Just Mercy

By turns heartbreaking, hilarious, and utterly human, *The House of God* is a mesmerizing and provocative novel about Roy Basch and five of his fellow interns at the most renowned teaching hospital in the country. “The raunchy, troubling, and hilarious novel that turned into a cult phenomenon. Singularly compelling...brutally honest.”—*The New York Times*

Struggling with grueling hours and sudden life-and-death responsibilities, Basch and his colleagues, under the leadership of their rule-breaking senior resident known only as the Fat Man, must learn not only how to be fine doctors but, eventually, good human beings. A phenomenon ever since it was published, *The House of God* was the first unvarnished, unglorified, and uncensored portrait of what training to become a doctor is truly like, in all its terror, exhaustion and black comedy. With more than two million copies sold worldwide, it has been hailed as one of the most important medical novels ever written. With an introduction by John Updike

A Planet of Viruses

In this funny, outrageous and empowering book, Dr. Lissa Rankin answers all the secret gynecological questions that most women wonder about, but have always been afraid to ask. Suppose you had a wise, warm, funny best friend—who just happened to be a gynecologist. You're out with the girls for cocktails and the conversation turns to sex, and then to girly parts. One by one, you start asking her all the questions you've secretly wondered about—and discover that you have a lot in common. If you were to write those questions down, then you'd have *What's Up Down There?*, a life-changing little book that answers: - Do old ladies have saggy vaginas? - How do male gynecologists have a sex life without feeling like they're stuck at the office? - Is it normal for your inner labia to hang out of your outer labia? - Can the baby feel its mom having sex

during pregnancy? - How common is it for one's boobs to be two totally different sizes? And so much more! As outrageously funny as it is empowering, this book reveals how to love yourself and your body-and will have you recommending it to every woman you know. From off-the wall sex questions to serious topics of women's sexual health, *What's Up Down There?* provides answers to women of all ages and stages.

The Big Book of Personality Tests for Women

In the bestselling tradition of *The Big Book of IQ Tests* and *The Big Book of Personality Tests*, this entertaining and enlightening collection of "write-in" quizzes is designed to help women of every age and interest assess their hidden potential in all areas of their busy lives. We all yearn for happiness and success, but how do we figure out exactly what we want and how to attain it? The 100 quizzes collected here, designed to help women explore their most basic attributes and desires, are divided into three categories: Inner Life, Relationships, and Career; and they are geared toward issues women really care about, such as *Are You in the Right Job?* and *Could You Marry for Money?* and *Can You Keep a Secret?* Each quiz takes only a few minutes to complete and can be scored easily. The author, an award-winning journalist, provides expert analyses of all possible outcomes, along with tips for making positive, long-lasting life changes. Included in the author's commentary are quotes from leading experts: psychologists, sociologists, MDs, authors, and even celebrities.

Vermont Silly Trivia!

Good Job, Brain!

INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." - Bill Gates "Hans Rosling tells the story of 'the secret silent miracle of human progress' as only he can. But *Factfulness* does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "*Factfulness* by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama *Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts.* When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In *Factfulness*, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this

happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, *Factfulness* is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. ---
“This book is my last battle in my life-long mission to fight devastating ignorance. Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be.” Hans Rosling, February 2017.

Why Do Men Have Nipples?

Integrating key concepts and ideas about public speaking into a clear, step-by-step, transformational method, *Power Speaking* teaches emerging speakers how to grow the necessary skills and unleash their inner power. Divided into proficiency levels—mastering the basics, making the connection, and polishing the core—this guide allows speakers to conquer public speaking systematically. Readers start with the use of voice and body movements, then move on to learn the use of personal stories, intent listening, and positioning or reframing a topic. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Furiously Happy

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives. Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like

to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Operation Ouch!: The HuManual

Explores the hidden world of viruses, explaining how they profoundly affect human lives and updating the reader in current virus-related issues, such as the frenetic evolution of the HIV virus, which could pose greater dangers in the future. By the author of Parasite Rex.

523 Hard To Believe Facts

NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Variety • Chicago Tribune • Glamour • New York In her hit Netflix comedy special Baby Cobra, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for Dear Girls "Fierce, feminist, and packed with funny anecdotes."—Entertainment Weekly "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . Dear Girls is not so much a real-talk handbook as it is a myth-puncturing manifesto."—Vogue "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—Bustle

Grey's Anatomy Trivia Quiz Book

The Gray's Anatomy Puzzle Book takes the medical reference classic as its starting point for puzzles, riddles and questions to challenge and test your wits.

Wisconsin Silly Trivia!

An informative look at the workings of the human body answers questions about dozens of health concerns, including goosebumps, tears, hiccups, heartburn, hunger pains, and other medical mysteries. Reprint.

What's Up Down There?

Oregon Silly Trivia!

Now a musical! Matilda is a sweet, exceptional young girl, but her parents think she's just a nuisance. She expects school to be different but there she has to face Miss Trunchbull, a menacing, kid-hating headmistress. When Matilda is attacked by the Trunchbull she suddenly discovers she has a remarkable power with which to fight back. It'll take a superhuman genius to give Miss Trunchbull what she deserves and Matilda may be just the one to do it! Here is Roald Dahl's original novel of a little girl with extraordinary powers. This much-loved story has recently been made into a wonderful new musical, adapted by Dennis Kelly with music and lyrics by Tim Minchin.

You Gotta Be Kidding!

Gross, embarrassing, and just plain silly questions about boogers, bugs, smelly socks, itchy scabs, and more! Adapted from the hugely popular board game, this interactive and completely engaging book serves up hundreds of bizarre, embarrassing, sometimes ethical and sometimes stomach-churning dilemmas that kids will love to pose to their friends and siblings, whether in the backseat, on a sleepover, at a party, on a rainy day, or during a lull in the lunchroom (if you dare). Ponder the icky: Would you rather eat 10 pounds of cheese -OR- a bucket of peanut butter—with nothing to drink? The exponentially icky: Would you rather drink liquid found leaking from a garbage can -OR- chew on a hairy clump found between the cushions of an old couch? The fantastic: Would you rather be able to talk with all animals -OR- be able to understand all languages? The priority-testing: As a soccer player, would you rather mess up and score a goal for the other team but still have your team win -OR- play your best game ever even though your team loses? And the hair-raising: Would you rather swim across a river that is filled with crocodiles -OR- spend the night on an island where man-eating tigers live? Fascinating sidebars throughout are filled with interesting ancillary information—the nature of drool, left-handedness vs.

right-handedness, what's dangerously filthy and what's just gross, why we blush when we're embarrassed—so kids can learn something as they laugh!

Creative Forecasting

The first medical specialty selection guide written by residents for students! Provides an inside look at the issues surrounding medical specialty selection, blending first-hand knowledge with useful facts and statistics, such as salary information, employment data, and match statistics. Focuses on all the major specialties and features firsthand portrayals of each by current residents. Also includes a guide to personality characteristics that are predominate with practitioners of each specialty. "A terrific mixture of objective information as well as factual data make this book an easy, informative, and interesting read." --Review from a 4th year Medical Student

Gray's Anatomy Puzzle Book

Brainiac's Medical Quiz

Matilda

"First published in the United States of America by Viking Penguin Inc. 1953"--title page verso.

This Book Is a Song

A compelling, often hilarious and occasionally horrifying exploration of how modern medicine came to be! Wondering whether eating powdered mummies might be just the thing to cure your ills? Tempted by those vintage ads suggesting you wear radioactive underpants for virility? Ever considered drilling a hole in your head to deal with those pesky headaches? Probably not. But for thousands of years, people have done things like this—and things that make radioactive underpants seem downright sensible! In their hit podcast, Sawbones, Sydnee and Justin McElroy breakdown the weird and wonderful way we got to modern healthcare. And some of the terrifying detours along the way. Every week, Dr. Sydnee McElroy and her husband Justin amaze, amuse, and gross out (depending on the week) hundreds of thousands of avid listeners to their podcast, Sawbones. Consistently rated a top podcast on iTunes, with over 15 million total downloads, this rollicking journey through thousands of years of medical mishaps and miracles is not only hilarious but downright educational. While you may never even consider applying boiled weasel to your forehead (once the height of sophistication when it came to headache cures), you will almost certainly face some questionable medical advice in your everyday life (we're looking at you, raw water!) and be better able to figure out if this is a miracle cure (it's not) or a scam. That Was Then, This Is Now

Like many ambitious New York City teenagers, Craig Gilner sees entry into Manhattan's Executive Pre-Professional High School as the ticket to his future. Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam, and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not even that. He soon sees his once-perfect future crumbling away.

Meyer Brothers Druggist

The Queen V

"Jenny made me laugh so hard I feared for my safety! I think that's how she was able to get past my defenses and make me feel more okay about myself." -Allie Brosh, author of *Hyperbole and a Half* For fans of David Sedaris, Tina Fey, and Mindy Kaling—the new book from Jenny Lawson, author of the #1 New York Times bestseller *LET'S PRETEND THIS NEVER HAPPENED* In *LET'S PRETEND THIS NEVER HAPPENED*, Jenny Lawson baffled readers with stories about growing up the daughter of a taxidermist. In her new book, *FURIOUSLY HAPPY*, Jenny explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. And terrible ideas are what Jenny does best. According to Jenny: "Some people might think that being 'furiously happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invite a herd of kangaroos into their house. Two is the limit. I speak from personal experience. My husband says that none is the new limit. I say he should have been clearer about that before I rented all those kangaroos." "Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal.

Like John Hughes wrote in *The Breakfast Club*, 'We're all pretty bizarre. Some of us are just better at hiding it.' Except go back and cross out the word 'hiding.'" Jenny's first book, *LET'S PRETEND THIS NEVER HAPPENED*, was ostensibly about family, but deep down it was about celebrating your own weirdness. *FURIOUSLY HAPPY* is a book about mental illness, but under the surface it's about embracing joy in fantastic and outrageous ways—and who doesn't need a bit more of that?

Virginia Silly Trivia

Pennsylvania Silly Trivia!

It's Kind of a Funny Story

The Great Book of Pub Trivia

In *The Queen V*, the beloved OB-GYN, celebrity doctor, and star of Bravo's *Married to Medicine* reveals the twelve principles behind a happy and healthy vagina and other lady parts. After twenty years of private obstetrics and gynecological practice, there's nothing Dr. Jackie Walters hasn't seen. And now, in her new book, the widely-adored OB-GYN invites you to put your feet in the stirrups and investigate. Whether she's covering libido, contraceptives, labiaplasty, or fertility, Dr. Jackie educates readers with her characteristic grace and pragmatism. Both funny and informative, she brings you on a quest through the female reproductive system—answering all the burning (and itching, and smelling) questions you've always been afraid to ask. Dr. Jackie knows that every woman is different, and she's designed a reading experience that's tailor-made for each individual. After taking a fun quiz to uncover your own vaginal personality (V.P.), you'll embark upon an eye-opening journey of self-discovery. Are you a Mary Jane, a Sanctified Snatch, or a Notorious V.A.G.? What's the shape of your vaginal flower—rosebud, tulip, or carnation? Dr. Jackie reveals the answer and doles out advice so personal you'll feel like you're in the office talking to her. For every time you've been draped in a paper gown and too embarrassed to ask that question, Dr. Jackie has you covered. Her book is a woman's guide to self-awareness that will educate, entertain, and empower others to achieve vaginal liberation. It's a must-read for anyone who owns (or loves) a vagina.

Why Doesn't My Funny Bone Make Me Laugh?

Another classic from the author of the internationally bestselling *The Outsiders* Continue celebrating 50 years of The

Outsiders by reading this companion novel. That Was Then, This is Now is S. E. Hinton's moving portrait of the bond between best friends Bryon and Mark and the tensions that develop between them as they begin to grow up and grow apart. "A mature, disciplined novel which excites a response in the reader . . . Hard to forget."—The New York Times

Factfulness

Which was the first country to give the citizenship to a robot? Is the dark side of the Moon always dark? What is the Sismo Detector? Discover the answers to these seemingly random facts and more! The interesting trivia in this page turning fact book were collected by Nayden Kostov, founder of the RaiseYourBrain website and author of popular fact books such as: "1123 Hard to Believe Facts" and "853 Hard to Believe Facts." As the third installment of this series, 523 Hard to Believe Facts has more detail for each fact, as requested by previous readers! These facts are a result of years of sifting through history and reference books, as well as searching the Internet and researching the news. Each fact is suitable for nearly any age - the "spiciest" entries are separated by their own chapter but still use clean language! Become a trivia whiz with even more facts in the Hard to Believe Facts series!

Trivia for Seniors

Have no fear! The Great Book of Pub Trivia Vol.2 is finally here and it's the perfect companion for game nights, fun family times, fun evenings with friends, or just reading to brush up on your pub trivia knowledge. These trivia questions will get your brain working, that's for sure. You'll get instant access to fun quizzes covering different topics such as film, politics, science, history, fashion and many more. You'll get a taste of quizzes like: This is a character in Star Wars and one of the villains in the franchise. He was Darth Sidious's first apprentice and a Sith Lord. He has quite a shocking appearance, with black and red skin, yellow eyes and horns. He survived death in the Phantom Menace, killed Obi-Wan Kenobi's love interest, and formed a group of crime lords called the Shadow Collective. What was this character's name? Almost half of the world's population speak one of only ten languages as their mother tongue. Mandarin is the most spoken language with 1.2 billion speakers, Spanish is the second most spoken language, then followed by English. What is the fourth most spoken language on the planet? It is the official language of the government of India, and it is also a recognized language in Mauritius, Trinidad and Tobago, Guyana, and Suriname. Name this language. He is one of the most iconic villains in film and television who we first met in the 1952 novel Psycho, by Robert Bloch. The character is psychotic and has Dissociative Identity Disorder. He also suffers from visual and auditory hallucinations. His delusions made him think he was his mother, and that she was controlling him to kill people. The character was inspired by notorious serial killer Ed Gein. What is this character's name?

This Is Going to Hurt

The Medical Age

Take a tour of one of the most complex, diverse and downright unusual places on the entire planet - the human body! Find out all about what makes YOU tick, from the wonders of the human brain to the tingling in your ticklish toes. From crazy bodily functions to bizarre real-life medical cases, this is the ultimate guide to getting to know yourself, inside and out! Operation Ouch! is a BAFTA-winning CBBC series, from the makers of Embarrassing Bodies and 10 Years Younger. It's presented by real-life doctors (and twin brothers) Chris and Xand van Tulleken.

Dear Girls

In the US edition of this international bestseller, Adam Kay channels Henry Marsh and David Sedaris to tell us the "darkly funny" (The New Yorker) -- and sometimes horrifying -- truth about life and work in a hospital. Welcome to 97-hour weeks. Welcome to life and death decisions. Welcome to a constant tsunami of bodily fluids. Welcome to earning less than the hospital parking meter. Wave goodbye to your friends and relationships. Welcome to the life of a first-year doctor. Scribbled in secret after endless days, sleepless nights and missed weekends, comedian and former medical resident Adam Kay's This Is Going to Hurt provides a no-holds-barred account of his time on the front lines of medicine. Hilarious, horrifying and heartbreaking by turns, this is everything you wanted to know -- and more than a few things you didn't -- about life on and off the hospital ward. And yes, it may leave a scar.

The Sawbones Book

Setting the record straight on folk remedies, traditional cures, and medical myths, an entertaining but informative medical

reference furnishes informative answers to such questions as Do microwaves cause cancer?, Is sperm nutritious?, Is it bad to crack your knuckles?, and more. Original. 35,000 first printing.

The Ultimate Guide To Choosing a Medical Specialty

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn’t commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer’s coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book “Every bit as moving as To Kill a Mockingbird, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields.”—David Cole, The New York Review of Books “Searing, moving . . . Bryan Stevenson may, indeed, be America’s Mandela.”—Nicholas Kristof, The New York Times “You don’t have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful.”—Ted Conover, The New York Times Book Review “Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he’s also a gifted writer and storyteller.”—The Washington Post “As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty.”—The Financial Times “Brilliant.”—The Philadelphia Inquirer
