English in Common

Modern English Structures Workbook - Second Edition

Engaging facts, amazing photography and captivating real-life video take young learners on a journey to explore the world as they learn English. Are you ready to explore? What makes our bodies move? Why do whales jump out of water? Guess What! is a six-level course that invites children to explore the world through engaging facts, amazing photography, and captivating video. The highly photographic Student's Book Level 1 brings lessons to life with engaging characters, topics that spark children's curiosity, and a wide variety of activities, including humorous contextual dialogs, songs, chants, games, stories illustrating social values, functional dialogs, and role play. There are plenty of opportunities for developing children's thinking skills and their knowledge of other subjects in the CLIL lessons.

Super Minds Level 5 Teacher's Book

English in Common is a six-level American English integrated-skills course for adult and young adult learners based on CEFR standards and learner outcomes. Finding direction and purpose English in Common 3 motivates learners through Can Do objectives which give direction and purpose, ensuring students know what they are

learning, why they are learning it, and how they will be able to use the language outside of the classroom. Engaging learners' interest English in Common 3 engages learners' interest by offering a new twist to familiar topics –topics that reflect students' needs and interests. This ensures that students will always have something to say about the content of the lesson. Developing active learners English in Common 3 encourages active participation in learning by guiding students to use their own knowledge as they observe structures in context to figure out language use and form independently. English in Common 3 Student Books are divided into either ten or twelve units and have enough material for approximately 60 to 90 hours of instruction. Each Student Book has a bound-in ActiveBook, which contains a digital Student Book with the entire audio program, Extra Listening practice and activities, and a printable Language Portfolio to help students keep a record of their progress. Also available as a blended learning program, with MyEnglishLab, an online learning tool for personalized practice, with automatic gradebook. Level 3 is for Pre-intermediate, and covers competencies in the A2-B1 bands of the CEF.

Developing active learners English in Common encourages active participation in learning by guiding students to use their own knowledge as they observe structures in context to figure out language use and form independently.

English & Grammar Workbook, Grade 5

Excel Basic Skills: English Workbook Year 5 will help you with the writing you do every day at school - in English and in other subjects. Each chapter looks at a different type of writing. Some are imaginative text types such as narratives and poems. Others are factual text types such as reports and explanations. All the chapters begin with a sample text. Make sure you read the sample text carefully and look at the special features marked on it. You should then try the activities that follow. These give you guidance and practice in writing a similar type of text. Some activities help you with grammar and punctuation. Others focus on words - the way they are spelt and what they mean. Some activities are just for fun. Each chapter ends with activities that help you write a complete text yourself. The Excel series of English Workbooks for Years 3- 6 will help primary school students with the reading and writing they do every day at school - in English and in other subjects. Each chapter is set out as a separate unit of work covering a different type of writing (text type,,) and contains exercises that relate to that particular text type. In this book you will find: eleven chapters, each set out as a unit of work covering a particular text type (such as narratives, letters, speeches and information reports), including a chapter on writing for school projects exercises and activities in each chapter which are directly linked to the text type covered practice in skills such as spelling, grammar, vocabulary, punctuation and comprehension interesting and relevant sample texts, including many written by Year 5 students, with important features highlighted Answers to all questions at

the back of the book

Super Minds American English Level 5 Student's Book with DVD-ROM

2500 Common English Idioms: Probably the most difficult word groups to understand are those that are idiomatic. Idioms are confusing to the learner because the meaning of the individual words will often be familiar to them but the meaning of these words in combination is not as clear. There are an extensive number of idioms in the English language and it would be impractical for a non-native speaker to seriously consider learning them all. In this book you will find the more basic and common idioms used in general English (over 2500 examples given). Each entry has a brief description, an example showing how the idiom may be applied, and related expressions. Please note: This is a black and white print edition

Welcome to English! A Workbook and Study Guide for Beginners

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

2500 Common English Idioms

Designed and created by Darrell Hall, "Welcome to English!" is a workbook and study guide for students in both, Elementary & Middle School. This hands-on workbook covers a number of topics, such as: The Writing Process, Grammar, Ebonics, Reading Comprehension, & Word Usage.
