### High Crime Area

The Colouring It Forward - Cree Nation Art & Wisdom Colouring Book features the beautiful art created by Cree artists Sam Bighetty and Delree Dumont as well as teachings and stories from John Sinclair, a Cree elder born in Alberta. Part of the proceeds from your purchase will go to these two artists, to Mr. Sinclair and to foster community projects for Indigenous people.

### Portable Darkness

In this first Heidi Heckelbeck super special, Heidi makes a drastic wish—but once it comes true, she finds it may not be the answer to all of her problems. When another magical spell goes wrong, Heidi makes a powerful wish: “Sometimes I wish I wasn’t a witch!” But when Heidi’s wish comes true, she has to figure out a way to get her magic back, while also helping her friends solve a few problems of their own. Only this time, she’ll have to help without casting a spell. Will Heidi realize just how special her magic is? With easy-to-read language and illustrations on almost every page of this extra-long story, the Heidi Heckelbeck chapter books are perfect for beginning readers.

### The Rubaiyat of Omar Khayyam Explained

Numerical Mathematics presents the innovative approach of using numerical methods as a practical laboratory for all undergraduate mathematics courses in science and engineering streams. The authors bridge the gap between numerical

methods and undergraduate mathematics and emphasize the graphical visualization of mathematical properties, numerical verification of formal statements, and illustrations of the mathematical ideas. Students using Numerical Mathematics as a supplementary reference for basic mathematical courses will be encouraged to develop their mathematical intuition with an effective component of technology, while students using it as the primary text for numerical courses will have a broader, reinforced understanding of the subject.

## **Numerical Mathematics**

Though sexuality is an important subject matter that should be taught in homes and in the church, it has been neglected and treated as inconsequential. Young and old alike look at sex as a taboo. The church and the home should be the most appropriate forums where sexuality could be openly discussed, but to the contrary, the message we have received from the church and the home is that sex is unholy and shouldn't be discussed. These key institutions have little or nothing to discuss about sex. This is especially tragic because the believers who have faith in God, who created sex and established its proper parameters, should be able to speak more intelligibly and confidently about sex than anyone else. Yet the community of believers is silent in the public forum in matters relating to sexuality whether because of embarrassment, confusion, timidity or a sense that the subject of sex is either too personal or not sufficiently "spiritual" for church to address publicly. Mr. Ng'ang'a has addressed this subject openly and with ardent scriptural instruction. Understanding Human Sexuality is helpful to married couples and curious young people who have many questions about sex. It is also an instruction manual for parents in guiding their curious children on the subject.

## **Wherever You Are, And Whatever You Do, You Always Stay My Captain**

## Real Fake

While seventh-grader Lindy Sachs is recovering from mononucleosis, her father gives her access to his etrading account as a way to pass the time and she discovers that she has a knack for buying and selling stocks.

## Zumbo

Eight stories from the author of *A Book of American Martyrs* that display her “mastery of imagery and stream of consciousness” (Kirkus Reviews). Joyce Carol Oates is an unparalleled investigator of human personality. In these eight stories, she deftly tests the bonds between damaged individuals—brother and sister, teacher and student, two lonesome strangers on a subway—in the beautiful, bracing prose that has become her signature. In the title story, a white, aspiring professor in Detroit tries to shake a black, male shadow during the summer of the city’s 1967 race riots. In “The Rescuer,” a promising graduate student detours to inner-city Trenton, New Jersey, to save her brother from a downward spiral, only to find herself entranced by his dangerous new world. Meanwhile, a young woman prowls the New York City subways in search of her perfect man in “Lorelei.” In each of these short stories, Oates portrays a desperate confrontation with the demons inside us. Sometimes it’s the human who wins, and sometimes it’s the demon. “Oates offers unexpected glimmers of redemption amid the grotesquerie, degradation, and exploitation that fill this collection’s eight tales.” —Publishers Weekly

### Deeper Reading

LAN SLUDER'S GUIDE TO THE CAYES, COAST AND BEACHES OF BELIZE is the new, most up-to-date travel guide to the Belize Barrier Reef, beaches, islands and atolls of this amazingly beautiful country on the Caribbean Sea. You'll benefit from Lan Sluder's 25 years of traveling in and reporting on Belize. He has explored every part of Belize many times, has personally stayed at more than 250 hotels in Belize (and toured the rest) and has tried nearly every restaurant in the country. As the award-winning author of 16 books on Belize, including *Fodor's Belize*, *Easy Belize*, *Lan Sluder's Guide to Belize* and *Living Abroad in Belize*, Lan Sluder knows the country and tells it like it is. This guide gives you the latest scoop on snorkeling, diving, fishing, kayaking, sailing, visiting ancient Maya ruins, caving, birding, wildlife and marine life spotting, snorkeling with sharks and stingrays, diving with whale sharks and other activities on the water and on land. It gives you detailed, candid information on the best hotels, restaurants, attractions and tours. And it also gives you tips on how to avoid rip-offs and overpriced tourist traps. It shares tips on stretching your travel dollars and provides itineraries and choices for your budget, whether it's high, low or in-between. This travel guide covers every coastal beach and island destination in Belize, from popular islands like Ambergris Caye and Caye Caulker to Placencia and Hopkins to off-the-beaten path, little-visited

places like Sarteneja in Northern Belize and Punta Negra, Monkey River and the Sapodilla Cayes in the Deep South. In 315 pages Lan Sluder's Guide to the Cayes, Coast and Beaches of Belize covers all these destinations and more: SAN PEDRO AND AMBERGRIS CAYE CAYE CAULKER Lighthouse Reef and the Blue Hole Turneffe Atoll and Glover's Reef Atoll Offshore islands inside the Belize Barrier Reef including Southwater Caye, Tobacco Caye, the Snakes Cayes, Sapodilla Cayes, Ragged Cayes and more PLACENCIA, HOPKINS and Dangriga on the Southern Coast Punta Gorda in Toledo District Corozal Town, Cerros and Sarteneja in Corozal District Belize City This guide lists the Top 10 Everything -- Top 10 Beach Resorts, Top 10 Budget/Value Hotels, Top 10 Restaurants, Top 10 Watering Holes, Top 10 Attractions, Top 10 Adventures and 10 Best Beaches in Belize! Lan Sluder's Guide to the Cayes, Coast and Beaches of Belize tells you everything you need to know about getting to Belize by air, sea and land and how to travel safely around the country by bus, water taxi, rental car, puddle jumper and private shuttles. It shares the wonderful diversity of this little country -- Maya, Mestizos, Creoles, Garifuna, Mennonites and others. It even gives you a quick lesson on traveler's Spanish and "Bileez Kriol." This is the new guide that goes in-depth on Belize's national parks, wildlife sanctuaries and marine reserves. It gives you precise information on how to get to where you want to go and exactly how much you should pay. The new guidebook includes more than 40 photos and maps. Check the Table of Contents and the free preview and see if you agree that you get far more for your money with the newest and most up to date guide to Belize's islands, coast and beaches."

## **My Word Book**

One half of Mithya shining another half still in the dark – glide away with the Taranauts on another thrilling ‘chilling’ adventure! Mithya’s eight worlds – Shyn Lustr Sparkl Glo Dazl Shimr Syntilla and Glytr – were plunged into darkness when the wicked Shaap Azur captured all its 32 stars. There was no hope until Zarpa Tufan and Zvala – three bright and brave Taranauts with special gifts - set out to bring back light and cheer to Mithya. At the end of four missions the score reads 4-0 in favour of the Taranauts. Nervous and desperate Shaap Azur’s Ograzurs are in attack mode taking the war to the enemy at impregnable Kay Laas! The attempt fails and the Taranauts zip away to the icy world of Syntilla but Eye-in-the-Sky has other tricks up his sleeve. Will the giant Syntillakos still grieving over the sudden drying up of their life-giving Bisibrooks Waterway rise up to help the Taranauts? Can our heroes negoti
