Nancy Caroline's Emergency Care in the Streets, Canadian

Spanish Colonization to 1650: Oxford Bibliographies Online Research Guide

Designed for America's History, Eighth Edition, this two-volume primary-source reader offers a chorus of voices from the past carefully selected to enrich the study of U.S. history. Five to six documents per chapter, ranging from speeches and political cartoons by celebrated historical figures to personal letters and diary entries by ordinary people, foster historical thinking skills while putting a human face on America's diverse history. To support the structure of the parent text, unique part document sets at the end of each part present sources that illustrate the major themes of each section. Brief introductions place each document in historical context, and questions for analysis help students practice historical thinking skills and link individual sources to larger themes.

Documents Illustrative of the History of the Slave Trade to America

"For U.S. History survey courses" Frame American history through personal and collective journeys " The American Journey: A History of the United States " traces the journeys geographical, ideological, political, and social that make up the American experience. Harnessing the stories of individuals from different eras, the authors present a strong, clear narrative that makes American history accessible to students. Offering a blend of political and social histories, the Tenth Edition

continues to show that our attempt to live up to our American ideals is an ongoing journey one that has become increasingly more inclusive of different groups and ideas. Also available with MyHistoryLab(r) MyHistoryLab for the U.S. History survey course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they ve learned. Constructing the American Past

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For courses in U.S. History An accessible social history of the U.S. The American People: Creating a Nation and a Society, Concise Edition examines U.S. history as revealed through the experiences of diverse Americans, both ordinary and extraordinary. With a thought-provoking and rich presentation, the authors explore the complex lives of Americans of all national origins and cultural backgrounds, at all levels of society, and in all regions of the country. Retaining the hallmark accessible narrative and eloquent prose of previous editions, the Eighth Edition offers new and updated content that engages students and ensures an up-to-date learning experience.

A History of the Book in America: Volume 1, The Colonial Book in the Atlantic World

A History of the Book in America is a five-volume, interdisciplinary series that offers a collaborative history of the book in American culture from the earliest days of European settlement to our own days. Its creation is a principal activity of the American Antiquarian Society. Volume 1, The Colonial Book in the Atlantic World is organized around three major themes: the persisting colonial relationship between European settlements and the Old World; the gradual emergence of a pluralistic book trade that differentiated printers from booksellers; and the transition from a "culture of the Word" to the culture of republicanism. The volume will also describe nascent forms of literary and learned culture (including the circulation of manuscripts), literacy and censorship, orality, and the efforts by Europeans to introduce written literary to Native Americans and African Americans.

America's History: Concise Edition

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Explore the history of America through personal and collective journeys. Offering a blend of political and social histories, THE AMERICAN JOURNEY shows that our attempt to live up to our American ideals is an ongoing journey—one that has become increasingly more inclusive of different groups and ideas. With a goal of making American history accessible, the authors offer a strong, clear narrative and provide the reader with the tools they need to understand history.

A Voyage to the North West Side of America

The American Promise, Volume 2

America's History explains WHY events occurred, not just when. Students are provided an analytical and big-picture approach to American history in an affordable format.

The American People

USA's historie fra 1450-1877 samt kolonisationen af Amerika. Medtager kildeskifter af historisk interesse fra perioden

American Journey

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Offers students insight into how diverse communities and different regions have shaped America's past. For the two-semester U.S. history survey course. Out of Many, brief edition, reveals the ethnic, geographical and economic diversity of the United States by examining the individual, the community and the state and placing a special focus on the country's regions, particularly the West. Each chapter helps students understand the textured and varied history that has produced the increasing complexity of America. This book is the abridged version of Out of Many, seventh edition. Teaching and Learning Experience Personalize Learning-The new MyHistoryLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking- Seeing History images and critical thinking questions help students use visual culture to make sense of the past. Engage Students- Each chapter begins with an American Communities feature that shows how the events discussed in the chapter affected particular communities for a well-rounded understanding of American history. Support Instructors- MyHistoryLab, ClassPrep, an Instructor's Manual, MyTest and PowerPoints. Note: MyHistoryLab does not come automatically packaged with this text. The American Yawp

The Paramedic Association of Canada, together with the American Academy of Orthopaedic Surgeons and Jones & Bartlett Learning are proud to continue Dr. Nancy Caroline's legacy by publishing a new edition of the Emergency Care in the Streets, Canadian Edition! Dr. Caroline's work transformed EMS and the entire paramedic field. She created the first national standard curriculum for paramedic training in the United States. She also wrote the first paramedic textbook: Emergency Care in the Streets. Now, the Seventh Edition has been rewritten and revised by Canadian EMS experts specifically for Canadian paramedics, using the National Occupational Competency Profiles.

Out of Many, Combined Volume

The Norton Anthology of American Literature

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass

The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

The American Promise: A Concise History, Combined Volume

This primary source reader in the popular DISCOVERING series contains a six-part

pedagogical framework that guides students through the process of historical inquiry and explanation. The text emphasizes historical study as interpretation rather than memorization of data. Each chapter is organized around the same pedagogical framework: The Problem, Background, The Method, The Evidence, Questions to Consider, and Epilogue. Volume 1 of the Eighth Edition integrates new documents and revised coverage throughout. For example, there are new chapters on creation stories and culture in colonial America, the transition to racial slavery in Virginia, women's rights, and Civil War nurses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

U.S. History

The American Promise has long been a course favorite for its readability, clear chronology, and the voices of Americans that animate the book. Now with new co-authors, the eighth edition continues to deliver a strong narrative with political backbone and offers a new pedagogical design that reinforces that history is a discipline rooted in debate and inquiry. The American Promise has primary sources in each chapter, a full-color map and art program, and comprehensive supplement options, including LaunchPad and a free companion sourcebook. Available for free when packaged with the print book, the popular digital assignment and assessment options for this text bring skill building and assessment to a more highly effective level. The greatest active learning options come in LaunchPad, which combines an accessible e-book with LearningCurve, an adaptive and automatically graded learning tool that--when assigned--helps ensure students read the book; the complete companion reader with comparative questions that help students build arguments from those sources; and many other study and assessment tools. For instructors who want the easiest and most affordable way to ensure students come to class prepared Achieve Read & Practice pairs LearningCurve, adaptive quizzing and our mobile, accessible Value Edition e-book, in one easy-to-use product.

America's History

The American Promise: A Concise History is a brief, inexpensive narrative with a clear political, chronological narrative that makes teaching and learning American history a snap. Streamlined by the authors themselves to create a truly concise book, the fifth edition is nearly 15 percent shorter than the fourth compact edition, yet it includes more primary sources than ever—including a new visual sources feature. It is also enhanced by LearningCurve, our easy-to-assign adaptive learning system that will ensure students come to class prepared.

Out of Many

The third edition of this widely-acclaimed anthology integrates the best of recent scholarship in women's history with American history as a whole. A new introductory essay explains the ways in which the historical experiences of men and women in the United States have diverged, and traces the way in which gender has been socially constructed. Some seventy-five essays and

documents--ranging from a letter written by a slave woman to an analysis of contemporary feminism--guide the reader to an understanding of the interaction of race, class, and gender throughout American history. With its wealth of primary and secondary source material, a revised appendix of essential legal documents, concise headnotes, and clear, chronological organization, the third edition of *Women's America* shows with new force and vigor why gender has become a powerful analytical device for those seeking to understand the history of the United States.

Discovering the American Past: A Look at the Evidence, Volume I: To 1877

The Vikings called North America "Vinland," the land of wine. Giovanni de Verrazzano, the Italian explorer who first described the grapes of the New World, was sure that "they would yield excellent wines." And when the English settlers found grapes growing so thickly that they covered the ground down to the very seashore, they concluded that "in all the world the like abundance is not to be found." Thus, from the very beginning the promise of America was, in part, the alluring promise of wine. How that promise was repeatedly baffled, how its realization was gradually begun, and how at last it has been triumphantly fulfilled is the story told in this book. It is a story that touches on nearly every section of the United States and includes the whole range of American society from the founders to the latest immigrants. Germans in Pennsylvania, Swiss in Georgia, Minorcans in Florida, Italians in Arkansas, French in Kansas, Chinese in California—all contributed to the domestication of Bacchus in the New World. So too did innumerable individuals, institutions, and organizations. Prominent politicians, obscure farmers, eager amateurs, sober scientists: these and all the other kinds and conditions of American men and women figure in the story. The history of wine in America is, in many ways, the history of American origins and of American enterprise in microcosm. While much of that history has been lost to sight, especially after Prohibition, the recovery of the record has been the goal of many investigators over the years, and the results are here brought together for the first time. In print in its entirety for the first time, *A History of Wine in America* is the most comprehensive account of winemaking in the United States, from the Norse discovery of native grapes in 1001 A.D., through Prohibition, and up to the present expansion of winemaking in every state.

Portrait of America

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. An in-depth look at juvenile justice lets students see into the minds of delinquents, victims, and field professionals. *Juvenile Justice in America* provides an in-depth look at the lives of juveniles, their experiences in society, and the consequences of those experiences. The text carefully examines the structures, procedures, policies, and problems of American juvenile justice agencies. The Eighth Edition places further emphasis on delinquency prevention, and features a new chapter on juvenile offender populations to give readers a more comprehensive view of delinquents. Boxed features in every chapter highlight the practical realities of

working in the juvenile justice system. The careful balance of theory, evidence-based findings, and practical applications gives readers the most up-to-date insight into the state of juvenile justice in America today. Juvenile Justice in America, 8/e is also available via REVEL™, an interactive learning environment that enables students to read, practice, and study in one continuous experience. Learn more.

A History of Wine in America, Volume 1

Featuring a mix of primary source documents, articles, and illustrations, Women's America: Refocusing the Past has long been an invaluable resource. Now in its eighth edition, the book has been extensively revised and updated to cover recent developments in U.S. women's history.

A History of the Book in America

The Unfinished Nation Combined Edition

The American Promise, Combined Edition

Now published by Oxford University Press, Constructing the American Past: A Source Book of a People's History, Eighth Edition, presents an innovative combination of case studies and primary source documents that allow students to discover, analyze, and construct history from the actors' perspective. Beginning with Christopher Columbus and his interaction with the Spanish crown in 1492, and ending in the Reconstruction-era United States, Constructing the American Past provides eyewitness accounts of historical events, legal documents that helped shape the lives of citizens, and excerpts from diaries that show history through an intimate perspective. The authors expand upon past scholarship and include new material regarding gender, race, and immigration in order to provide a more complete picture of the past.

The Enduring Vision: A History of the American People, Volume I: To 1877

Connect students to the stories of history. Connect students to the experience of history. Connect students to success in history. At McGraw-Hill, we have spent the past few years deepening our understanding of the student and instructor experience. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we've identified areas in need of improvement to provide an opportunity for greater learning and teaching experiences. Experience History is a direct result of this. Experience History is also a first in American History. Its groundbreaking adaptive diagnostic and interactive exercises paired with its lively narrative and engaging visuals create a unique teaching and learning environment propelling greater student success and better course results. Instructors gain better insight into students' engagement and understanding as students develop a base of knowledge and construct critical thinking skills. Gripping stories keep students turning the page while the adaptive diagnostics for each chapter and a personalized study plan for each individual student help students prepare for class discussions and course work while enjoying increased course success. Experience History emphasizes that history is not just a collection of proven facts, but is "created" from the detective work of historians examining evidence from the past. Providing the interactive environment that only an integrated solution can provide, Experience History gives students the opportunity to examine primary sources and explore specific periods and events. This leads to greater understanding as well as the building and practicing of critical thinking skills. As students uniquely experience American History, Experience History propels students to greater understanding while achieving greater course success. Give students an experience. Improve course participation and performance. Experience History, and experience success.

All American History

The *Out of Many Teaching and Learning Classroom Edition* brings together a wide array of assets to provide a completely integrated multimedia learning experience. This path breaking text weaves together the complex interaction of social, political, and historical forces that have shaped the United States and from which the

American people have evolved by telling stories of people and of the nation and emphasizing that American history has never been the preserve of any particular region. The text's trademark continental approach has been expanded to incorporate a greater hemispheric perspective, while community and memory feature analyzes the role and the conflict of historical memory in shaping communities' understanding of the past. For individuals interested in United States history.

Juvenile Justice In America

Colnett's journal of this expedition is published here for the first time. Editor Robert Galois provides extensive annotations, along with an introductory essay addressing the geopolitical context of the voyage and the intellectual background that shaped the writing of the journal. Galois supplements Colnett's writings with extracts from a second journal -- also previously unpublished -- by Andrew Bracey Taylor, third mate on one of the ships under Colnett's command. Also included are illustrations from Colnett's journals and a variety of maps, both contemporary and historical.

Out of Many, Volume 1

The American Promise has long been a course favorite. Students value The American Promise for its readability, clear chronology, and lively voices of ordinary Americans, while instructors rely upon the rich content, the many documents and features, and the overall support for teaching their class their way. The American Promise provides superior formats for every use—the print book allows for a seamless reading experience while LaunchPad provides the right space for active learning assignments and dynamic course management tools that measure and analyze student progress. LaunchPad comes with a wealth of primary sources and special critical thinking activities to help students progress toward achieving learning outcomes; LearningCurve, the adaptive learning tool that students love to use to test their understanding of the text and instructors love to assign to prepare students for class; and a suite of instructor resources from videos to test banks that make teaching simpler and more effective.

America's History, Value Edition, Combined Volume

A Synopsis of American History

THE ENDURING VISION's engaging narrative integrates political, social, and cultural history within a chronological framework. Known for its focus on the environment and the land, the text is also praised for its innovative coverage of cultural history, public health and medicine, and the West—including Native American history. The eighth edition incorporates new scholarship throughout, and includes a variety of new photos. Based on the popularity of the Going to the Source feature, which was introduced in the previous edition, additional Going to the Source selections are offered online in the eighth edition. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Experience History: Interpreting America's Past

Known for its clear, insightful analytical narrative and balanced approach, America's History, Concise Edition is a brief, affordable text that brings America's diverse past to life. The Concise Edition features the full narrative of the parent text, select images and maps, built-in primary sources and skills-based pedagogy that gives students practice in thinking historically.

Women's America

An accessible social history of the U.S. Revel(TM) The American People: Creating a Nation and a Society, Concise Edition examines U.S. history as revealed through the experiences of diverse Americans, both ordinary and extraordinary. With a thought-provoking and rich presentation, the authors explore the complex lives of Americans of all national origins and cultural backgrounds, at all levels of society, and in all regions of the country. Retaining the hallmark accessible narrative and eloquent prose of previous editions, the Eighth Edition offers new and updated content that engages students and ensures an up-to-date learning experience. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience - for less than the cost of a traditional textbook. NOTE: This Revel Combo Access pack includes a Revel access code plus a loose-leaf print reference (delivered by mail) to complement your Revel experience. In addition to this access code, you will need a course invite link, provided by your instructor, to register for and use Revel.

The American Journey

PORTRAIT OF AMERICA is an anthology of essays written by some of America's most eminent historians. The collection maintains a loose biographical focus. The essays in this secondary-source reader humanize American history by portraying it as a story of real people with whom students can easily identify. More than 25 percent of the essays in the Tenth Edition are new, many from books that have been nationally and internationally recognized for their insight, accuracy, and timeliness, ensuring that the readings continue to be provocative and trustworthy. Each selection is preceded by an introduction for context, and a helpful glossary identifies important individuals, events, and concepts. Study questions follow each selection, prompting students to make comparisons between the readings.

Constructing the American Past

This primary source reader captures the excitement of hands-on history through letters, articles, journalistic sources, photographs and posters. Constructing the American Past achieves a level of inclusion and depth rarely found in other source books. Each chapter focuses on a particular problem or moment in American history, and provides students with several points of view. The photographs, posters and maps included in the text ask the students to "read" the visual sources

of American history. By exposing students to primary sources, the building blocks of history, *Constructing the American Past* fosters a solid foundation and invites its readers to build their own understanding of American history.

America's History, Value Edition

History of the Book in America: Volume 5: The Enduring Book: Print Culture in Postwar America

Out of Many

Published by OpenStax College, *U.S. History* covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. *U.S. History* is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Women's America

The most-trusted anthology for complete works, balanced selections, and helpful editorial apparatus, *The Norton Anthology of American Literature* features a cover-to-cover revision. The Ninth Edition introduces new General Editor Robert Levine and three new-generation editors who have reenergized the volume across the centuries. Fresh scholarship, new authors—with an emphasis on contemporary writers—new topical clusters, and a new ebook make the Norton Anthology an even better teaching tool and an unmatched value for students.

Firsthand America

Known for its clear, insightful analytical narrative and balanced approach, *America's History, Value Edition* is a brief, affordable text that brings America's diverse past to life. The two-color Value Edition includes the full narrative, the popular nine-part organization, and select images and maps.

The Norton anthology of American literature. A : [Beginnings to 1865]. Beginnings to 1820

This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources

are interrelated. This ebook is just one of many articles from Oxford Bibliographies Online: Atlantic History, a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History, the study of the transnational interconnections between Europe, North America, South America, and Africa, particularly in the early modern and colonial period. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities, for more information visit www.oxfordbibliographies.com.
