Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Prayer Cookbook for Busy People (Book 5)

Philanthropy in America is a giant undertaking—every year more than \$390 billion is voluntarily given by individuals, foundations, and businesses to a riot of good causes. Donation rates are two to ten times higher in the U.S. than in comparable nations, and privately funded efforts to solve social problems, enrich culture, and strengthen society are among the most significant undertakings in the United States. The Almanac of American Philanthropy was created to serve as the definitive reference on America's distinctive philanthropy. Upon its publication it immediately became the authoritative, yet highly readable, 1,342-page bible of private giving—chronicling the greatest donors in history, the most influential achievements, the essential statistics, and summaries of vital ideas about charitable action. Now there is this new Compact Edition of the Almanac. It offers highlights of the crucial information and fascinating arguments contained in the full-length

Almanac, in a condensed format. All updated to 2017!

Genealogy of the Descendants of John Eliot, "apostle to the Indians," 1598-1905

Penelope Drayton Spence made a choice years earlier, and picked marriage and family over a promising career as an investigative reporter. Now, divorced and with her children spread around the country, she is having second thoughts. A mysterious call from the Managing Editor of the Washington Post, offers her a second chance at big time journalism. He has a story so sensitive that the President of the United States personally asked the Post to leave it alone. With rumors of 30 top scientists missing and rich industrialist, Michael Walker, being held incommunicado in a prison typically used for terrorists, the story is too big to ignore. He quietly goes "off the grid" and turns to the only person he knows who is good enough to crack this story, his old college friend Penelope. The moment she picks up the phone her life is turned upside down and she soon finds herself traveling cross country with the most wanted man in America looking for information about the top secret "Hermes Project." On one level it is a straightforward suspense story with plenty of action, a healthy dose of humor and a pinch of sexual tension. On another it is a spiritual quest by a remarkable woman who meets an enlightened man the likes of which have never been seen in fiction before. Thanks to Michael Walker she gets a "do over" that allows her to go back and select the path not taken. Over the course of the story she gradually

grows to understand Walker and the amazing spiritual powers he possesses. Penelope also becomes aware of the looming Fourth Awakening, and makes the chilling discovery that her reporting skills and ability to fight her personal demons may be the only thing that can save humanity.

Discipleship Essentials

Stage-coach and Tavern Days

Published to critical acclaim twenty years ago, and now considered a classic, *The House of Morgan* is the most ambitious history ever written about American finance. It is a rich, panoramic story of four generations of Morgans and the powerful, secretive firms they spawned, ones that would transform the modern financial world. Tracing the trajectory of J. P. Morgan's empire from its obscure beginnings in Victorian London to the financial crisis of 1987, acclaimed author Ron Chernow paints a fascinating portrait of the family's private saga and the rarefied world of the American and British elite in which they moved—a world that included Charles Lindbergh, Henry Ford, Franklin Roosevelt, Nancy Astor, and Winston Churchill. A masterpiece of financial history—it was awarded the 1990 National Book Award for Nonfiction and selected by the Modern Library as one of the 100 Best Nonfiction Books of the Twentieth Century—*The House of Morgan* is a compelling account of a remarkable institution and the men who ran it, and an essential book for

understanding the money and power behind the major historical events of the last 150 years.

Historic Shepherdstown

Passion Prayer of Jesus the Christ

This is the first biography of Truett since 1939. Born in 1867 just west of Hayesville, North Carolina, George W. Truett grew up to be one of the outstanding Baptist preachers of the twentieth century. He moved to Whitewright, Texas, in 1889 and planned to practice law. His Baptist church in Whitewright, however, ordained him to the ministry in 1890, ignoring his vigorous protest against such action. Truett first gained notice in Texas when, as Baylor University's financial agent (1891-1893), he raised \$92,000 to eradicate the university's debt. He entered Baylor in fall 1893 and graduated in 1897. That same year, he accepted the call of First Baptist Church, Dallas, Texas, thus beginning his forty-seven-year ministry (1897-1944) as the church's pastor. Blessed with an almost unbelievable capacity for work, Truett, in addition to his responsibilities to his Dallas congregation, averaged nearly six revivals each year and was in constant demand as a speaker and as a fundraiser. He was also blessed with a church that permitted him to minister away from Dallas, sometimes for months at a time. During World War I, on what he called his 'great journey', Truett spent six months preaching to Allied forces in Ireland, England, France, and Germany. In 1930, he preached for two

and a half months in several South American countries. As president of the Baptist World Alliance (1934-1939), Truett spent six months (1935-1936) preaching in East Asia and two months (1937) preaching in Europe. Best known for his advocacy of religious liberty, Truett also helped found Baylor Hospital in Dallas. Less known about Truett was his understanding of stewardship. Money meant nothing to him, and in twenty-three of his forty-seven years in Dallas, he led his church to spend more money on other missions and benevolences than on its own programs.

The War of the American Revolution

We grow in Christ as we seek him together. Jesus' own pattern of disciple-making was to be intimately involved with others. This expanded 25-session workbook by Greg Ogden, perfect for small groups or individuals, helps us influence others as Jesus did—by investing in a few. Working through it will deepen your knowledge of essential Christian teaching and strengthen your faith.

Invitation to a Journey

Critically examines the influence of Google, profiling company founders Larry Page and Sergey Brin while offering insight into their lucrative business processes and assessing the internal and external threats that may inhibit the company's prospects.

The Principal Works of St. Jerome

What role did drug abuse play in John F. Kennedy's White House, and how was it kept from the public? How did general anesthetics and aging affect the presidency of Ronald Reagan? Why did Winston Churchill become more egocentric, Woodrow Wilson more self-righteous, and Josef Stalin more paranoid as they aged -- and how did those qualities alter the course of history? Was Napoleon poisoned with arsenic or did underlying disease account for his decline at the peak of his power? Does syphilis really explain Henry VIII's midlife transformation? Was there more than messianism brewing in the brains of some zealots of the past, among them Adolf Hitler, Joan of Arc, and John Brown? Most important of all, when does one man's illness cause millions to suffer, and when is it merely a footnote to history? To answer such questions requires the clinical intuition of a practicing physician and the scholarly perspective of a trained historian. Bert Park, who qualifies on both counts, offers here fascinating second opinions, basing his retrospective diagnoses on a wide range of sources from medicine and history. Few books so graphically portray the impact on history of physiologically compromised leadership, misdiagnosis, and inappropriate medical treatment. Park not only untangles medical mysteries from the past but also offers timely suggestions for dealing with such problems in the future. As a welcome sequel to his first work, *The Impact of Illness on World Leaders*, this book offers scholars, physicians, and general readers an entertaining, albeit sobering, analysis.

A Comprehensive History of Norwich

The Gullah People and Their African Heritage

There are prayers that can help rekindle the interest of your spouse in your marriage, even if he or she hasn't looked at you in years. In some cases, these prayers can help turn any troubled relationship to a terrific relationship in as short a time as 21 days.

Daniel's 70 Weeks

The Gullah people are one of our most distinctive cultural groups. Isolated off the South Carolina-Georgia coast for nearly three centuries, the native black population of the Sea Islands has developed a vibrant way of life that remains, in many ways, as African as it is American. This landmark volume tells a multifaceted story of this venerable society, emphasizing its roots in Africa, its unique imprint on America, and current threats to its survival. With a keen sense of the limits to establishing origins and tracing adaptations, William S. Pollitzer discusses such aspects of Gullah history and culture as language, religion, family and social relationships, music, folklore, trades and skills, and arts and crafts. Readers will learn of the indigo- and rice-growing skills that slaves taught to their masters, the echoes of an African past that are woven into baskets and stitched into quilts, the forms and phrasings that identify Gullah speech, and much more. Pollitzer also

Acces PDF Elisha Goodman Confidential Prayer Manuscript

presents a wealth of data on blood composition, bone structure, disease, and other biological factors. This research not only underscores ongoing health challenges to the Gullah people but also helps to highlight their complex ties to various African peoples. Drawing on fields from archaeology and anthropology to linguistics and medicine, *The Gullah People and Their African Heritage* celebrates a remarkable people and calls on us to help protect their irreplaceable culture.

PASSION PRAYER OF JESUS THE CHRIST The 7 Secret Principles of Jesus

American Prisoners of the Revolution

Esotericism is the search for an absolute but hidden knowledge accessed through mystical vision, the mediation of higher beings, or personal experience. In Western cultural history esoteric approaches to religion have often been in conflict with - and suffered at the hands of - more established forms of religious belief and practice. 'Western Esotericism' presents a very broad and engaging history of the people and ideas which have shaped occult history from antiquity

Acces PDF Elisha Goodman Confidential Prayer Manuscript

to today. Throughout the history of esotericism the dynamic of concealment and revelation has characterized the search for secret knowledge. Pursued both publically and privately, esotericism has come to influence more mainstream religious practice and culture and has significantly shaped our understanding of modernity. Today, esotericism continues to be practised by a range of both established and new religious movements. 'Western Esotericism' presents the essential guide to one of the most fascinating, provocative, and sustained of religious traditions.

The House of Morgan

The Letter of St. Jerome stand as perhaps one of the few literature treasures that have survived late antiquity, along with that of St. Augustine and Plotinus. This first volume incorporates Letters 1 through 50, and are an excellent cross-section of St. Jerome's early theological and ecclesiastical thought.

Prayer Cookbook for Busy People (Book 2)

What is an Esther Fast? Why is the midnight prayer so powerful? In this book you will discover these biblical secrets and more. After reading this prayer manual, you will know why a few believers are able to consistently obtain answers to their prayers, no matter how impossible the situation may look. And what you can do to join them today.

The Almanac of American Philanthropy

Do you know the Most Amazing Passage in the entire Bible? In this study of Daniel's 70 Weeks, you will discover this amazing prophecy in the Old Testament predicted the very day that Jesus presented Himself as the Meschiach Nagid, the Messiah the King, to Jerusalem. The Seventy Week Prophecy of Daniel 9 includes the most incredible validation of Jesus Christ as the Messiah, which He held them accountable to have known. In a confidential briefing to His disciples, Jesus also highlights this passage as the key to understanding all other prophecies concerning His return. It is essential to understanding the Book of Revelation and other related passages.
