Known as the City of Parks, Louisville has long valued the natural landscape and the provisioning of outdoor recreation. In 1891 Frederick Law Olmsted, the father of American landscape architecture, was commissioned to develop an extensive park system for Louisville that eventually included 18 parks and 6 interconnecting parkways. Since that time, Louisville has continued to invest resources to build a first-class park system. Nestled within the Ohio Valley, and bordered by the knobs region to the south and the heavily forested areas of Indiana to the north, Louisville lies at the heart of an endless array of hiking opportunities. Five-Star Trails: Louisville showcases many of the hiking trails and walking paths within the city or within easy driving distance in central Kentucky and southern Indiana. Designed specifically for day trips, this book includes several of the area's most popular parks, as well as many of the lesser-known hiking trails in nature preserves, wildlife management areas, and national forests.

From Here, You Can't See Paris is a sweet, leisurely exploration of the life of Les Arques (population 159), a hilltop village in a remote corner of France untouched by the modern era. It is a story of a dying village's struggle to survive, of a dead artist whose legacy began its rebirth, and of chef Jacques Ratier and his wife, Noëlle, whose bustling restaurant -- the village's sole business -- has helped ensure Les Arques's future. Sanders set out to explore the inner workings of a French restaurant kitchen but ended up stumbling into a much richer world. Through the eyes of the Sanders family, one discovers the vibrant traditions of food, cooking, and rural living, and comes to know the village's history. Whether uncovering the darker secrets of making foie gras, hearing a chef confess his doubts about the Michelin star system, or absorbing the lore of the land around a farmhouse kitchen table after a boar hunt, life in Les Arques turns out to be anything but sleepy.

table cover. "And where did you want to go at this time of night?" "To Wright's, to see the end of the great game of billiards—Seller and Culverin, you know; I've two pounds on it." "I don't care if I go with you, just now. What's this?—When the devil did this come?" Cleve had picked up and at one pale glance read a little note that lay on the table; and then he repeated coolly enough— "I say, when did this come?" "Before one, sir, I think," said Shepperd. "Get me my coat," and Shepperd disappeared. "Pestered to death," he said, moodily. "See, you have got the things here, and cigars. I shan't be five minutes away. If I'm longer, don't wait for me; but finish this first."

When the author John Douglas Foster was wounded while serving in Vietnam during the 1968 Tet Offensive, he received more than a piece of metal in his body--haunting memories of comrades opened his soul in a quest to learn more about those who didnt return. Sketching a fascinating portrait of the lives of those who fought and died valiantly, Foster pens a riveting and gut-wrenching read in Heroes from the Wall. A clear-eyed tale of truly honorable individuals who were not just mere names, numbers and statistics, Heroes from the Wall ensures that these unsung heroes will never be forgotten by future generations who didnt know them on the battlefield. Foster seamlessly captures their quirks of personality, playful antics, heroic actions, compassion and care for others, their caring and sharing with their comrades, tender concern for their family, and affirmation of life while engulfed in places of death. Leaving readers with a newfound respect for the nameless heroes upon turning the pages, Foster writes with candor and resonating tone.

The Book of Steven

There is a traditional Jewish saying that humans were created because God loves stories. But what if the story you had to tell was that you committed suicide? How do you think that story would sound if you had to tell it to the giver of all gifts? Would it be understood in the context of today's earthly attitudes on the subject, and is the gift of life something that you can even throw away? The Book of Steven is a sometimes humorous, oftentimes crass attempt to take readers along a fictional journey to explore some of these ethereal notions. It is above all also a wild and unpredictable ride, and some people may not have the stomach or the desire to take Steven's journey—so be warned. However, for those who may be

struggling with greater or lesser questions in their lives, or even those who just want to explore an alternative perspective, this book may provide some enjoyable reading and intellectual stimulation. Steven's ultimate message is that there is no reason to be content living in a world of personal despair, especially when the possibilities presented by the universe of life are truly boundless, and was written to present readers with a unique perspective about the eternally precious value of this human existence. "Imagine a humorous novel about a suicide who enters heaven and finds it not cosseting but a purgatory where life's distractions (food, booze, sex, Internet) are removed and the hardest question looms: Why did he kill himself? Welcome to the journey of Steven, an unintentionally funny male whiner, panicker, quitter, porn addict, and general screwup, as he struggles with God, Jesus, and self to escape Heaven's Suicide Ward and yet not return to the hell of earth. Steven's frustrating cluelessness but direct dialog render the deep messages on karma, reincarnation, cosmic energy, and the meaning of life easy to absorb. Does Steven escape Heaven? It's worth reading this profound yet funny journey to self through the Suicide Wards of Heaven to find out." -US Review

Sorceress Bound

The Tenants of Malory Volume 3 of 3

From the author of the New York Times bestsellers *Holding Up the Universe* and *All the Bright Places* (soon to be a major motion picture starring Elle Fanning), a spellbinding coming-of-age debut about ill-fated love during the Great Depression—and what it means to be a woman with ambition. Velva Jean's mother urged her to "live out there in the great wide world," and growing up in Appalachia in the years before World War II, Velva Jean dreams of becoming a big-time singer in Nashville. Then she falls in love with Harley Bright, a handsome juvenile delinquent turned revival preacher. As their tumultuous love story unfolds, Velva Jean must choose between keeping her hard-won home and pursuing her dream of singing in the Grand Ole Opry. Like *All the Bright Places*, hailed as a "charming love story about [an] unlikely and endearing pair" (New York Times Book Review), Jennifer Niven's debut novel is a big-hearted story about the struggle to find happiness. "A touching read, funny and wise, like a crazy blend of Loretta Lynn, Dolly Parton, a less morose Flannery O'Connor, and maybe a shot of Hank Williams Niven makes some memorable moon-spun magic in her rich fiction debut."—Publishers Weekly (starred review)

Back in the days of Ronald Reagan's America, those far-from-innocent days of nostalgic rot and willful illusion, small-town life was thought to be simple, pure, the source of all decent values, and the home of true hearts and ever helpful neighbors who bear each other's burdens. James McGrath, a church musician who has just destroyed his personal life and his career through an act of catastrophic stupidity, believes this nonsense just long enough to flee a city he loves. Hoping to heal, he goes to live with his father in a tiny town on the Canadian border. He finds what fools have always found: truths more ordinary and more bitter than he wants to accept and a life more impoverished and antagonistic than he imagined. Descending into this bleak reality, like Jesus in the wilderness, James must face and answer the question: what do we live by? He makes some friends, falls in and out of love, rediscovers his art, and eventually finds a way back into his life. But it's not a smooth journey, and it comes with a price.

Paper Towns

“The novel that foreshadowed Donald Trump’s authoritarian appeal.”—Salon It Can’t Happen Here is the only one of Sinclair Lewis’s later novels to match the power of Main Street, Babbitt, and Arrowsmith. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler’s aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called “a message to thinking Americans” by the Springfield Republican when it was published in 1935, It Can’t Happen Here is a shockingly prescient novel that remains as fresh and contemporary as today’s news. Volume II of PEE WEE, Serial Killer or Homicidal Maniac, focuses on the courtroom drama of his several trials and appeals. Readers that enjoy trial strategy, courtroom personalities and the cloakroom maneuvering of the criminal courts will find a plethora of intriguing twists and turns. Seemingly foregone outcomes are reversed by national events or by the local politics of the farmlands of South Carolina that stubbornly resist change. It is replete with excerpts from actual trial transcriptions and transcripts of out of court statements given under oath. Despite his numerous murder convictions Gaskins manages time and again to avoid the death penalty in real life by virtue of unexpected events that could seemingly occur only in fiction. Told by an attorney intimately involved in the cases, there are pithy descriptions of battles fought in and out of the courtroom on the one hand and on the other of the camaraderie between adversaries. Both often lead to unpredictable outcomes. Pee Wee Gaskins describes the murders to which he will plead guilty in his own words. At the same time by either omission or outright lies, he avoids the inclusion of those murders for which he does not want to admit responsibility. Finally, in one of the most incredible crimes imaginable, the tiny killer foils the safeguard systems of a maximum security penitentiary to murder a fellow death row inmate with plastic explosives.

HELLO. Welcome to my cottage. And yes, do please come in and make yourself comfortable. So begins this collection of intimate essays by a man, who says hes in his 90s and wanting to leave a loving farewell to humankind. Hes not quite one of us, he claims, and wants to offer us a special parting gift. His gift will be accepted by some, rejected by others, come as a source of comfort or, quite possibly, outrage. Determined to keep his last days for himself, he insists on remaining anonymous. Says the writers godson and editor, Barry Head: Like many of you who will read Swansong, Im not sure what to make of it. I found it challenging and provocative, but while disagreeing with my godfather about many things, I found what he says always beguiling in its friendly, playful, non-judgmental tone. Very quirky. So quirky, in fact, that I felt it deserved publication particularly as it was written as a legacy for all of us. BARRY HEAD is a painter and writer, spending most of the year in Oaxaca, Mexico. In this sequel to the novel, *Southern Gospel*, the residents of Truman County are forced to deal with the fallout from a sensational murder. The fact that the victim is one of the most prominent citizens of the county is shocking enough but when an arrest is made for the crime, its an even bigger surprise. As is to be expected, speculation abounds concerning motive and method. A wide variety of the county population, ranging from teenagers to senior citizens, becomes involved in the investigation and subsequent trial which is not a typical one even by Truman County standards. Against this background, Old Man Teke Thomas and Vern L. Upshaw two well-known Truman County men - are forced to deal with problems of their own, problems that in their own way will have great effects on the general welfare of Truman County. And, as was shown in *Southern Gospel*, Old Man Teke and Vern L. have their own unique approaches to the solutions of those problems.

"You can't see me, but I'm here," This non-fiction account, is a fascinating look into the world of the paranormal as seen through the eyes of the author. Having investigated and experienced the wrath of the spirit who calls himself "Michael," I was able to understand, with an open mind, what the world of spirits, is truly about. Being on the front lines with an unseen force that has the ability to hurl objects through the air at people, with the accuracy of today's most precisely guided missiles, would fascinate even the most hardened skeptics and paranormal investigators. The experiences that I had at the Mcwethy home, can only be described as "INCREDIBLE." This once skeptic turned believer still cannot fathom the powers of the spirit world, but certainly do believe in them. The book takes you on a play by play account of the paranormal activity as it unfolds, gives the reactions of those who were present, and finally, culminates into a theory of what I, the author believes is the reason why the unseen entity has chosen to haunt the Mcwethy family. This experience has been the catalyst to a life forever changed.

Using data drawn from interviews with nursing home residents, Gubrium explores the quality of long-term care they receive and the resulting quality of their lives. In their own voices, these “long-stayers” reveal themselves to be biographically active and widely diverse in their concern and involvement with home, family, life history, dependence, isolation and self-worth. The resulting text provides conceptual, methodological and personal lessons as offered by storytellers whose special circumstances continue to have meaning even at the very end of life.
