German

First published in 1941, a classic portrait of a Soviet revolutionary who is imprisoned and tortured under Stalin's rule finds him agonizingly reflecting on his ironic career under the totalitarian movement.

German For Dummies Audio Set

Are you a beginner to Spanish who wants to learn the language in a fast and simple way? Have you tried learning Spanish through classical grammar lessons or a Spanish app teaching you stuff you will never use in real life?

Complete German

Darkness at Noon

Hailed for its coiled eroticism and the moral claims it makes upon the reader, this mesmerizing novel is a story of love and secrets, horror and compassion, unfolding against the haunted landscape of postwar Germany. When he falls ill on his way home from school, fifteen-year-old Michael Berg is rescued by Hanna, a woman twice his age. In time she becomes his lover—then she inexplicably disappears. When Michael next sees her, he is a young law student, and she is on trial for a hideous crime. As he watches her refuse to defend her innocence, Michael gradually realizes that Hanna may be guarding a secret she considers more shameful than murder.

Language Hacking Spanish

Learn German fast and on-the-go with this 15-minute language ebook that comes with a free downloadable audio app for Apple and Android phones, enabling learners to hear words and phrases spoken by native German speakers. 12 themed chapters are broken down into 15-minute daily lessons, spanning a range of practical themes. Topics covered include introductions; eating and drinking; making arrangements; travel; getting about; accommodation; shopping; work and study; health; at home; services; and leisure and socializing. Each lesson combines German vocabulary and grammar essentials with full-color photographs for a user-friendly, accessible language guide. Real-life examples cover every holiday and business situation, along with cultural and conversational tips. Features such as a 2,000-word dictionary and a menu guide with more than 300 food terms make learning fun and easy. You can even use the extended cover to hide the answers and test yourself as you learn. DK's 15 Minute German has the structure of a distance learning course, perfect for all language learning travelers. Practice 15 minutes a day, 5 days a week for 12 weeks, and you'll be speaking German in no time at all.

Gravity's Rainbow

The Hugo series of popular self-study language courses prepares the visitor for vacation or business travel in France, Germany, Italy, Spain, and Spanish-speaking Central and South America. The books guide the language student through essential grammar, pronunciation, model sentences and word lists to build up vocabulary, conversation exercises to

practice speaking skills, and a small bilingual dictionary. Native speakers of each language demonstrate proper use of the language, including the words and exercises from the books as well as specially adapted vocal drills for oral work, making pronunciation easy with Hugo's unique "imitated pronunciation" system.

Higher Education in the German Democratic Republic

Learn French In 21 DAYS! At the start of this book you will find tips on how to learn French quickly. You will also get to understand the French culture, and differences between English and French. Furthermore, you can get started with the French alphabet and practice your pronunciation. In the next part of the book, you will be able to memorize the numbers in French and learn how to say the date and time. You will also learn and memorize the most common French words and phrases. The next several chapters go even deeper into the French language, namely gender and articles, nouns and pronouns, adjectives and adverbs, and how to form demonstratives, possessives, interrogatives, and negations. Finally, you will immerse yourself in the prepositions, verbs, tenses, and imperatives of the French language. You will also encounter common travel and business phrases that you can use in everyday life. The book Learn French In 21 DAYS! is concise and incredibly useful for those who want to learn French quickly and efficiently. You can study each chapter together with an efficient learner's dictionary and just about any other online French language learning application. German With Ease

- More than 500 appearances on national bestseller lists
- #1 Wall Street Journal, New York Times, and USA Today
- Won 12 book awards
- Translated into 35 languages
- Voted Top 100 Business Book of All Time on Goodreads

People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their

employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

German in Three Months

Italian

“A truly epic and stirring tale of war, love, and the sea . . . An original and surprising look at World War II from the other side.”—Nelson DeMille When World War II begins, Max Brekendorf, a proud young German naval officer, fights for his country with honor and courage. With the unstoppable German war machine overrunning Europe, Max looks ahead to a bright future with his fiancée, Mareth. But as the war progresses, their future together becomes less and less certain. German victories begin to fade. In the North Atlantic, Max must face the increasing strength of the Allies on ever more harrowing missions. Berlin itself is savaged by bombing, making life for Mareth increasingly dangerous and desperate. And as the Third Reich steadily crumbles, Nazi loyalists begin to infiltrate Max’s crew and turn their terror on Germany’s own armed forces. Recognizing what his nation has become, Max is forced to make a choice between his own sense of morality, and his duty to the Reich. With its stirring, rarely seen glimpse of the German home front during WWII, vivid characters, and evocation of the drama and terror of war at sea, *An Honorable German* is a suspense-filled story of adventure, of love and loss, and of honor and redemption. “A fast paced, old fashioned naval yarn that crackles with authenticity, *An Honorable German* will leave the taste of salt on your tongue as you breathlessly turn the pages. A first-class tale that aficionados of the Second World War will find especially satisfying. I enjoyed it immensely!”—Christopher Reich, *New York Times* bestselling author “Outstanding maritime action sequences.”—*Publishers Weekly*

The Awful German Language

Winner of the 1974 National Book Award “A screaming comes across the sky. . .” A few months after the Germans’ secret V-2 rocket bombs begin falling on London, British Intelligence discovers that a map of the city pinpointing the sexual conquests of one Lieutenant Tyrone Slothrop, U.S. Army, corresponds identically to a map showing the V-2 impact sites. The implications of this discovery will launch Slothrop on an amazing journey across war-torn Europe, fleeing an international cabal of military-industrial superpowers, in search of the mysterious Rocket 00000, through a wildly comic extravaganza that has been hailed in The New Republic as “the most profound and accomplished American novel since the end of World War II.”

The ONE Thing

Learn Spanish

It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not

after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

German for Reading Knowledge

This unsettling and illuminating history reveals how Germany's fractured republic gave way to the Third Reich, from the formation of the Nazi party to the rise of Hitler. Amid the ravages of economic depression, Germans in the early 1930s were pulled to political extremes both left and right. Then, in the spring of 1933, Germany turned itself inside out, from a deeply divided republic into a one-party dictatorship. In *Hitler's First Hundred Days*, award-winning historian Peter Fritzsche offers a probing account of the pivotal moments when the majority of Germans seemed, all at once, to join the Nazis to construct the Third Reich. Fritzsche examines the events of the period -- the elections and mass arrests, the bonfires and gunfire, the patriotic rallies and anti-Jewish boycotts -- to understand both the terrifying power the National Socialists exerted over ordinary Germans and the powerful appeal of the new era they promised. *Hitler's First Hundred Days* is the chilling story of the beginning of the end, when one hundred days inaugurated a new thousand-year Reich.

German in three months

Presents a practical but unusual guide to mastering food and cooking featuring recipes and cooking tricks from world-renowned chefs.

Hammer's German Grammar and Usage

The system of higher education of the German Democratic Republic is described. Information on the different kinds of colleges--universities, university colleges, and engineering and technical colleges--is provided, including admission procedures, course objectives, course content and structure, further education, paths leading to the award of higher academic degrees, types of academic degrees awarded, training of foreign students, research at higher education institutions, the role of the library in the tertiary education system, senior academic staff, junior members of academic staffs at universities and university colleges, and college lecturers. Additional topics include: the integrated system of state administration, the administration of universities and university colleges, the administration of engineering and technical colleges, and international cooperation by universities, university colleges, and technical colleges. Appendices include diagrams of: the Integrated Socialist Education System, the routes to technical education, and the administrative structure at a university. How to be German in 50 easy steps

Breakfast lavishly, pre-book all your holidays years in advance, dress sensibly and obey the red man! «How to be German» presents all the little absurdities that make living in Germany such a pleasure. It's required reading for all Ausländer and for Germans who sometimes have the feeling they don't understand their own country. We learn why the Germans speak so freely about sex, why they are so obsessed with «Spiegel Online» and why they all dream of being naked in a lake of Apfelsaftschorle. At the end, the only thing left to say to Adam Fletcher's love letter to Germany is «Alles klar!» This e-book is also available in German: «Wie man Deutscher wird in 50 einfachen Schritten. Eine Anleitung von Apfelsaftschorle bis Tschüss». The printed edition has been published as a bilingual turn-around book.

15-Minute German

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

Hitler's First Hundred Days

Easy German

This book is based on an expert group meeting entitled 'Male Roles and Masculinities in the Perspective of a Culture of Peace', which was organised by UNESCO in Oslo, Norway in 1997, the first international discussion of the connections between men and masculinity and peace and war. The group consisted of researchers, activists, policy makers and administrators and the aim of the meeting was to formulate practical suggestions for change. Chapters in the book consist of both regional case studies and social science research on the connections of traditional masculinity and patriarchy to violence and peace building. The Culture of Peace initiatives in this book show how violence is ineffective, and the book contests the views in the socialisation of boy-children that aggressiveness, violence and force are an acceptable means of expression.
