Gain first-hand experience and the foundation you need to calculate payroll, complete payroll taxes, and prepare payroll records and reports. Bieg/Toland's market-leading PAYROLL ACCOUNTING 2019 introduces the latest payroll laws and developments. You focus on practical applications rather than theory as you complete hands-on exercises. Detailed examples and real business applications demonstrate the importance of skills you are learning. Each example or illustration corresponds to a specific problem so you can easily follow the steps to solve the problem. An extensive project in the last chapter lets you apply what you've learned as a payroll accountant. This edition also covers the Fundamental Payroll Certification (FPC) from the American Payroll Association. Digital resources further ensure a thorough understanding of payroll for success both now and throughout your business career.

For introductory, undergraduate Managerial Accounting courses. Rock-solid decision-making through strong coverage and effective practice Students interact with businesses every day where they work, where they shop, even where they blog. At the core of these businesses are rock-solid managerial accounting fundamentals that students don't always see. Authors Wendy Tietz, Karen Braun, and Walter Harrison show the connection between accounting concepts and the businesses students interact with in their new text, Managerial Accounting. By presenting the accounting decisions made in companies like Target and J. Crew, this text's precise coverage of the core concepts combined with the unlimited practice in MyAccountingLab, the text's market-leading online homework and tutorial program gets students engaged in the learning process. With Managerial Accounting and MyAccountingLab, students will have more "I Get It!" moments and leave the course with a rock-solid understanding of managerial accounting. For this edition, Wendy Tietz, of Kent State University, contributed as coauthor. Dr. Tietz is an award-winning and experienced accounting and technology educator. Together, the authors refined their philosophy for the end-of-chapter and supplementary material for the second edition. MyAccountingLab New Design is now available for this title! MyAccountingLab New Design offers: One Place for All of Your Courses. Improved registration experience and a single point of access for instructors and students who are teaching and learning multiple MyLab/Mastering courses. A Simplified User Interface. ### **Intermediate Accounting**

Grady Wholesale Corporation is a reseller of electronics equipment such as personal computers, peripherals, and software. Grady purchases items in bulk from various manufacturers, repackages them into smaller lots and resells them to retailers for ultimate sale to consumers. The company maintains its financial

records manually. "The books" consist of special journals for sales, purchases of merchandise (made on account), cash receipts, cash disbursements, and a general journal (for all transactions that do not fit into one of the above categories), a general ledger, and subsidiary ledgers for accounts receivable and accounts payable (for merchandise purchases). Grady's policy is to post entries made in the general journal to the general ledger on a daily basis. Entries made to the special journals (sales, purchases, cash receipts, and cash disbursements) are posted to the general ledger at the end of the month. However, the subsidiary ledgers are updated on a daily basis. Check numbers, sales order numbers, and invoice numbers are used as the reference numbers for posting purposes.
