Desiring God

From New York Times bestselling author Rachel Held Evans comes a book that is both a heartfelt ode to the past and hopeful gaze into the future of what it means to be a part of the Church. Centered around seven sacraments, Evans' quest takes readers through a liturgical year with sharply honest and even funny stories about Like millions of her millennial peers, Rachel Held Evans didn't want to go to church anymore. The hypocrisy, the politics, the gargantuan building budgets, the scandals--church culture seemed so far removed from Jesus. Yet, despite her cynicism and misgivings, something kept drawing her back to Church. And so she set out on a journey to understand Church and to find her place in it. Baptism

Vocation and even Death. Like millions of her millennial peers, Rachel Held Evans didn't want to go to church anymore. The hypocrisy, the politics, the gargantuan building budgets, the scandals--church culture seemed so far removed from Jesus. Yet, despite her cynicism and misgivings, something kept drawing her back to Church. And so she set out on a journey to understand Church and to find her place in it. A memoir about making do and taking risks, about the messiness of community and the power of grace, Searching for Sunday is about overcoming cynicism to find hope and, somewhere in between, Church.

Finding God in the Waves

"A timely treasure that promotes personal and planetary healing." --Christine Black Cummings, RScP
Fear to Faith points us from a focus of fear to strength of faith. It reminds us that we are spiritual beings in a human experience. It reveals that present in our humanity is the presence of Infinite Divinity. Olansky shares the key to our heart, soul, Spirit Self. As we live in open-hearted awareness, soul-centered compassion and a willingness to be vulnerable to the experiences of life, we move beyond the contentment of our comfort zone. In that "beyond," Olansky writes, "We come to a sovereignty of oneness

of soul." "This book is a spiritual treasure. As are we all." --Michael Curcuru, author of Heartlight: From Illusion to Illumination--Honoring Soul Whispers Within

Fear and Faith

The First One died to pique her interest The Second to touch her soul. The Third One died to steal her peace, The Fourth makes Fear, his goal. Violence leaves a stain on your soul, and the fear that accompanies that violence can never be removed. It can be hidden, shadowed, and put away, but throw in just the right set of circumstances and it will blossom once again. Leigh Ramirez has been through a lot in her short life: an abusive husband, raising two kids on her own, and two near death experiences on the job. All she wants now is to get back to a sense of normalcy, in her life and at work. She wants to move on from all that's happened to her. It was her decision to leave police work and put that life behind her, but when a young girl is found dead in a local park with something of Leigh's in her hand, Leigh is lured back into the world she left behind. Someone wants Leigh to experience the beauty of fear. They want her to live it, feel it, and breathe it. As young women continue to turn up dead, their resemblance to Leigh is lost on no one, least of all her. Each victim found takes a piece of her soul, steals more of her peace. It doesn't take long for Leigh to realize that this can have only one end. Even while her friends try to protect her, Leigh refuses to go into hiding and is ultimately forced to face her greatest fear, as it threatens both her children's lives and her own. Reviews: "This book grabs you from the start and never let's you go" K. Muter "If you're looking for a pretty good thriller/mystery I definitely recommend this one!!!" E.Mouw "From the first word to the last, I was hooked. I love crime T.V. and books, this is so well written, you can smell and feel her fear. I'm looking forward to Ms. Perez's next book!" L.Meade

Girl at the End of the World

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Searching for Sunday

I was raised in a homegrown, fundamentalist Christian group—which is just a shorthand way of saying I'm classically trained in apocalyptic stockpiling, street preaching, and the King James Version of the Bible. I know hundreds of obscure nineteenth-century hymns by heart and have such razor sharp "modesty vision" that I can spot a miniskirt a mile away. Verily, verily I say unto thee, none of these highly specialized skills ever got me a job, but at least I'm all set for the end of the world. Selah. A story of mind control, the Apocalypse, and modest attire. Elizabeth Esther grew up in love with Jesus but in fear of

daily spankings (to “break her will”). Trained in her family-run church to confess sins real and imagined, she knew her parents loved her and God probably hated her. Not until she was grown and married did she find the courage to attempt the unthinkable. To leave. In her memoir, readers will recognize questions every believer faces: When is spiritual zeal a gift, and when is it a trap? What happens when a pastor holds unchecked sway over his followers? And how can we leave behind the harm inflicted in the name of God without losing God in the process? By turns hilarious and heartbreaking, *Girl at the End of the World* is a story of the lingering effects of spiritual abuse and the growing hope that God can still be good when His people fail. Includes reading group discussion guide and interview with the author

Fierce Faith

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

Hope

There's a stereotype of a young, zealous Christian who feels called to the ministry as a pastor, goes to seminary, and then loses his faith as he studies the writings of all those intellectuals and theologians. The stereotype may not be accurate, but there are those who fit this description, not to mention many who leave home for college as passionate Christians and come home unbelievers. More importantly, that stereotype represents a fear—the fear that too much education or contact with those whose beliefs differ from those of a particular community will cause someone to lose their faith. But there's another group, much larger, but not heard nearly as frequently. This group consists of people who have gone from the position of fear that creates the stereotype to a position of faith, a faith that is no longer afraid of that outer darkness that looms outside the walls of their religious community. Indeed, they may not perceive any looming darkness at all. *From Fear to Faith*, edited by Travis Milam and Joel L. Watts, gives voice to that too often unheard group. It is a collection of essays from those who have lived in fear, have faced the looming dark, collided with their share of brick walls, but have come out with a new-found faith and undismayed trust. The journeys of faith presented in this book reveal a group deeply insightful and grounded minds, rich in thriving spirituality, joy, and hope. Where there was once trepidation in asking the tough questions of human existence, of the divine relationship with creation, there is now a certain hope found when these authors have

struggled to overcome canyons of fear, leaving behind a life of black and white certitude, to live in a beautiful world of gray. They have learned that having questions and even doubts does not reflect a lack of faith. Rather, hiding in fear from the serious questions indicates a lack of faith in the one who said, "Don't be afraid." Come join in this journey from fear to faith.

Freedom from Fear

God says, "Follow me." But we can think of a million excuses. We're not smart enough, big enough, trained enough, capable enough—the list goes on and on. But God sees us through the filter of grace and calls us "enough" in Christ. The God of the Bible—who empowered Abraham, Moses, Esther, and others—is still calling and equipping us today. Walk with Heather C. King as she relates humorous and practical stories from the lives of Bible heroes, as well as her own life, to see that following is about obedience, relationship, and just saying "Yes!" to God.

If God Is For Us

The Will to Move: From Fear to Faith to Purpose We all have a purpose and gifting that we can choose to operate within in life. Each day that we are here on earth is a day of purpose. Journey with the Author as she takes you through the steps that helped her overcome fear in order to learn and grow in what her true purpose is. Often times we let fear stop us from walking in to who we should truly become, but, if we build our faith we can overcome any obstacle that stands in our way. Faith is the substance of things hoped for but yet not seen. Do you have the faith to move in the different seasons in life, good or bad? Do you have the faith to walk with God even when you've stopped believing in his promises for your life? The Will to Move from fear to faith to purpose is a journey we must all walk in order to own the purpose that God has ordained for our life. Once you are called there is no turning back, so we must learn to walk with fear of the unknown and develop the faith that will carry us through each season. Your purpose is waiting for you on the other side of fear.

The Power of Choice

What would you do if fear no longer stood in your way? What would happen if you were no longer afraid to dive in, head first, and go after your dreams, instead of feeling like you were sitting on the sidelines of your own life? What then? We tell ourselves we are too busy to pursue our dreams. That there's no time, or that it's not practical. But what if the real reason we're putting off our goals is FEAR? The fear that we're not good enough, not smart or talented or capable enough. It's the fear that others might laugh at us, or that we'll get hurt or be rejected, or that pursuing our true potential will simply be too hard. And most of all, the fear that we'll fail. But courage doesn't mean we are never afraid. True courage means taking action, despite the fear. True courage means doing it scared. The question is - how? How do we face those fears and take

that first step in the right direction? How do we overcome those obstacles that stand in our way and sometimes feel insurmountable? In *Do It Scared*, popular blogger and podcast host Ruth Soukup will help you to: Identify your own unique Fear Archetype™ - the specific type of fear that keeps you stuck - and learn how to conquer it. Dare to start thinking bigger about your life and your goals. Learn how to seek out honest feedback to accomplish big things. Embrace the core beliefs you need to overcome different types of fears. Discover why our magical idea of 'balance' is totally overrated and let go of the guilt, once and for all. Equal parts inspiration and tough love, *Do It Scared* combines easy-to-implement tips with the motivation to start making real changes that lead to big results. Get ready to get off the sidelines and jump into your own life as you dare to *Do It Scared*.

Following Jesus in a Culture of Fear

In 1957, Melba Beals was one of the nine African American students chosen to integrate Central High School in Little Rock, Arkansas. But her story of overcoming didn't start--or end--there. While her white schoolmates were planning their senior prom, Melba was facing the business end of a double-barreled shotgun, being threatened with lynching by rope-carrying tormentors, and learning how to outrun white supremacists who were ready to kill her rather than sit beside her in a classroom. Only her faith in God sustained her during her darkest days and helped her become a civil rights warrior, an NBC television news reporter, a magazine writer, a professor, a wife, and a mother. In *I Will Not Fear*, Beals takes readers on an unforgettable journey through terror, oppression, and persecution, highlighting the kind of faith needed to survive in a world full of heartbreak and anger. She shows how the deep faith we develop during our most difficult moments is the kind of faith that can change our families, our communities, and even the world. Encouraging and inspiring, Beals's story offers readers hope that faith is the solution to the pervasive hopelessness of our current culture.

The Will to Move

Growing up, I believed that I had to overcome all of my fears before my faith could be strong. Can you live with both faith and fear? Everything changed with one midnight phone call. When my family was forced to face an incurable, unforeseeable illness, all of my plans were cancelled. Even though it was my senior year of college, all of my dreams got postponed. In an instant, I knew life would never be the same, but I didn't know just how much this wilderness experience would affect my faith. The time my family spent in the hospital that summer marked my life forever. I've learned that faith and fear were meant to coexist. Great heartache, pain and loss doesn't keep God from making miracles. In fact, it sets just the right atmosphere for Him to bring healing, hope and deliverance.

This book is truly from my heart to yours. It is for those of you who deeply desire to feel authentically expressed, authentically joyful, and authentically at peace. It is simply a companion for you as you decide to confront the fears,

shames, guilt, and indoctrination that has controlled your life and your decisions up until this point. I promise you, I do not have all of the answers. However - journeying into the unknown in order to follow the promptings of my heart was necessary. It is where I was being beckoned, and I listened. Are you being beckoned somewhere scary? Are you needing to confront something deep within yourself that you have been ignoring for quite a while? Please allow this book to accompany you along the process of healing why you have resistance to discovering your fullest self, and why you are scared of losing the love of others. And please, let me know how I can be of service to you.

From Fear to Faith

Just as sailboats are made for the wind, women are made for relationships-and with both it takes faith to overcome the fear to let go and trust God's direction. In this final book in the Faith, Hope and Love Trilogy, dramatist Nicole Johnson creates a visual reminder that God is in control. Instead of frantically paddling or "motoring" our way through the seas of our emotional connections with each other, she challenges us to freely let go and trust the "Windmaker," God Himself, to help us find our way. Nicole Johnson is no stranger to the anxiety, worry and fear that life often brings. But like a loving parent,

God does not leave His children to face the closet of our fears alone. He walks beside us as our strength and guide, uncovering our fears and laying them all to rest. Raising the Sail, a 2002 Women of Faith drama sketch, illustrates the power and promise of God and fully reveals that faith in God can bring us through the darkness into a new day. A powerful antidote in a world that depletes women of the God-given confidence and assuredness to release their fears, Raising the Sail offers the stirring reminder that all things work for the good of those that love the Lord.

Anywhere Faith

What happens when we can no longer pretend that the ground underfoot is bedrock and the sky above predictable? All Janine Urbaniak Reid ever wanted was for everyone she loved to be okay so she might relax and maybe be happy. Her life strategy was simple: do everything right. This included trying to be the perfect mother to her three kids so they would never experience the kind of pain she pretended not to feel growing up. What she didn't expect was the chaos of an out-of-control life that begins when her young son's hand begins to shake. The Opposite of Certainty is the story of Janine's reluctant journey beyond easy answers and platitudes. She searches for a source of strength bigger than her circumstances, only to have her circumstances become even thornier with her own crisis. Drawn deeply and against her will into herself, and into the eternal questions we all ask, she discovers hidden reserves of strength, humor, and a no-matter-what faith that looks nothing like she thought it would. Beautifully written and deeply hopeful, Janine shows us how can we come through impossible times, transformed and yet more ourselves than we'd ever allowed ourselves to be. (less)

From Fear to Faith

From fighting for his life to pursuing a career in the NFL, ACC Player of the Year and star Pittsburgh Steelers running back James Conner shares how his choice to not fear the unknown made all the difference in his extraordinary journey. During his first two years at the University of Pittsburgh, running back James Conner became one of the Panthers' biggest stars, breaking records and winning the adoration of fans. Then, in the first game of his junior year, disaster struck in the form of a torn MCL. During rehab, James's health continued to inexplicably deteriorate until a chest X-ray and biopsy confirmed the unthinkable: a diagnosis of Hodgkin's lymphoma. Suddenly, it wasn't just the dream of an NFL career that was in jeopardy; it was James's life. Yet when he shared the news of his diagnosis publicly, James rallied family, friends, and fans, with his message of hope and courage: "Fear is a choice. I choose not to fear cancer." In just ten words, James defined his own journey on his own terms and refused to back down from one of the most dreaded diseases known to man. Drawing strength from his faith in God and the support of his community and loved ones, James underwent treatment but continued to practice with his team despite the intense physical toll of chemotherapy. He was declared cancer-free within a year. Returning to the field in 2016, he finished his college career with a record-breaking 3,733 rushing yards and 56

touchdowns. Entering the NFL draft early, his success continued. Selected in the third round by the Pittsburgh Steelers, he quickly became one of the most beloved rookies in the league. In *Fear is a Choice*, James candidly shares his experiences during his battle with cancer and beyond, encouraging readers and illustrating the spiritual truths and personal principles that got him through his darkest days. Conner's warm, intimate, and inspiring story offers wisdom and advice for anyone who has faced adversity or the loss their dreams—and everyone who wants to learn how to tackle life's problems with dignity, faith, and determination.

Just Between You and Me

Faith is capable of completely overcoming fear, and the apostle Peter learned this simple truth while struggling through the darkness of overwhelming fear in the early days of Christianity. When he had grown in faith and had become the rock of the early church, Peter shared the lessons he had learned in scripture, just as Jesus had instructed him to do. In *Faith over Fear*, author Charity A. Lane shares her own spiritual journey from the darkest moments of her life, where she was able to learn the same simple truth when she turned to scripture in desperation and stumbled upon the faith-filled words of the apostle Peter in 1 Peter 5:8-10. These words inspired a battle against fear, which taught Charity the truth about the weakness of fear and the strength of faith. Let Peter's words and Charity's own journey become the inspired foundation of your renewed strength in the face of fear. *Faith over Fear* can offer you a simple, easy-to-follow path toward growing a strong faith that is completely capable of overcoming every fear in this life.

Our Choices Lead to Happiness or Sadness Due to the situations, many people find themselves in; they think that the power of choice has been taken from them. They feel helpless, out of control of their own life. There are two main choices in this world, you can choose to FEAR the future, which limits the options available to you, or you can choose to have FAITH which opens up unlimited options. Through the media. Be it television, newspaper or the Internet we can be bombarded with fear from a morning to night, so much so that we become accustomed to it and take it as the norm. If you are looking for examples of faith then you have to search for it, seek it out. Making the Right Choice In this book, I would like to restore some of that faith that may have been taken from you throughout the years. I will share stories of how both faith and fear are equally powerful and need to be treated as so. FEAR can bring sickness, depression, heartache. FAITH can bring healing, good fortune, mental clarity. When you take responsibility that the power of choice is within you and not in the circumstances that affect your life, then with that comes an within bliss. As you stand in faith, it allows Gods love to flow into your life, creating stronger family bonds, peace of mind, healing, often off incurable diseases. I welcome you today to make a choice of faith and learn to leave fear behind. Where you once seen a dead end, you will now see crossroads. I leave the choice to join me up to you. Have a great day.
