### The Leopard

New York Times bestseller “An incomplete but highly compelling retelling . . . An action-packed, doom-haunted saga, full of vivid natural description.”—New York Times Book Review  
The Fall of Arthur recounts in verse the last campaign of King Arthur, who, even as he stands at the threshold of Mirkwood, is summoned back to Britain by news of the treachery of Mordred. Already weakened in spirit by Guinevere’s infidelity with the now-exiled Lancelot, Arthur must rouse his knights to battle one last time against Mordred’s rebels and foreign mercenaries. Powerful, passionate, and filled with vivid imagery, this unfinished poem reveals Tolkien’s gift for storytelling at its brilliant best. Christopher Tolkien, editor, contributes three illuminating essays that explore the literary world of King Arthur, reveal the deeper meaning of the verses and the painstaking work his father applied to bring the poem to a finished form, and investigate the intriguing links between The Fall of Arthur and Tolkien’s Middle-earth. “Compelling in pace, haunted by loss, it lives up to expectations.”—Daily Beast  
“Erudite and beautiful.” – NPR.org

### The Leopard

Harry Hole faces a new rising enemy. ‘A page-turner you won't want to put down’  
Time Out  
Harry knows he shouldn’t get involved. A report of a rare and unusual gun – a type favoured by assassins – being smuggled into the country sparks Detective Harry Hole's interest. Evil is closer to home than he knows. Then a former WW2 Nazi sympathizer is found with his throat cut. Next, someone close to Harry is murdered. Why had she been trying to reach Harry on the night she was killed? As Harry's investigation unfolds, it becomes clear that the killer is hell-bent on serving his own justice. And while the link between the cases remains a mystery, one thing is certain: he must be stopped. But can Harry stop him in time?

### New Harry Hole Thriller

When a prostitute is found murdered in her bedsit, the Metropolitan police set to work finding the perpetrator of this brutal attack. DNA samples lead them straight to George Marlow, a man previously convicted of attempted rape. Everything appears to add up and the police think they've found their man, but things aren't quite what they seem . . . Detective Chief Inspector Jane Tennison came through

the ranks the hard way, opposed and resented at every step by her male colleagues. So when DCI Shefford falls ill, the opportunity for Tennison to get herself noticed finally arrives. But the boys are not happy and every one of her colleagues is willing her to trip up. Desperate to remove all doubt around her suspect, Tennison struggles to make the charges stick. And then a second body turns up. With the team against her, and a dangerous criminal still on the loose, DCI Jane Tennison must fight to prove herself, now or never. \*\*Lynda La Plante's Widows is now a major motion picture\*\*

## The Last Leopard

Detective Alex Morrow discovers that the darkest secrets never stay buried as she investigates the criminal underbelly of a seemingly tranquil seaside town. For reasons she can't quite explain, Alex Morrow is addicted to watching surveillance footage of Roxanna Fuentes--a gorgeous Spanish mother of two, in a tempestuous relationship with her boyfriend, who recently relocated to Glasgow under mysterious circumstances. She is also Morrow's prime suspect in an investigation that resembles a soap opera, filled with glamorous jetsetters and enough money to interest the highest levels of law enforcement. Until Roxanna vanishes. Morrow traces Roxanna's steps to Helensburgh, a sleepy, picturesque seaside community. But behind the idyllic Victorian homes and quaint storefronts, darkness lurks. Home to a man with blood on his hands who is haunted by guilt, a mysterious woman with ulterior motives back in town for the first time in decades, a sexually frustrated restaurateur looking to blow off steam, and a crew of vicious small-time gangsters blindly following orders, it's a town ruled by base instincts where no one is quite what they seem. And it's the perfect place to get rid of someone. When she uncovers an unsettling connection to Roxanna's job back in Glasgow, Morrow suspects that her missing person is more than a white-collar criminal on the lam--she may also be a victim caught up in a sophisticated conspiracy that stretches far beyond Helensburgh and is more personal than Morrow ever imagined. As the truth rises to the surface and the conflicts that lie beneath Helensburgh's calm waters threaten to explode, Morrow must find Roxanna before any hope of solving the case disappears with her. A gripping tale of greed, power, and vengeance, Blood, Salt, Water is a masterful crime novel from Denise Mina that confirms her reputation as "one of the genre's bright stars"

(George Pelecanos).

## **The Leopard**

A NEW YORK TIMES NOTABLE BOOK OF 2018 Shakespeare's dark and tragic play retold in a heart-pounding New York Times bestselling thriller from the author of *The Snowman* and *The Thirst*. Set in the 1970s in a run-down, rainy industrial town, Jo Nesbo's *Macbeth* centers around a police force struggling to shed an incessant drug problem. Duncan, chief of police, is idealistic and visionary, a dream to the townspeople but a nightmare for criminals. The drug trade is ruled by two drug lords, one of whom—a master of manipulation named Hecate—has connections with the highest in power, and plans to use them to get his way. Hecate's plot hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to violent and paranoid tendencies. What follows is an unputdownable story of love and guilt, political ambition, and greed for more, exploring the darkest corners of human nature, and the aspirations of the criminal mind.

## **Police**

A rescue dog, an ex-Marine, and an ex-convict are caught in the crosshairs of a ruthless gang in remote Washington state in this "first-rate thriller" (Associated Press) for "fans of CJ Box and Michael Koryta" (Booklist). Former US Marine Jess Winslow reenters civilian life a new widow, with little more to her name than a broken-down house, a medical discharge for PTSD, and a loyal dog named Lucy. The only thing she actually cares about is that dog, a black-and-white pit bull mix who helps her cope with the devastating memories of her time in Afghanistan. After fifteen years -- nearly half his life -- in state prison, Mason Burke owns one set of clothes, a wallet, and a photo of Lucy, the service dog he trained while behind bars. Seeking a fresh start, he sets out for Deception Cove, Washington, where the dog now lives. As soon as Mason knocks on Jess's door, he finds himself in the middle of a standoff between the widow and the deputy county sheriff. When Jess's late husband piloted his final "fishing" expedition, he stole and stashed a valuable package from his drug dealer associates. Now the package is gone, and the sheriff's department has seized Jess's dearest possession: her dog. Unless Jess turns over the missing goods, Lucy will be destroyed. The last thing Mason wants is

to be dragged back into the criminal world. The last thing Jess wants is to trust a stranger. But neither of them can leave a friend, the only good thing in either of their lives, in danger. To rescue Lucy, they'll have to forge an uneasy alliance. And to avoid becoming collateral damage in someone else's private war, they have to fight back -- and find a way to conquer their doubts and fears.

## **The Eye of the Leopard**

Inspector Harry Hole pursues an assassin bent on revenge in this installment of Jo Nesbø's New York Times bestselling series. Shots ring out at a Salvation Army Christmas concert in Oslo, leaving one of the singers dead in the street. The trail will lead Harry Hole, Oslo's best investigator and worst civil servant, deep into the darkest corners of the city and, eventually, to Croatia. An assassin forged in the war-torn region has been brought to Oslo to settle an old debt. As the police circle in, the killer becomes increasingly desperate and the danger mounts for Harry and his colleagues.

## **Sun and Shadow**

From the internationally acclaimed author of the Harry Hole novels—a fast, tight, darkly lyrical stand-alone novel that has at its center the perfectly sympathetic antihero: an Oslo contract killer who draws us into an unexpected meditation on death and love. This is the story of Olav: an extremely talented “fixer” for one of Oslo's most powerful crime bosses. But Olav is also an unusually complicated fixer. He has a capacity for love that is as far-reaching as is his gift for murder. He is our straightforward, calm-in-the-face-of-crisis narrator with a storyteller's hypnotic knack for fantasy. He has an “innate talent for subordination” but running through his veins is a “virus” born of the power over life and death. And while his latest job puts him at the pinnacle of his trade, it may be mutating into his greatest mistake.

## **The Soul of Discretion**

Critically acclaimed author Alex Dahl explores how love can turn darkly sinister when a desperate mother looks to reconnect with her lost daughter in this riveting Norwegian set psychological suspense novel. Two mothers. Two daughters. One heart. When Alison's beloved daughter Amalie drowns, her world turns impenetrably dark. Alison tries to hold it together throughout the bleak Fall, but in the darkest days of the Norwegian Winter she completely falls apart. In another family, Amalie's passing is a new beginning. After years of severe health problems, young Kaia receives a new heart on the morning after Amalie drowns. Her mother Iselin has struggled to raise Kaia on her own and now things are finally looking up. She's even made an affluent new friend who's taken a special interest in her and her daughter. Alison knows she shouldn't interfere, but really, she's just trying to help Iselin and Kaia. She can give them the life they never had, and by staying close to them, she can still be with her daughter. Kaia is just like her, and surely, something of Amalie must live on in her. As her grief transforms into a terrifying obsession, Alison won't let anything stop her from getting back what she has lost.

## **Blood on Snow**

For the first time, the full, explosive record of the unthinkable: how a US president compromised American foreign policy in exchange for the promise of future business and covert election assistance. Looking back at this moment in history, historians will ask if Americans knew they were living through the first case of criminal conspiracy between an American presidential candidate turned commander in chief and a geopolitical enemy. The answer might be: it was hard to see the whole picture. The stories coming in from around the globe have often seemed fantastical: clandestine meetings in foreign capitals, secret recordings in a Moscow hotel, Kremlin agents infiltrating the Trump inner circle. Seth Abramson has tracked every one of these far-flung reports and now in, *Proof of Collusion*, he finally gives us a record of the unthinkable—a president compromising American foreign policy in exchange for the promise of future business and covert election assistance. The attorney, professor, and former criminal investigator has used his exacting legal mind and forensic acumen to compile, organize, and analyze every piece of the Trump-Russia story. His conclusion is clear: the case for collusion is staring us in the face. Drawing from American and European news outlets, he takes readers through the Trump-Russia scandal chronologically, putting the developments in context and showing how they connect. His extraordinary march through all the public evidence includes: —How Trump worked for thirty years to expand his real estate empire into Russia even as he was rescued from bankruptcy by Putin’s oligarchs and Kremlin agents. —How Russian intelligence gathered compromising material on him over multiple trips. —How Trump recruited Russian allies and business partners while running for president. —How he surrounded himself with advisers who engaged in clandestine negotiations with Russia. —How Trump aides and family members held secret meetings with foreign agents and lied about them. By pulling every last thread of this complicated story together, Abramson argues that—even in the absence of a Congressional investigation or a report from Special Counsel Mueller—the public record already indicates a quid pro quo between Trump and the Kremlin. The most extraordinary part of the case for collusion is that so much of it unfolded in plain sight.

## **Making Friends with Alice Dyson**

A third prophecy, this time involving a leopard, comes true for eleven-year-old Martine, an orphaned South African girl who has mystical healing powers over animals, when she travels with her grandmother and best friend Ben to Zimbabwe.

## **Macbeth**

The electrifying first installment of the Harry Hole series. Inspector Harry Hole of the Oslo Crime Squad is dispatched to Sydney to observe a murder case. Harry is free to offer assistance, but he has firm instructions to stay out of trouble. The victim is a twenty-three year old Norwegian woman who is a minor celebrity back home. Never one to sit on the sidelines, Harry befriends one of the lead detectives, and one of the witnesses, as he is drawn deeper into the case. Together, they discover that this is only the latest in a string of unsolved murders, and the pattern points toward a psychopath working his way across the country. As they circle

closer and closer to the killer, Harry begins to fear that no one is safe, least of all those investigating the case.

## **The Thirst**

From the creator of the acclaimed Kurt Wallander series: A thrilling story set in Sweden and Zambia “told with heart-stopping tension” (Entertainment Weekly). Interweaving past and present, *The Eye of the Leopard* draws on bestselling author Henning Mankell’s deep understanding of both Scandinavia and post-colonial Africa. Hans Olofson arrives in Zambia in the 1970s, at the start of its independence. There, he hopes to fulfill the missionary dream of a boyhood friend who was unable to make the journey. But he is also there to flee the traumas of his motherless childhood in provincial Sweden: his father’s alcoholism, his best friend’s terrible accident, his fear of an ordinary and stifled fate. Africa is a terrible shock, yet he stays and makes it his home. In all his years as a mzungu, a wealthy white man among native blacks, he never comes to fully understand his adoptive home, or his precarious place in it. Rumors of an underground army of revolutionaries wearing leopard skins warn him that the fragile truce between blacks and whites is in danger of rupturing. Alternating between Hans’s years in Africa and those of his youth in Sweden, *The Eye of the Leopard* is a bravura achievement and a study in contrasts—black and white, poor and wealthy, Africa and Europe—both sinister and elegiac. “Mankell’s novels are a joy.” —USA Today “A fascinating novel . . . [the] prose is powerful, and the narrative of *The Eye of the Leopard* is profound.” —BookReporter “A thought-provoking, multilayered novel whose themes will challenge and linger.” —The Courier Mail “Mankell is a master of atmosphere and suspense.” —Los Angeles Times “Mankell’s novels are the best Swedish export since flatpack furniture.” —The Guardian “Beautiful, heartbreaking, yet ultimately hopeful . . . A powerful exploration of the stresses and challenges of freedom.” —Booklist, starred review

## **The Son**

With more than seven million copies sold worldwide, and translated into over forty languages, Jo Nesbo’s Harry Hole series is an international phenomenon. Detective Harry Hole is a genuine anti-hero: a handsome loner, an alcoholic and workaholic who is tormented in his personal life even as he is revered by his colleagues for his unwavering sense of justice and proven police instincts. Harry’s self-governing, anti-authoritarian style has driven his superior officer at the crime squad in Oslo to call him “the best investigator in the department and the worst public servant.” First-class thrillers with high voltage suspense and complex plotting, *The Snowman*, *The Leopard* and *Phantom* are fascinating journeys into the world of this singular character and the dark criminal minds he pursues to the very limits of his sanity, in Oslo and beyond. “Jo Nesbo is my favorite thriller writer and Harry Hole my new hero.” —Michael Connelly “Exuberantly, ingeniously gruesome.” —The Telegraph

## **Spell Hunter**

Inspector Harry Hole attempts to exonerate his would-be son Oleg in this

installment of Jo Nesbø's New York Times bestselling series. When Harry Hole moved to Hong Kong, he thought he was escaping the traumas of his life in Oslo and his career as a detective for good. But now, the unthinkable has happened—Oleg, the boy he helped raise, has been arrested for killing a man. Harry can't believe that Oleg is a murderer, so he returns to hunt down the real killer. Although he's off the police force, he still has a case to solve that will send him into the depths of the city's drug culture, where a shockingly deadly new street drug is gaining popularity. This most personal of investigations will force Harry to confront his past and the wrenching truth about Oleg and himself.

Forget everything you think you know about faeries. . . . Creatures full of magic and whimsy? Not in the Oakenwyld. Not anymore. Deep inside the great Oak lies a dying faery realm, bursting with secrets instead of magic. Long ago the faeries mysteriously lost their magic. Robbed of their powers, they have become selfish and dull-witted. Now their numbers are dwindling and their very survival is at stake. Only one young faery—Knife—is determined to find out where her people's magic has gone and try to get it back. Unlike her sisters, Knife is fierce and independent. She's not afraid of anything—not the vicious crows, the strict Faery Queen, or the fascinating humans living nearby. But when Knife disobeys the Faery Queen and befriends a human named Paul, her quest becomes more dangerous than she realizes. Can Knife trust Paul to help, or has she brought the faeries even closer to the brink of destruction? Talented newcomer R. J. Anderson creates an extraordinary new fantasy world and weaves a gripping tale of lost magic, high adventure, and surprising friendship in which the fate of an entire realm rests on the shoulders of one brave faery rebel.

## **The Heart Keeper**

Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbø's New York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

## Prime Suspect

Susan Hill—the Man Booker Prize nominee and winner of the Whitbread, Somerset Maugham, and John Llewellyn Rhys awards—returns with a gripping new novel, the latest chapter in one of the most acclaimed mystery series of our time. From the outside, the cathedral town of Lafferton seems idyllic, but in many ways it is just like any other place. It suffers from the same kinds of crime, is subject to the same pressures from a rapidly changing world, and has the same hopes and fears as any number of towns up and down the land. When Simon Serrailer is called in by Lafferton's new Chief Constable, Kieran Bright, he is met by two plainclothes officers, who ask him to take the principal role in a difficult, potentially dangerous undercover operation. He must leave town immediately, without telling anyone—not even his girlfriend Rachel, who has only just moved in with him. Meanwhile, Simon's sister Cat is facing difficult choices at work, as Lafferton's hospice closes its bedded units—and at home, as her daughter is presented with a glittering opportunity that they would have to struggle to afford. And all is not well with Simon and Cat's stepmother, Judith, either. To complete his special operation, Simon must inhabit the mind of the worst kind of criminal. This takes its toll on Simon and—as the investigation unfolds—also on the town and some of its most respected citizens.

## The Magical Fruit

Who says crime doesn't pay? The perpetrators of a botched kidnap make their getaway in this hilarious sequel to *The Big O*. Karen and Ray are on their way to the Greek islands to rendezvous with Madge and split the fat bag of cash they conned from her ex-husband Rossi when they kidnapped, well, Madge. But they've reckoned without Stephanie Doyle, the cop who can't decide if she wants to arrest Madge, shoot Rossi, or ride off into the sunset with Ray. And then there's Melody, the wannabe movie director, who's pinning all her hopes on *Sleeps*, the narcoleptic getaway driver who just wants to go back inside and do some soft time. A European road-trip screwball noir, *Crime Always Pays* features cops and robbers, losers and hoppers, villains, saints – and a homicidal Siberian wolf called Anna. The Greek islands will never be the same again.

## Proof of Collusion

“I read *The Kingdom* and couldn't put it down . . . Suspenseful . . . Original . . . This one is special in every way.” —Stephen King Roy and Carl have spent their whole lives running from the darkness in their past, but when Carl finally returns to make peace with it, the two brothers are inexorably drawn into a reckoning with their own demons. Roy has never left the quiet mountain town he grew up in, unlike his little brother Carl who couldn't wait to get out and escape his troubled past. Just like everyone else in town, Roy believed Carl was gone for good. But Carl has big plans for his hometown. And when he returns with a mysterious new wife and a business opportunity that seems too good to be true, simmering tensions begin to surface and unexplained deaths in the town's past come under new scrutiny. Soon powerful players set their sights on taking the brothers down by exposing their role in the town's sordid history. But Roy and Carl are survivors, and no strangers to

violence. Roy has always protected his younger brother. As the body count rises, though, Roy's loyalty to family is tested. And then Roy finds himself inextricably drawn to Carl's wife, Shannon, an attraction that will have devastating consequences. Roy's world is coming apart and soon there will be no turning back. He'll be forced to choose between his own flesh and blood and a future he had never dared to believe possible.

## **New Harry Hole Thriller**

Inspector Harry Hole returns from Hong Kong hot on the trail of a serial killer in this installment of Jo Nesbø's New York Times bestselling series. Inspector Harry Hole has retreated to Hong Kong, escaping the trauma of his last case in squalid opium dens, when two young women are found dead in Oslo, both drowned in their own blood. Media coverage quickly reaches a fever pitch. There are no clues, the police investigation is stalled, and Harry—the one man who might be able to help—can't be found. After he returns to Oslo, the killer strikes again, Harry's instincts take over, and nothing can keep him from the investigation, though there is little to go on. Worse, he will soon come to understand that he is dealing with a psychopath who will put him to the test, both professionally and personally, as never before.

## **Phantom**

A compelling and masterful account, based on fresh reporting, of the investigation, impeachment, and acquittal of President Donald Trump, a ferocious political drama that challenged American democracy itself. In the spring of 2019, Speaker of the House Nancy Pelosi did not favor pursuing Trump's impeachment. Her view was: "He's just not worth it." But by September, after a whistleblower complaint suggesting that Trump had used his office for his political benefit, Pelosi decided to risk it. The impeachment inquiry led to charges of abuse of power and obstruction of Congress, a gamble that ultimately meant Trump would be the first impeached president on the ballot in US history. Pulitzer Prize-winning Washington Post reporters Kevin Sullivan and Mary Jordan have crafted a powerful, intimate narrative that concentrates on the characters as well as the dramatic events, braiding them together to provide a remarkable understanding of what happened and why. Drawing on the deep reporting of Post journalists as well as new interviews, Sullivan and Jordan deliver a crisp page-turner with exquisite detail and scenes. They put readers in the room for both sides of the now-famous phone call between Trump and Ukrainian president Volodymyr Zelensky on July 25, 2019, revealing the in-the-moment reactions of those listening to the call in Washington, as well as the tension in Kyiv, as aides passed notes to Zelensky while he was talking to Trump. Sullivan and Jordan deftly illuminate the aims and calculations of key figures. Pelosi's evolution from no to yes. Trump's mounting fury as "the I-word" became inevitable. Senate majority leader Mitch McConnell firmly telling Trump on the phone about the Senate trial: You need to trust me. Trump on Trial teems with unexpected moments. House member Elissa Slotkin, a Michigan Democrat, alone at the National Archives, walking amid the nation's founding documents, weighing her vote on impeachment. Fiery Republican congressman Matt Gaetz of Florida, a favorite Trump warrior, deciding to lead the storming of the secure room in the US Capitol basement, where witnesses were testifying. The authors paint vivid portraits of the men and women branded by the president's

supporters as foes from the “deep state”: Ukraine experts Fiona Hill and Lt. Col. Alexander Vindman; ambassadors Marie Yovanovitch and William Taylor. The narrative spools out amid Trump’s nonstop tweeting and the infinite echo chamber of social media, which amplified both parties’ messages in ways unknown during past impeachments. Sullivan and Jordan, aided by editor Steve Luxenberg, follow the story into the aftermath of Trump’s acquittal and the president’s payback for those whom he believed had betrayed him. The retributions took place as the nation reeled from a devastating pandemic and widespread protests about racial injustice, with another trial looming: the 2020 election.

Like his fellow countryman Henning Mankell, Åke Edwardson is a successful figure on the international mystery scene and a brilliant discovery for lovers of intricate, psychologically charged, and stylish crime novels. With *Sun and Shadow*, Edwardson introduces readers to detective Erik Winter, the youngest chief inspector in Sweden, who wears sharp suits, cooks gourmet meals, has a penchant for jazz, and is about to become a father. He's also moody and intuitive, his mind inhabiting the crimes he's trying to solve. In this atmospheric, heart-stopping tale, Winter's troubles abound—and a bloody double murder on his doorstep is just the beginning.

## **Police**

From the author of the best-selling Harry Hole series comes an electrifying tale of vengeance set amid Oslo's brutal hierarchy of corruption. Sonny Lofthus has been in prison for almost half his life: serving time for crimes he didn't commit. In exchange, he gets an uninterrupted supply of heroin—and a stream of fellow prisoners seeking out his Buddha-like absolution. Years earlier Sonny’s father, a corrupt cop, took his own life rather than face exposure. Now Sonny is the center of a vortex of corruption: prison staff, police, lawyers, a desperate priest—all of them focused on keeping him stoned and jailed. When Sonny discovers a shocking truth about his father’s suicide, he makes a brilliant escape and begins hunting down the people responsible for his and his father’s demise. But he's also being hunted, and by enemies too many to count. Two questions remain: who will get to him first, and what will he do when he’s cornered?
