Manual of Arms for Light Infantry
United States Congressional serial set
Paris Universal Exhibition, 1855

Annual Report of the Superintendent of Public Instruction of the Commonwealth of Virginia

Air and Gas Drilling Manual

A Record of the Exhibition, Earl's Court, London, 1903

Report of the Minister of Public Instruction for the Year

The definitive manual on judging and running the modern drill competition (civilian, JROTC, ROTC and service Honor Guards) at all levels. Taking you through the modern judging process, the reader is exposed to the world of judging the pageantry arts in the four visual captions. A must for all Drillers, instructors and judges.

Documents of the Senate of the State of New York

Mind and Body

The Honor Guard Manual

The Illustrated American

The third edition of Air and Gas Drilling Manual describes the basic simulation models for drilling deep wells with air or gas drilling fluids, gasified two-phase drilling fluids, and stable foam drilling fluids. The models are the basis for the development of a systematic method for planning under balanced deep well drilling operations and for monitoring the drilling operation as well as construction project advances. Air and Gas Drilling Manual discusses both oil and natural gas industry applications, and geotechnical (water well, environmental, mining) industry applications. Important well construction and completion issues are discussed for all applications. The engineering analyses techniques are used to develop pre-operations planning methods, troubleshooting operations monitoring techniques and overall operations risk analysis. The essential objective of the book is drilling and well construction cost management control. The book is in both SI and British Imperial units. Master the air and gas drilling techniques in construction and development of water wells, monitoring wells, geotechnical boreholes, mining operations boreholes and more 30% of all wells drilled use gas and air, according to the U.S. Department of Energy estimates Contains basic simulation equations with examples for direct and reverse circulation drilling models and examples for air and gas, gasified fluids, and stable foam drilling models

The Junior Plattsburg Manual

The DrillMaster's fifth book and the only honor guard manual with extensive descriptions and photos of all honor guard movements for every honor guard ceremony: Pall Bearers, Firing Party, Color Team (Color Guard), 2- and 6-Man Flag Fold, Cordon procedures, Sword Manual, Rifle Manual, Flagstaff Manual and the only nationally published Manual of the Firefighter's Ceremonial Fire Axe and Ceremonial Pike Pole. Based on the standards used by the American Military Presidential Honor Guard Units, this manual even contains a sample training plan, lesson plans and a complete training record for documenting honor guard member ceremonial training. Whether your honor guard team is military, law enforcement, firefighter, emergency medical, forest service, veteran or fraternal organization, this manual is a must-have!

Manual of Physical and Health Education

Infantry Journal

The Field Manual of Evolutions of the Line Being a Sequel to the Authorized U.S. Infantry Tactics. Translated, with Adaptation to the U.S. Service, from the Latest French Authorities

A Manual of Military Surgery; Or, Hints on the Emergencies of Field, Camp and Hospital Practice

The Official History and Manual of the Grand United Order of Odd Fellows in America

Manual of Target Practice for the United States Army

Wda Adjudication Manual

Vol. 26- includes the report on the schools for the deaf and dumb in central and western Europe by Rev. George E. Day.

Handbook to the Industrial Department of the International Exhibition, 1862

The Field Manual of Evolutions of the Line

DrillMaster's Platoon/Flight & Drill Team Coach's Field Manual

Perfect Bound. For all services, this is the field manual that every regulation drill team coach needs. It's like taking your service drill and ceremonies manual out with you, but in a much more concise and explanatory tool that fits in your cargo pocket. Complete with space on most pages for instructor notes, just like a lesson plan! Ideal for ROTC, JROTC and all cadet program instructors and coaches! Train your unit using the sound drill and ceremony principles of the American military, specifically enhanced by The DrillMaster for competitive teams. This training is not offered anywhere else.
