The Business Style Handbook: An A-to-Z Guide for Writing on the Job with Tips from Communications Experts at the Fortune 500

Do any of us ever think about going to prison? Or being the focus of an investigation by the Federal Bureau of Investigation? How does it feel having your life turned upside down by a tenacious Federal Prosecutor who wants you in jail? Have you ever been threatened with obstruction of justice, tax evasion or being subpoenaed before the Grand Jury? Can you imagine having to make a decision to plead guilty to save your sanity? Think how intimidating it is to fight a giant with unlimited money, resources and power. Can you imagine how you would feel when a judge sentences you to prison? Jerry Luongo was an upstanding member of his community and his church, a revered elected official, a family man and an educator whose life was committed to children. In April of 2001, his world began to come apart. He began to face all those questions. When he was sentenced to a Federal Prison Camp, he had nowhere to turn for information. When he was released, he promised to help others in the same predicament. This book is for you and your family. It will help guide you through the maze at a most difficult time. Book jacket.

The result is a refreshingly engaging and informative guide that includes all you need to know at each age and stage of your child's first year. Drawing on the latest medical recommendations and his experiences at home and in the office, Dr. Cohen covers everything from preparing for your baby's arrival to introducing her to a new sibling, to those three basic functions that will come to dominate a new parent's life. Eat, Sleep, Poop addresses questions, strategies, myths, and all aspects of your child's development. In each instance, Dr. Cohen provides a thorough overview and a simple answer or explanation: a "common sense bottom line," yet he doesn't dictate. The emphasis is on doing what is medically sound and what works best for you and your baby. He also includes fact sheets, easy-to-follow diagnosis and treatment guides, and humorous daddy vs. doctor sidebars that reveal the learning curve during his fi rst year as a dad. Lively, practical, and reassuring, Eat, Sleep, Poop provides the knowledge you need to parent with confidence, to relax and enjoy baby's fi rst year, and to raise your child with the best tool a parent can have: informed common sense.
