People We Know

Sociology

The nature of God unfolds throughout the pages of *God Is, He Just Is*, using descriptions and definitions that make Him uniquely God. As you read, various attributes of God come alive that illustrate distinct, encouraging qualities of God such as Love, Joy, Peace and as a source of Hope. You will see God as Eternal, a Friend, a Pivotal Value, as our Redeemer, and as our vital resource of strength. He is the ultimate source and resource. Through these encouraging promises of God, you will gain a deeper understanding of God. With this deeper understanding, a closer relationship with the Lord Jesus Christ will develop and you will discover that the love God has for you is immeasurable. God is a Listener who hears you; even when no one else will listen, God will, because He wants to hear from you. God loves you, He cares about you. When you think no one else cares, God cares! He cares about what you're going through. He will never leave you or forsake you. As you unfold the pages of *God Is, He Just Is*, you will begin to realize the life-changing value of having a deeper relationship with the Lord. He will calm the storms raging in your life and command, "peace be still." As you open up the pages, you will recognize and appreciate the benefits of trusting in the Lord. As you draw closer, this book will inspire you to trust, appreciate and praise God at all times. The rewards are endless.
