Cut to the Quick

A look at the winners and losers of Academy Awards from 1927 to the present features a year-by-year listing of all nominations and winners in every category.

Jet

From Hans Christian Anderson Award winner and three-time Caldecott Honoree Peter Sis comes a delectable picture book that is as breezy, sweet and irresistible as ice cream in summer. Dear Grandpa, Summer is going well. I am very busy. But don't worry, I am not forgetting about school! I read every day. I practice my math facts. And I am even studying world history! Peter Sís's delicious tongue-in-cheek vision of summer dishes up the whole scoop on everyone's favorite frozen treat--and proves that ice cream is every bit as enriching for the mind as it is for the taste buds. Readers everywhere will be begging for seconds and thirds!

Silver Linings Playbook

From the Pulitzer Prize-winning and bestselling author of The Shipping News and Accordion Crimes comes one of the most celebrated short story collections of our time. Annie Proulx's masterful language and fierce love of Wyoming are evident in these breathtaking tales of loneliness, quick violence, and the wrong kinds of love. Each of the stunning portraits in Close

Range reveals characters fiercely wrought with precision and grace. These are stories of desperation and unlikely elation, set in a landscape both stark and magnificent -- by an author writing at the peak of her craft.

Quick Hits for Teaching with Technology

Oscar Fever is a completely new and far more popular rewriting of And the winner is (1987; 1990). It is both history and appreciation, full of inside stories and little-known facts. - Who can up with the idea for the Academy Awards - Who is the youngest winner? The oldest? - Which films has garnered the most nominations? - Who has been nominated the most times without winning? - Where did the award get its name? This book will provide the answers. Included are all the latest facts and statistics, as well as film stills, nostalgic and new, to tell the inside story of Oscar and what the awards really say about our times.

The Macmillan Film Bibliography: Reviews

Bad news: The music business is packed with hidden agendas. Good news: There's one indispensable guide that helps songwriters, musicians, executives, lawyers, and managers understand the music business and travel its shark-infested waters safely and confidently. What They'll Never Tell You About the Music Business sold more than 20,000 copies in its first edition. This new, fully revised edition presents even more priceless insider information, updated for today's music scene, plus clear explanations and advice on the new transparency in agreements, the impact of agent-artist agreements, new webcasting opportunities, changes in copyright law, royalty limits, and all the other developments in law and technology, plus advice for songwriters, A&R people, and artists, and much, much more. Packed with real-world ideas and tips, What They'll Never Tell You About the Music Business, Revised and Updated is the must-have guide for creative types and business types—everyone who works in the music industry. "Intelligent and accessible." —David Geffen From the Hardcover edition.

Quick & Easy Cooking at the Academy

What They'll Never Tell You About the Music Business, Revised and Updated Editio

“Revelatory...fascinating” (The New York Times): The first definitive biography of Bob Hope, featuring exclusive and extensive reporting that makes the persuasive case that he was the most important entertainer of the twentieth century. With his topical jokes and his all-American, brash-but-cowardly screen character, Bob Hope was the only entertainer to achieve top-rated success in every major mass-entertainment medium of the century, from vaudeville in the 1920s all the way to television in the 1950s, 1960s, and 1970s. He virtually invented modern stand-up comedy. Above all, he helped redefine the very notion of what it means to be a star: a savvy businessman, an enterprising builder of his own brand, and a public-spirited entertainer whose Christmas military tours and unflagging work for charity set the standard for public service in Hollywood. As Richard Zoglin shows in this “entertaining and important book” (The Wall Street Journal), there is still much to be learned about this most public of figures, from his secret first marriage and his stint in reform school, to his indiscriminate womanizing and his ambivalent relationships with Bing Crosby and Johnny Carson. Hope could be cold, self-centered, tight with a buck, and perhaps the least introspective man in Hollywood. But he was also a tireless worker, devoted to his fans, and generous with friends. “Scrupulously researched, likely definitive, and as entertaining and as important (to an understanding of twentieth- and twenty-first-century pop culture) as its subject once genuinely was” (Vanity Fair), Hope is both a celebration of the entertainer and a complex portrait of a gifted but flawed man. “A wonderful biography,” says Woody Allen. “For me, it’s a feast.”

Discover how to increase your deductions, reduce what you owe, boost your profits, and build a dynasty As if doing your

business taxes weren't complicated enough, you now have the Tax Cuts and Jobs Act to contend with. While this major overhaul throws a monkey wrench into the works, it provides unprecedented opportunities to keep even more of what you earn—if you're up to speed on what the new law means and how to navigate it. *Small Business Taxes Made Easy* has been fully updated to provide the knowledge, insights, and tools your business need to get ahead of the curve this tax season. You'll learn everything you need to know for: Saving money on taxes and boosting your profits Building an increasingly profitable business, with the right advisory team Navigating the complex tax maze without losing the bank Setting up a business plan following the new tax guidelines to minimize tax payout Using record-keeping techniques that increase deductible expenses Learn to reduce audit risk - or to survive audits successfully Spotting errors in 1099s and handling them properly Providing a thorough look into the Taxpayers First Act, this thorough guide delivers important insights into the marijuana tax dichotomy, updated information about self-rentals, and a deep dive into the Wayfair decision—which affects the collection of sales tax. Whatever kind of business you run, *Small Business Taxes Made Easy* will help you stay in compliance while taking full advantage of all possible deductions, loopholes, profit opportunities, and more.

A Nation's Voice

How should I use technology in my courses? What impact does technology have on student learning? Is distance learning effective? Should I give online tests and, if so, how can I be sure of the integrity of the students' work? These are some of the questions that instructors raise as technology becomes an integral part of the educational experience. In *Quick Hits for Teaching with Technology*, award-winning instructors representing a wide range of academic disciplines describe their strategies for employing technology to achieve learning objectives. They include tips on using just-in-time teaching, wikis, clickers, YouTube, blogging, and GIS, to name just a few. An accompanying interactive website enhances the value of this innovative tool.
