Whether they feel intimidated, unmotivated, or just downright out of touch with what it means to pursue a relationship with God, Facing Goliath offers help to every man who wants to overcome his giants and experience a life-changing relationship with Jesus Christ. Addressing topics like intellectual doubt, fear, pride, and selfishness, men will find practical steps to discovering the answers to questions, of faith, salvation, and spiritual growth. Learn how to study the Bible for yourself as you get to know the real Jesus. Let your heartbreak, pain, and uncertainty be overcome by Christ's hope, healing, and love.

The Swindoll Study Bible NLT

Know who you are in Christ and understand how your identity in Christ shapes your life.

Anxious for Nothing

Probably one of the most well-known characters in the Bible is David. He grew up a shepherd boy and defeated a giant named Goliath and then went on to be King of Israel. While king, David made some serious mistakes. However, David didn't try to place the blame on other people. He took responsibility and shouldered the blame himself. By doing this, he was described by God as a "man after His own heart." In this book, you will learn that God has a good plan for every individual. But sometimes you can thwart that plan by your own desire to fulfill certain desires and dreams but God's grace can bring you back to the plan that God has for you. Even though David made some mistakes and even cost people their lives, he repented and was able to turn the direction of those mistakes to want to serve the Lord. God's grace is evident through the entire life of David. Rather than having to go through your own hard knocks, the author encourages the reader to learn from these life lessons from David

The Love Dare

Winner of the 2018 Christian Book Award for Bible of the Year. The Swindoll Study Bible offers the best of Chuck Swindoll's wit, charm, pastoral insight, and wise biblical study directly to you as you study God's Word. Chuck's warm, personal style comes across on every page, and his informed, practical insights get straight to the heart of the Bible's message for the world today. Reading each part of this study Bible is like hearing Chuck speak God's Word directly to your heart. It will both encourage readers' faith and draw them deeper into the study of God's Word. In Chuck's own words: "This study Bible was designed with you in mind. As you read the Scriptures, imagine my sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the who, what, where, when, why, and how of the Bible: Who wrote it and when? What does it mean, and where did its events occur? Why should I trust it? And most importantly, how can I apply it today?" It's that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical insight for living . . . for genuine life change. After all, that's why God has communicated His Word to us--so that we may become like His Son, Jesus Christ, the central figure of this Book." Free app with purchase! Goliath Must Fall

When life is falling apart, God will carry you through. It has been said that

everyone is either entering, in the midst of, or just exiting a trial. Popular author and pastor Max Lucado has discovered that at any given point, almost everyone is dealing with something. Whether the loss of a loved one, marriage issues, illness, job loss, or the stress of everyday life, people everywhere need the assurance that God will carry them through. Through decades of betrayal, abandonment, and false accusations, Joseph never gave up on God or His purpose. And Joseph continually trusted the sovereignty of God as Master-weaver of his life. In *God Will Carry You Through*, Max invites readers to do the same—to let God’s message through Joseph guide His children through tough times today. Laced throughout Joseph’s story are personal testimonies by everyday people who discovered for themselves that “God had carried them through” as well as quotes and Scripture passages for meditation. This book is rich in hope for finding peace and reassurance through whatever challenge you face.

The Battle Plan for Prayer

Fear. Rejection. Addiction. Anger. Comfort Must Fall. It's likely you have a threatening giant in your life...an adversary or stronghold that's diminishing your ability to live a full and free life. Frozen in the grip of rejection, fear, anger, comfort, or addiction, we lose sight of the promise God has for our lives. Demoralized and defeated, we settle for far less than his best. God has a better plan for you, a plan for you to live in victory. That's why he has silenced your giant once and for all. In Goliath Must Fall, pastor Louie Giglio uncovers a newfound twist in the classic story of David and Goliath. The key to living free from our giants is not better slingshot accuracy, but keeping our eyes on the one and only giant-slayer—Jesus. Put your hope in him and watch Goliath fall.

Lessons from David

You'll get through this. It won't be painless. It won't be quick. But God will use this mess for good. Don't be foolish or naïve. But don't despair either. With God's help, you'll get through this. You fear you won't make it through. We all do. We fear that the depression will never lift, the yelling will never stop, the pain will never leave. In the pits, surrounded by steep walls and aching reminders, we wonder: Will this gray sky ever brighten? This load ever lighten? In You'll Get Through This, pastor

and New York Times best-selling author, Max Lucado offers sweet assurance. "Deliverance is to the Bible what jazz music is to Mardi Gras: bold, brassy, and everywhere." Max reminds readers God doesn't promise that getting through trials will be quick or painless. It wasn't for Joseph--tossed in a pit by his brothers, sold into slavery, wrongfully imprisoned, forgotten and dismissed--but his Old Testament story is in the Bible for this reason: to teach us to trust God to trump evil. With the compassion of a pastor, the heart of a storyteller, and the joy of one who has seen what God can do, Max explores the story of Joseph and the truth of Genesis 50:20. What Satan intends for evil, God redeems for good.

Overcomer - Bible Study Book

Ours is an age of anxiety. We worry about our children, jobs, homes, health, and finances. News and social media feed our fears. Even the fear of missing out leads to anxiety. The solution isn't to rid ourselves of the sources of anxiety but to recognize that anxiety originates from a spiritual influence--and then use the weapons of power, love, and a sound mind to fight back and live in God's peace. Sharing her own story of emerging from the battle with anxiety as well as the stories of others, Dr. Michelle Bengtson reminds you of your identity as a follower of Christ and of the peace he promises you in spite of everything. She provides tools to cope with the crushing emotional burden of anxiety now, and, more importantly, shows you how to reclaim God's peace as a way of life so that you can break anxiety's grip.

Defined - Teen Guys Bible Study Book

When it comes to anxiety, depression, and stress-related illnesses, America is the frontrunner. Thankfully, there's a practical prescription for dealing with them. *Anxious for Nothing*, from New York Times bestselling author, Max Lucado, provides a roadmap for battling with and healing from anxiety. Does the uncertainty and chaos of life keep you up at night? Is irrational worry your constant companion? Could you use some calm? If the answer is yes, you are not alone. According to one research program, anxiety-related issues are the number one mental health problem among women and are second only to alcohol and drug abuse among men. Stress-related ailments cost the nation \$300 billion every year in medical bills and lost productivity. And use of sedative drugs like Xanax and Valium have skyrocketed in the last 15 years. Even students are feeling it. One psychologist reports that the average high school kid today has the same level of anxiety as the average psychiatric patient in the early 1950s. Chances are, you or someone you know seriously struggles with anxiety. Max writes, "The news about our anxiety is enough to make us anxious." He knows what it feels like to be overcome by the worries and fear of life, which is why he is dedicated to helping millions of readers take back control of their minds and, as a result, their lives. *Anxious for Nothing* invites readers to delve into Philippians 4:6-7. After all, it is the most highlighted passage of any book on the planet, according to Amazon: Do not

be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. In the characteristic tone of his previous books like *You'll Get Through This* and *Fearless*, Max guides readers through this Scripture passage and explains the key concepts of celebration, asking for help, leaving our concerns, and meditating. Stop letting anxiety rule the day. Join Max on the journey to true freedom and experience more joy, clarity, physical renewal, and contentment by the power of the Holy Spirit. Anxiety comes with life. But it doesn't have to dominate your life.

Exposing Deceptive Defense Doctors

Who was Jesus —really? For centuries, the Christian church has taught that Jesus is the divine Son of God, crucified for sinners and raised from the dead. In recent years, however, that picture of Jesus has come under widely publicized attack from sources ranging from critical scholars to Internet pundits to popular historians and others. The new portraits of Jesus seem persuasive. You can't help but wonder Did Christianity merely copy its beliefs from earlier mythology? Did the church suppress alternate gospels? Did Jesus never die on the cross or rise from the dead for sinners? Is the New Testament hopelessly riddled with errors? New York Times bestselling author Lee Strobel helps you separate truth from media hype, sound

scholarship from bias, and fact from speculation. Digging below the surface, this book provides credible, informed answers to today's most pressing questions about Jesus.

War Room Bible Study - Bible Study Book

Archaeological discoveries have increasingly brought to light evidence of women's involvement in the royal houses of the ancient Near East, yet such evidence has not fundamentally altered the perception of monarchy as an exclusively male-gendered theological, political, and social institution. Solvang's study assembles the evidence in search of an integrated view of royal women's position and power in critical functions of monarchy, challenging customary assumptions about women's place in the royal harem. The historical information serves as a backdrop for a literary reading of biblical texts describing the royal house of Judah. Attention is given to three women representing different royal positions: Michal (daughter), Bathsheba (queen mother), and Athaliah (queen and monarch).

Facing the Giants

Were human beings created by powers from outer space? Did extraterrestrial

giants build the megaliths of Malta and the menhirs of Brittany? Was the Ark of the Covenant a machine built by the astronaut gods? In *Signs of the Gods?* Erich von Däniken travels far and wide around the globe to study the many strange phenomena that all point to one conclusion---that many thousands of years ago, Earth was visited by a race of superhuman powers and intelligence. The questions he addresses along the way include: Why are the religious sites in Greece all laid out in the same geometrical pattern---a pattern which is repeated throughout the world? Does the extraordinary longevity of the ancient Sumerian kings mean that the Land of the Two Rivers was ruled by a race of supermen? Could the first men have been produced by cloning? Do the great ruins of Zimbabwe point to an impossibly detailed knowledge of astronomy? Erich von Däniken's *Chariots of the Gods* provoked a worldwide storm of controversy. In *Signs of the Gods?* he produces powerful arguments to support his theory of astronaut gods, with evidence that is difficult to explain any other way. Hear what he has to say with an open mind---and you may find yourself agreeing with him.

Facing Goliath Curriculum (Teacher Edition)

In *Facing Your Giants*, Max Lucado uses the story of David to help you learn how to allow God to work with and for you, and to remind you of whom you are to and in Him. You are seen, loved, and cared for by the God who still does the impossible. You know your Goliath. You recognize his walk, the thunder of his voice. He taunts you with bills you can't pay, people you can't please, habits you can't break, failures you can't forget, and a future you can't face. But just like David, you can face your giant, even if you aren't the strongest, the smartest, the best equipped, of the holiest. Focus on giants--you stumble; focus on God--your giants tumble. If you're ready to face your giants, let his story inspire you. The same God who helped him will help you.

Facing the Giant

Our most important battles are not always with the 'giants out there'--those external challenges which we all face. The greatest battles are often within ourselves. Too often, we diminish our own potential in ministry, business, and in life. Shane Stanford and Brad Martin frame their powerful book on one of the most well-known and well-loved stories in history: David and Goliath. We all feel like the seemingly powerless, scrawny boy David sometimes. And we all must face "giants"—those challenges that threaten to overwhelm us in ministry, work-life, and in our personal lives. *Five Stones* is a series of clear and compelling lessons. Each lesson arms the reader with practical and powerful tools of self-discovery, so that the reader's own liabilities, opportunities, convictions, and capabilities are revealed. Like modern-day Davids, readers will leave this book empowered to conquer challenges, in ministry and in life, with clear-eyed confidence and well-grounded hope.
