## **The Soviet Scholar-Bureaucrat**

If you feel empty and your faith has run dry, don't panic you're not alone. Some of the greatest heroes of the Bible had the

same experience. They saw their faith dwindle to almost nothing. They found themselves questioning beliefs that once seemed unshakable. The great news is that God gives free refills. The same Jesus who spoke with the sinful woman at the well, restored by walking on the water, calmed his disciples' fears during a storm, demonstrated love by washing dirty feet, and forgave one caught in adultery is ready to meet you today. And when you bring your cup nack to him, he's more than able to tip it off.

Mikhail Nikolaevich bridges 19th- and 20th-century Russian culture as well as Leninism and Stalinism, and later became an instrument in Khrushchev's effort at de-Stalinization. Pokrovskii was born in Moscow in 1868. He described the years before 1905 as his time of "democratic illusions and economic materialism." His interest in legal Marxism began in the 1890's but it was only with the Revolution of 1905 that he stepped into the Marxist camp. Pokrovskii was a leader in the creation of the "historical front"—an organization of scholars authorized to work out a Marxist theory of the past. He formalized the bond between scholarship and politics through his belief that historians should assist party authorities in effecting a cultural revolution; thus he supported Stalin's collectivization of agriculture and leg a campaign to silence non-Marxist scholars, some of whom he had defended earlier. Yet his accommodation with Stalin was uneasy, and after Pokrovskii's death in 1932 his allegedly "abstract sociological schemes" were condemned and his career was dubbed pokrovshcina—era of the wicked deeds of Pokrovskii.

This book is only possible through the will of God. The inspirational messages given to us at times are very evident in this story and are meant for all. God can and will work through anyone whose heart is open and whose mind is still enough to hear that gentle voice speak to them. It is then that we realize how much our heavenly Father loves each one of us and wants us all to have a close relationship with Him. My name is Elisabeth, and this is my journey with the Lord. I was given this opportunity to share a part of my life with you. Alma, my sister, is truly blessed and has accompanied me through this journey. Some of the pictures and most of the inspirational messages associated with the pictures were given to Alma for us to use in this book. The pictures are all a gift from God. For this we humbly thank Him and our Blessed Mother, for allowing us to be a part of God's plan.

Afrikan life into the coming millennia is imperiled by White and Asian power. True power must nest in the ownership of the real estate wherever Afrikan people dwell. Economic destiny determines biological destiny. 'Blueprint for Black Power' details a master plan for the power revolution necessary for Black survival in the 21st century. White treatment of Afrikan Americans, despite a myriad of theories explaining White behavior, ultimately rests on the fact that they can. They possess the power to do so. Such a power differential must be neutralized if Blacks are to prosper in the 21st century Aptly titled, 'Blueprint for Black Power' stops not at critique but prescribes radical, practical theories, frameworks and approaches for true power. It gives a biting look into Black potentiality. (Back cover).
