-obsessed writers and chefs sharing their life-changing food experiences. Lonely Planet Route 66 Road Trips

Malcolm Stevenson, a wealthy ex-naval officer haunted by his memories of the war, finds his lonely life turned upside down one night when he runs into trouble on a road near the coast. What at first appears to be an accident leads him to discover an international conspiracy against his country—and to fall in love with a dance hostess who seems to have something to do with it. Malcolm's determination to expose the plot will put his life—and that of the only person who has brought him any happiness—in grave danger.

The Road

A brutal murder that shocked residents of Missouri—and a killer it took 25 years to bring to justice On June 17, 1985, twenty-year-old beauty pageant winner Jackie Johns's car was found abandoned, the interior drenched in blood. Four days later, her bludgeoned, nude body was found floating in a nearby lake. Sheriff Dwight McNeil vowed to catch Jackie's killer, however long it took. His prime suspect: local rich kid Gerald Carnahan. But despite suspicions, the evidence never managed to add up, and Carnahan slipped away again and again. Throughout the next two decades, multiple other women went missing, some murdered, some never found. Fearful residents believed that a murderous bogeyman was connected to all these crimes. Carnahan's conviction on the attempted kidnapping charge of another young woman brought his name into the mix over and over again--but all of the cases remained unsolved for decades, until a highway patrol sergeant sent DNA from the Jackie Johns's murder for testing and came up with a quadrillions-to-one match to Carnahan. This is the true account of a murderer who thought he was beyond punishment, and the lawmen who would not relent until justice was finally done. From the Paperback edition.

Dark Lonely Road

With the publication of her first novel, *The Heart is a Lonely Hunter*, Carson McCullers, all of twenty-three, became a literary sensation. With its profound sense of moral isolation and its compassionate glimpses into its characters' inner lives, the novel is considered McCullers' finest work, an enduring masterpiece first

Access Free A Long Lonely Road Book 27 The Beast War

published by Houghton Mifflin in 1940. At its center is the deaf-mute John Singer, who becomes the confidant for various types of misfits in a Georgia mill town during the 1930s. Each one yearns for escape from small town life. When Singer's mute companion goes insane, Singer moves into the Kelly house, where Mick Kelly, the book's heroine (and loosely based on McCullers), finds solace in her music. Wonderfully attuned to the spiritual isolation that underlies the human condition, and with a deft sense for racial tensions in the South, McCullers spins a haunting, unforgettable story that gives voice to the rejected, the forgotten, and the mistreated—and, through Mick Kelly, gives voice to the quiet, intensely personal search for beauty. Richard Wright praised Carson McCullers for her ability "to rise above the pressures of her environment and embrace white and black humanity in one sweep of apprehension and tenderness." She writes "with a sweep and certainty that are overwhelming," said the New York Times. McCullers became an overnight literary sensation, but her novel has endured, just as timely and powerful today as when it was first published. The Heart is a Lonely Hunter is Carson McCullers at her most compassionate, endearing best.

The Free Republic of Texas 2015

The poetry columnist for "The New York Times" examines the beloved Robert Frost poem, its history, cultural influence, and artistic complexity, and explores the controversy between the two diverging opinions on the poem's meaning.

Danger on the Lonely Road

The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

The Martian Chronicles

The Lonely Road is the story of nine men—all of whom lived on the same road in the small community of Nance in Crockett County, Tennessee, and all of whom, within eighteen months of each other, gave the supreme sacrifice for their country during World War II. They fought in different regiments, platoons, and divisions of the United States military. Eight died in the European Theater; the ninth died in the Pacific Theater. The story is narrated through the eyes of Fred Colvett, who was also a World War II veteran, a brother of one of the fallen, and a friend of the others. At a 2008 Crockett County Veterans Day service, the dedication of a special memorial to those who had died in World War I, World War II, Korea, and Vietnam sparked Fred's memory; and in *The Lonely Road* he recalls each young man's life, family, and their days before going into battle. His reflections, told to Harry L. Moore and Alice Ann Richardson Moore, include rich descriptions of life in rural America during the 1920s, '30s, and '40s, and describe the devastating effects the loss of these native sons had on the community of Nance.

The Beach

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

Trucker Ghost Stories

Summer ends too fast when you're dreading junior high Twelve-year-old Madison Finn is allergic to change. Her two best friends are away at camp and Madison is not sure she's going to survive the summer, let alone the beginning of junior high. Good thing she has a new laptop, which she uses to write and store all of her thoughts on friendship, her parents' divorce, and her fear of being called a loser for not liking sushi! At first, change seems like the worst thing ever, but with the support of her family, friends, and little pug, Phin, Madison realizes she can handle anything that comes her way.

Lonely Vigil

Peanut the bunny wants to fit in, but will face many challenges to do so. Will she stand up for what she believes is right, or will she follow along to be cool?

Only the Lonely

A collection of true stories by truckers and travelers who have had bizarre and inexplicable encounters with otherworldly beings includes the stories of a chupacabra attack, a UFO sighting and an Alabama prom girl ghost. By the author

of House of Spirits and Whispers. Original. 25,000 first printing.

Perpetual Winter

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. A New York Times Notable Book One of the Best Books of the Year The Boston Globe, The Christian Science Monitor, The Denver Post, The Kansas City Star, Los Angeles Times, New York, People, Rocky Mountain News, Time, The Village Voice, The Washington Post

Such a Lonely, Lovely Road

The last hive has fallen. Only one queen remains. Should the world trust its fate to an angry sixteen year old? They told her the hive wasn't real. They said she shouldn't let her imagination run wild. They told her it was time to grow up and stop day dreaming. Estefania's privileged childhood is finished. It ended with the arrival of the Forlornn battleship which brought danger with it on the next high tide. The natural world is in turmoil and an unexpected winter begins without warning. The bees are disappearing and the City of Men doesn't care. But Estefania knows the hive she visits is real and so are the bees. She knows because she's the last queen. This is the first book in A Keeper's War trilogy. Start reading today and never again view bees in the same way.

The Lonely Rabbit

Anna Lynn finds herself barefoot and pregnant when she is forced to move back to her hometown of Sulfer Springs. While all hope seems lost, she begins to rebuild her life and her faith as she perseveres through many trials and tribulations that life throws at her. On one fateful December night, Anna runs into Billy Denham, an old flame, who had stolen a piece of her innocent heart as a young teenager. Unaware of the demons that he faces, she allows him into her and baby Johnny's
