HBR Guide to Managing Strategic Initiatives

Make your career what you want it to be. Women regularly face unfair challenges in the workplace--from being passed over for promotion to being ignored in conversation. Unconscious bias and negative assumptions are working against them. As a woman, how can you break through these barriers and get what you want from your career? The HBR Guide for Women at Work will help you identify and overcome the factors that are holding you back. It provides practical tips and advice so you can face gender stereotypes head-on, make yourself visible when opportunities arise, and demonstrate your leadership skills. You'll learn to: Speak up in meetings in a way that ensures your ideas will be heard Wield influence by building the right relationships Advocate for yourself--and for what you want Align yourself with mentors and sponsors to support your growth Show passion without being perceived as "too emotional" Create your unique vision as a leader

HBR Guide to Getting the Right Work Done

Stop running on empty. Every day you juggle the many components that fill your life. Between work and family commitments, volunteer work, hobbies, and managing your physical and mental health, it's easy to feel overwhelmed and that you're letting someone down or neglecting some aspect of your life. But you can find ways to honor all of your commitments without collapsing. The HBR Guide to

Work-Life Balance will help you: Evaluate and adjust your priorities Manage expectations Set and spend your time budget Make plans--and backup plans Understand how to make trade-offs Prioritize self-care Discover what works for you

HBR Guide to Building Your Business Case

You think you have a winning strategy. But do you? Executives are bombarded with bestselling ideas and best practices for achieving competitive advantage, but many of these ideas and practices contradict each other. Should you aim to be big or fast? Should you create a blue ocean, be adaptive, play to win—or forget about a sustainable competitive advantage altogether? In a business environment that is changing faster and becoming more uncertain and complex almost by the day, it's never been more important—or more difficult—to choose the right approach to strategy. In this book, The Boston Consulting Group's Martin Reeves, Knut Haanæs, and Janmejaya Sinha offer a proven method to determine the strategy approach that is best for your company. They start by helping you assess your business environment—how unpredictable it is, how much power you have to change it, and how harsh it is—a critical component of getting strategy right. They show how existing strategy approaches sort into five categories—Be Big, Be Fast, Be First, Be the Orchestrator, or simply Be Viable—depending on the extent of predictability, malleability, and harshness. In-depth explanations of each of these approaches will provide critical insight to help you match your approach to strategy to your environment, determine when and how to execute each one, and avoid a potentially fatal mismatch. Addressing your most pressing strategic challenges, you'll be able to answer questions such as: • What replaces planning when the annual cycle is obsolete? • When can we—and when should we—shape the game to our advantage? • How do we simultaneously implement different strategic approaches for different business units? • How do we manage the inherent contradictions in formulating and executing different strategies across multiple businesses and geographies? Until now, no book brings it all together and offers a practical tool for understanding which strategic approach to apply. Get started today.

HBR Guide to Getting the Right Work Done

Forget about the hard bargain. Whether you're discussing the terms of a high-stakes deal, forming a key partnership, asking for a raise, or planning a family event, negotiating can be stressful. One person makes a demand, the other concedes a point. In the end, you settle on a subpar solution in the middle—if you come to any agreement at all. But these discussions don't need to be win-or-lose situations. Written by negotiation expert Jeff Weiss, the HBR Guide to Negotiating provides a disciplined approach to finding a solution that works for everyone involved. Using a seven-part framework, this book delivers tips and advice to move you from a game of concessions and compromises to one of collaboration and creativity, resulting in better outcomes and better working relationships. You'll learn how to: Prepare for your conversation Understand everyone's interests Craft the right message Work with multiple parties Disarm aggressive negotiators Choose the best solution

HBR Guide to Project Management (HBR Guide Series)

Help your people reach their potential. As a manager, it's your responsibility to ensure your team is motivated and performing at a high level. But recent data reveals abysmal engagement levels among workers around the globe. How do you fix the problem--before your most talented people walk out the door? By understanding what drains your employees, you can increase their job satisfaction and push them toward achieving their goals. The HBR Guide to Motivating People provides practical tips and advice to help your team find meaning in their work, build on their strengths, and produce the best results for the organization. You'll learn how to: Pinpoint the root causes of lackluster performance Tailor rewards and recognition to individuals Connect routine work activities to a higher purpose Support your employees' growth and development Prevent burnout--especially in your top performers Create a culture of engagement Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guide to Coaching Employees (HBR Guide Series)

Discusses how readers can make persuasive presentations that inspire action, engage the audience, and sell ideas.

HBR Guide to Buying a Small Business

Every organization has its share of political drama: Personalities clash. Agendas compete. Turf wars erupt. But you need to work productively with your colleagues—even the challenging ones—for the good of your organization and your career. How can you do that without compromising your integrity? By acknowledging that power dynamics and unwritten rules exist—and constructively navigating them. Whether you're a new professional or an experienced one, this guide will teach you how to: (1) Build relationships with difficult people, (2) gain allies and increase your sphere of influence, (3) wrangle resources, (4) move up without alienating your colleagues, (5) avoid power games and petty rivalries, and (6) claim credit when it's due.

HBR Guide for Women at Work (HBR Guide Series)

Find the right person to help supercharge your career. Whether you're eyeing a specific leadership role, hoping to advance your skills, or simply looking to broaden your professional network, you need to find someone who can help. Wait for a senior manager to come looking for you—and you'll probably be waiting forever. Instead, you need to find the mentoring that will help you achieve your goals. Managed correctly, mentoring is a powerful and efficient tool for moving up. The HBR Guide to Getting the Mentoring You Need will help you get it right. You'll learn how to: • Find new ways to stand out in your organization • Set clear and realistic development goals • Identify and build relationships with influential sponsors • Give back and bring value to mentors and senior advisers • Evaluate your progress in reaching your professional goals

HBR Guide to Thinking Strategically (HBR Guide Series)

Struggling to get to--much less complete--your most important work? Leaving your job most days exhausted but with little to show for it? Overwhelmed by back-toback meetings and endless e-mails? Plagued by procrastination? Use this guide to learn how to accomplish more of the right work more efficiently by eliminating endless "urgent" tasks, delegating effectively, preventing procrastination, writing to-do lists that work, and renewing your energy with simple rituals. This collection includes: "How to Stay Focused on What's Important," "The Worth-Your-Time Test," "Management Time: Who's Got the Monkey?," "An 18-Minute Plan for Managing Your Day," "A Practical Plan for When You Feel Overwhelmed," "How to Write To-Do Lists That Work, " "The Art of the Self-Imposed Deadline," "How to Start a Project on Time," "Manage Your Energy, Not Your Time," and "How--and Why--to Stop Multitasking." Harvard Business Review Guides are for busy professionals looking for quick answers to common challenges. They're packed with useful tips and practical advice in a brief, easy-to-read format. Whether you're looking to expand your skills or refresh your existing ones, these guides offer reliable answers to your most pressing problems.

ReOrg

Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guide to Leading Teams

Every day begins with the same challenge: too many tasks on your to-do list and not enough time to accomplish them. Perhaps you tell yourself to just buckle down and get it all done—skip lunch, work a longer day. Maybe you throw your hands up, recognize you can't do it all, and just begin fighting the biggest fire or greasing the squeakiest wheel. And yet you know how good it feels on those days when you're working at peak productivity, taking care of difficult and meaty projects while also knocking off the smaller tasks that have been hanging over your head forever. Those are the times when your day didn't run you—you ran your day. To have more of those days more often, you need to discover what works for you given your strengths, your preferences, and the things you must accomplish. Whether you're an assistant or the CEO, whether you've been in the workforce for 40 years or are just starting out, this guide will help you be more productive. You'll discover different ways to: Motivate yourself to work when you really don't want to Take on

less, but get more done Preserve time for your most important work Improve your focus Make the most of small pockets of time between meetings Set boundaries with colleagues—without alienating them Take time off without tearing your hair out Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

It's Not the how Or the what But the who

A Practical Guide in Five Steps Most executives will lead or be a part of a reorganization effort (a reorg) at some point in their careers. And with good reason—reorgs are one of the best ways for companies to unlock latent value, especially in a changing business environment. But everyone hates them. No other management practice creates more anxiety and fear among employees or does more to distract them from their day-to-day jobs. As a result, reorgs can be incredibly expensive in terms of senior-management time and attention, and most of them fail on multiple dimensions. It's no wonder companies treat a reorg as a mysterious process and outsource it to people who don't understand the business. It doesn't have to be this way. Stephen Heidari-Robinson and Suzanne Heywood, former leaders in McKinsey's Organization Practice, present a practical guide for successfully planning and implementing a reorg in five steps—demystifying and accelerating the process at the same time. Based on their twenty-five years of combined experience managing reorgs and on McKinsey research with over 2,500 executives involved in them, the authors distill what they and their McKinsey colleagues have been practicing as an "art" into a "science" that executives can replicate—in companies or business units large or small. It isn't rocket science and it isn't bogged down by a lot of organizational theory: the five steps give people a simple, logical process to follow, making it easier for everyone—both the leaders and the employees who ultimately determine a reorg's success or failure—to commit themselves to and succeed in the new organization.

HBR Guide to Data Analytics Basics for Managers (HBR Guide Series)

A year's worth of management wisdom, all in one place. We've reviewed the ideas, insights, and best practices from the past year of Harvard Business Review to keep you up-to-date on the most cutting-edge, influential thinking driving business today. Managing Time

The best leaders know how to communicate clearly and persuasively. How do you stack up?If you read nothing else on communicating effectively, read these 10 articles. We've combed through hundreds of articles in the Harvard Business Review archive and selected the most important ones to help you express your ideas with clarity and impact—no matter what the situation. Leading experts such as Deborah Tannen, Jay Conger, and Nick Morgan provide the insights and advice you need to: Pitch your brilliant idea—successfully Connect with your audience Establish credibility Inspire others to carry out your vision Adapt to stakeholders' decision-making style Frame goals around common interests Build consensus and win support

HBR Guide to Negotiating (HBR Guide Series)

A global expert on hiring and leadership development explains how the choices a person makes in their life about friends, partners, a spouse and elected officials impacts their performance at every task in life. 25,000 first printing.

HBR Guides to Being an Effective Manager Collection (5 Books) (HBR Guide Series)

While some of us enjoy a lively debate with colleagues and others prefer to suppress our feelings over disagreements, we all struggle with conflict at work.

Every day we navigate an office full of competing interests, clashing personalities, limited time and resources, and fragile egos. Sure, we share the same overarching goals as our colleagues, but we don't always agree on how to achieve them. We work differently. We rub each other the wrong way. We jockey for position. How can you deal with conflict at work in a way that is both professional and productive—where it improves both your work and your relationships? You start by understanding whether you generally seek or avoid conflict, identifying the most frequent reasons for disagreement, and knowing what approaches work for what scenarios. Then, if you decide to address a particular conflict, you use that information to plan and conduct a productive conversation. The HBR Guide to Dealing with Conflict will give you the advice you need to: Understand the most common sources of conflict Explore your options for addressing a disagreement Recognize whether you—and your counterpart—typically seek or avoid conflict Prepare for and engage in a difficult conversation Manage your and your counterpart's emotions Develop a resolution together Know when to walk away Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guide to Your Professional Growth

MEET YOUR GOALS—ON TIME AND ON BUDGET. How do you rein in the scope of your project when you've got a group of demanding stakeholders breathing down your neck? And map out a schedule everyone can stick to? And motivate team members who have competing demands on their time and attention? Whether you're managing your first project or just tired of improvising, this guide will give you the tools and confidence you need to define smart goals, meet them, and capture lessons learned so future projects go even more smoothly. The HBR Guide to Project Management will help you: Build a strong, focused team Break major objectives into manageable tasks Create a schedule that keeps all the moving parts under control Monitor progress toward your goals Manage stakeholders' expectations Wrap up your project and gauge its success

HBR Guide to Managing Stress at Work

DON'T LET YOUR WRITING HOLD YOU BACK. When you're fumbling for words and pressed for time, you might be tempted to dismiss good business writing as a luxury. But it's a skill you must cultivate to succeed: You'll lose time, money, and influence if your e-mails, proposals, and other important documents fail to win people over. The HBR Guide to Better Business Writing, by writing expert Bryan A. Garner, gives you the tools you need to express your ideas clearly and persuasively so clients, colleagues, stakeholders, and partners will get behind them. This book will help you: • Push past writer's block • Grab—and keep—readers' attention • Earn credibility with tough audiences • Trim the fat from your writing • Strike the right tone • Brush up on grammar, punctuation, and usage

Doing Agile Right

"You've got a great idea that will increase revenue or productivity--but how do you get approval to make it happen? By building a business case that clearly shows its value. Maybe you struggle to win support for projects because you're not sure what kind of data your stakeholders will trust, or naysayers always seem to shoot your ideas down at the last minute. Or perhaps you're intimidated by analysis and number crunching, so you just take a stab at estimating costs and benefits, with little confidence in your accuracy. To get any idea off the ground at your company you'll have to make a strong case for it. This guide gives you the tools to do that"--

HBR Guide to Setting Your Strategy

Don't let a fear of numbers hold you back. Today's business environment brings with it an onslaught of data. Now more than ever, managers must know how to tease insight from data--to understand where the numbers come from, make sense of them, and use them to inform tough decisions. How do you get started? Whether you're working with data experts or running your own tests, you'll find answers in the HBR Guide to Data Analytics Basics for Managers. This book describes three key steps in the data analysis process, so you can get the information you need, study the data, and communicate your findings to others. You'll learn how to: Identify the metrics you need to measure Run experiments and A/B tests Ask the right questions of your data experts Understand statistical terms and concepts Create effective charts and visualizations Avoid common mistakes

HBR Guide to Getting the Mentoring You Need

Managing the human side of work Research by Daniel Goleman, a psychologist and coauthor of Primal Leadership, has shown that emotional intelligence is a more powerful determinant of good leadership than technical competence, IQ, or vision. Influencing those around us and supporting our own well-being requires us to be self-aware, know when and how to regulate our emotional reactions, and understand the emotional responses of those around us. No wonder emotional intelligence has become one of the crucial criteria in hiring and promotion. But luckily it's not just an innate trait: Emotional intelligence is composed of skills that all of us can learn and improve on. In this guide, you'll learn how to: Determine your emotional intelligence strengths and weaknesses Understand and manage your emotional reactions Deal with difficult people Make smarter decisions Bounce back from tough times Help your team develop emotional intelligence Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guides to Managing Your Career Collection (6 Books)

Emotional intelligence has been shown to be more important than other competencies in determining outstanding leadership. Emotions drive some of our most critical professional interactions--whether you're inspiring your team to higher performance, persuading your boss to see something from your point of view, dealing with difficult colleagues, or managing your own stress level. Indeed, knowing how to manage emotions has become one of the crucial criteria in hiring

and promotion. This specially priced five-volume set includes books from the HBR Guide series on the topics of Emotional Intelligence, Office Politics, Dealing with Conflict, Managing Stress at Work, and Managing Up and Across. You'll learn how to: Monitor and channel your moods and reactions Determine your emotional intelligence strengths and weaknesses Deal with difficult people Understand when to resolve a conflict head-on--and when to let it go Influence others across the organization Build supportive alliances with coworkers and colleagues Handle workplace stress in productive ways Arm yourself with the advice you need to succeed on the job with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guide to Office Politics

Don't wait for someone else to manage your career. Career paths are far from straightforward. HBR Guides to Managing Your Career Collection offers the ideas and strategies to help you take charge of your career and reach your highest potential--both in and outside of work. Included in this six-book set are HBR Guide to Your Professional Growth, HBR Guide to Work-Life Balance, HBR Guide to Getting the Mentoring You Need, HBR Guide to Managing Up and Across, HBR Guide to Office Politics, and HBR Guide to Changing Your Career. You'll learn how to: Clarify your professional passions Think strategically about career changes Recognize when it's time for a new challenge Find the right mentors to help you grow and move ahead Set boundaries and manage your time Deal with difficult managersNavigate your work culture and its politics The workplace is a complex arena to navigate, yet with advice from HBR's experts, you will be able to surpass any professional obstacle. No matter where you are in your career, the HBR Guides to Managing Your Career Collection will help you plan your next steps and push yourself forward to the next level.

HBR Guide to Dealing with Conflict (HBR Guide Series)

Does it seem like you never have enough time to get everything done? Keeping on top of your tasks, deadlines, and work schedule can be daunting. Managing Time quickly walks you through the basics. You'll learn to: Assess how you spend your time now Prioritize your tasks Plan the right time to work on each one Avoid procrastination and interruptions About HBR's 20-Minute Manager Series: Don't have much time? HBR Guide to Changing Your Career

Set your company up for long-term success. Every company needs a strategy. A focused strategy aligns decision making throughout the organization and helps establish a competitive edge in the marketplace. But with so many options to

consider, how do you define a unique strategy that will ensure growth? Whether you're starting a business from scratch or leading an existing company facing new threats, this book offers the direction you need. The HBR Guide to Setting Your Strategy provides practical tips and advice that break down the process of crafting strategy so you can identify the areas your company should build on to help it thrive long into the future. You'll learn to: Understand what strategy is—and what it isn't Define where you'll play and how you'll win Conduct more-effective strategic discussions with your team Test your strategy before you implement it Communicate your strategy to key stakeholders Ensure your strategy is flexible and adaptable Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR's 10 Must Reads on Communication (with featured article "The Necessary Art of Persuasion," by Jay A. Conger)

Help your employees help themselves. As a manager in today's business world, you can't just tell your direct reports what to do: You need to help them make their own decisions, enable them to solve tough problems, and actively develop their skills on the job. Whether you have a star on your team who's eager to advance, an underperformer who's dragging the group down, or a steady contributor who feels bored and neglected, you need to coach them: Help shape their goals—and support their efforts to achieve them. In the HBR Guide to Coaching Employees you'll learn how to: Create realistic but inspiring plans for growth Ask the right questions to engage your employees in the development process Give them room to grapple with problems and discover solutions Allow them to make the most of their expertise while compelling them to stretch and grow Give them feedback they'll actually apply Balance coaching with the rest of your workload Arm yourself with the advice you need to succeed on the job, from a source you trust. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

Your Strategy Needs a Strategy

Learn how to make better; faster decisions. You make decisions every day--from prioritizing your to-do list to choosing which long-term innovation projects to pursue. But most decisions don't have a clear-cut answer, and assessing the alternatives and the risks involved can be overwhelming. You need a smarter approach to making the best choice possible. The HBR Guide to Making Better Decisions provides practical tips and advice to help you generate more-creative ideas, evaluate your alternatives fairly, and make the final call with confidence. You'll learn how to: Overcome the cognitive biases that can skew your thinking Look at problems in new ways Manage the trade-offs between options Balance data with your own judgment React appropriately when you've made a bad choice Communicate your decision--and overcome any resistance Arm yourself with the advice you need to succeed on the job, from a source you trust. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

The Art of Being Indispensable at Work

Are your employees meeting their goals? Is their work improving over time? Understanding where your employees are succeeding—and falling short—is a pivotal part of ensuring you have the right talent to meet organizational objectives. In order to work with your people and effectively monitor their progress, you need a system in place. The HBR Guide to Performance Management provides a new multi-step, cyclical process to help you keep track of your employees' work, identify where they need to improve, and ensure they're growing with the organization. You'll learn to: Set clear employee goals that align with company objectives Monitor progress and check in regularly Close performance gaps Understand when to use performance analytics Create opportunities for growth, tailored to the individual Overcome and avoid burnout on your team Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guides to Emotional Intelligence at Work Collection (5 Books) (HBR Guide Series)

Take the stress out of giving feedback. To help your employees meet their goals and fulfill their potential, you need to provide them with regular feedback. But the prospect of sharing potentially negative news can be overwhelming. How do you construct your message so that it's not only well received but also expressed in a way that encourages change? Whether you're commending exemplary work or addressing problem behavior, the HBR Guide to Delivering Effective Feedback provides you with practical advice and tips to transform any performance discussion—from weekly check-ins to annual reviews—into an opportunity for growth and development. You'll learn to: Establish trust with your direct reports Assess their performance fairly Emphasize improvement, even in criticism React calmly to a defensive feedback recipient Recognize and motivate star performers Create individualized development plans Arm yourself with the advice you need to succeed on the job, from a source you trust. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guide to Getting the Right Work Done (HBR Guide Series)

This big initiative could make or break this fiscal year--or your career. Managing a successful strategic initiative may be the key to transforming your company--and propelling your career forward. Yet running a cross-functional team on a high-profile project can present a multitude of challenges and risks, causing even the most experienced manager to struggle. The HBR Guide to Managing Strategic Initiatives provides practical tips and advice to help you manage all the stages of an initiative's life cycle, from buy-in to launch to scaling up. You'll learn how to: Win--and keep--support for your new initiative Move rapidly from approval to implementation Assemble transformative, high-performing initiative teams Maintain the confidence of sponsors and stakeholders Stay on schedule and within budget Avoid initiative overload by killing projects that aren't meeting business

needs Keep multiple initiatives in strategic alignment Arm yourself with the advice you need to succeed on the job, from a source you trust. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guide to Making Better Decisions

What's the secret to being indispensable—a true go-to person—in today's workplace? With new technology, constant change and uncertainty, and far-flung virtual teams, getting things done at work is tougher and more complex than ever. We're in the midst of a collaboration revolution, working with everyone, all the time, across silos and platforms. But sometimes it feels like we're stuck in a no-win cycle—dealing with an overwhelming influx of asks, with unclear lines of communication and authority. Overcommitment syndrome looms larger than ever before. But even amid the seeming chaos, there's always that indispensable go-to person who thrives on their many working relationships with people all over the organization chart. How do they do it? Go-to people consistently make themselves valuable to others, maintain a positive attitude of service, are creative and tenacious, and take personal responsibility for getting the right things done. In this game-changing yet practical book, talent guru and bestselling author Bruce Tulgan reveals the secrets of the go-to person in our new world of work. Based on an intensive study of people at all levels, in all kinds of organizations, Tulgan shows how go-to people think and behave differently, building up their influence with others—not by trying to do everything for everybody but by doing the right things at the right times for the right reasons, regardless of whether they have the formal authority. This book will teach you to: Understand the peculiar mathematics of real influence Lead from wherever you are%#8212up, down, sideways, and diagonal Know when to say "no" or "not yet," and how to say "yes" Keep getting better and better at working together And much more. The Art of Being Indispensable at Work is the new How to Win Friends and Influence People for an era in which the guardrails of traditional management have been pulled away.

HBR Guide to Persuasive Presentations

Agile has the power to transform work--but only if it's implemented the right way. For decades business leaders have been painfully aware of a huge chasm: They aspire to create nimble, flexible enterprises. But their day-to-day reality is silos, sluggish processes, and stalled innovation. Today, agile is hailed as the essential bridge across this chasm, with the potential to transform a company and catapult it to the head of the pack. Not so fast. In this clear-eyed, indispensable book, Bain & Company thought leader Darrell Rigby and his colleagues Sarah Elk and Steve Berez provide a much-needed reality check. They dispel the myths and misconceptions that have accompanied agile's rise to prominence--the idea that it can reshape an organization all at once, for instance, or that it should be used in every function and for all types of work. They illustrate that agile teams can indeed be powerful, making people's jobs more rewarding and turbocharging innovation, but such results are possible only if the method is fully understood and implemented the right way. The key, they argue, is balance. Every organization must optimize and tightly control some of its operations, and at the same time innovate. Agile, done well, enables vigorous innovation without sacrificing the

efficiency and reliability essential to traditional operations. The authors break down how agile really works, show what not to do, and explain the crucial importance of scaling agile properly in order to reap its full benefit. They then lay out a road map for leading the transition to a truly agile enterprise. Agile isn't a goal in itself; it's a means to becoming a high-performance operation. Doing Agile Right is a must-have guide for any company trying to make the transition--or trying to sustain high agility.

HBR Guide to Emotional Intelligence (HBR Guide Series)

Are you looking for an alternative to a career path at a big firm? Does founding your own start-up seem too risky? There is a radical third path open to you: You can buy a small business and run it as CEO. Purchasing a small company offers significant financial rewards—as well as personal and professional fulfillment. Leading a firm means you can be your own boss, put your executive skills to work, fashion a company environment that meets your own needs, and profit directly from your success. But finding the right business to buy and closing the deal isn't always easy. In the HBR Guide to Buying a Small Business, Harvard Business School professors Richard Ruback and Royce Yudkoff help you: Determine if this path is right for you Raise capital for your acquisition Find and evaluate the right prospects Avoid the pitfalls that could derail your search Understand why a "dull" business might be the best investment Negotiate a potential deal with the seller Avoid deals that fall through at the last minute

HBR Guide to Delivering Effective Feedback (HBR Guide Series)

Your next act starts now. You're ready for something new, but it's hard to start over. Just the idea of trading the security you have now for the unknown or throwing away the education and time you've invested in your current career can plunge you into a swirl of indecision and anxiety. But mixing things up every few years is an increasingly normal and cyclical part of a healthy work life--a way to gain new skills and stretch your existing ones by applying them to different contexts. Whether you know what you want to do next or you're still evaluating options, the HBR Guide to Changing Your Career will help you: Imagine other professional selves Identify the skills you need--and those you already possess that will transfer to another industry Assess the financial implications of the change you're considering Try out new roles without endangering your current job Explain a seemingly winding career path Pitch yourself into a new role

HBR Guide to Better Business Writing (HBR Guide Series)

Dysfunctional teams are maddeningyet are a reality of organizational life. How often have you sat in team meetings complaining to yourself, What a colossal waste of time. Why does it take forever for this group to make a simple decision? What are we even trying to achieve here?" But as the team leader, you have the power to change things for the better. It's up to you to get people to work well together and produce results. How do you avoid the pitfalls you've experienced so painfully in the past? Team expert Mary Shapiro offers step-by-step advice, drawing on time-tested principles, practical exercises, guidelines for structured

team conversations, and examples from a range of industries and organizational settings.

HBR Guide to Performance Management (HBR Guide Series)

Are you suffering from work-related stress? Feeling overwhelmed, exhausted, and short-tempered at work—and at home? Then you may have too much stress in your life. Stress is a serious problem that impacts not only your mental and physical health, but also your loved ones and your organization. So what can you do to address it? The HBR Guide to Managing Stress at Work will help you find a sustainable solution. It will help you reach the goal of getting on an even keel—and staying there. You'll learn how to: • Harness stress so it spurs, not hinders, productivity • Create realistic and manageable routines • Aim for progress, not perfection • Make the case for a flexible schedule • Ease the physical tension of spending too much time at your computer • Renew yourself physically, mentally, and emotionally
