Dictionary of Occupational Titles

Sales Management

This is a supplement to the Occupational Outlook Handbook in which it defines the O'Net codes in detail referenced in all occupations listed in the OOH with over eight times as much job data.

Index of Patents Issued from the United States Patent and Trademark Office

Atlantis is a legendary continent that is said to have disappeared very suddenly in the ancient past. Spence puts forth evidence that Atlantis was located in the Western hemispherein and around Central America. He does a great job comparing Indian myths from various lands including Peru, Brazil, Central America, North America, and the Atlantean story from the great philosopher, Plato. Many myths duplicate themselves between cultures, leading one to believe in a common source. That source, according to Spence, was Atlantis. The one book on Atlantis that should not be missed.

Federal supplement. [First Series.]

Beginning with 1937, the April issue of each vol. is the Fleet reference annual.
