New York Times and USA Today bestselling author Jana DeLeon brings you the first book in the Ghost-in-Law series. Family can be the death of you Scientist Maryse Robicheaux thought that a lot of her problems had gone away with her mother-in-law's death. The woman was rude, pushy, manipulative and used her considerable wealth to run herd over the entire town of Mudbug, Louisiana. Unfortunately, death doesn't slow down Helena one bit. DEA Agent Luc LeJeune is wondering what his undercover assignment investigating the sexy scientist has gotten him into - especially as it seems someone wants her dead. Keeping his secrets while protecting Maryse proves to be easier than fighting his attraction for the brainy beauty. Trouble in Mudbug is a humorous mystery and contemporary romance set in the bayous of southern Louisiana. It is the first book in the New York Times bestselling Ghost-in-Law series. Trouble in Mudbug has a cozy mystery feel and features a strong heroine turned amateur sleuth, a sexy hero, and a ghost unlike any you've ever heard of. It appeals to fans of light paranormal, paranormal romance, cozy mysteries and also to fans of the Stephanie Plum series by Janet Evanovich. Trouble in Mudbug is a free ebook at Google Play. "Southern wit at its best!" - NYT Bestselling author Gemma Halliday "Sinfully funny!" - NYT Bestselling author CC Hunter/Christie Craig "DeLeon is excellent at weaving comedy, suspense and spicy romance into one compelling story." - RT Book Reviews "I don't know where she comes up with this funny stuff, but I can't wait to read the next book..." - Night Owl Reviews "Jana DeLeon has a breezy style with enough of a comic touch to leave you smiling." - The Romance Reader "Son of a gun, we're having fun in the bayou!" - Fresh Fiction "The quirky characters keep the action moving..." - Barbara Vey, Publisher's Weekly Blogger To learn more about Jana and her books visit her at: <http://janadeleon.com> <http://facebook.com/janadeleonauthor> @JanaDeLeon

### Life is Worth Living

The National Portrait Gallery is the opening setting for this delightful mystery of

theft and fraud. A painter copies diligently from a watercolour one morning when an enigmatic musician suddenly appears and causes mayhem with his musical interludes, hopping from one picture to another and giving a remarkable rendition of different songs. But while the curator follows him around trying to call a halt to the musical spectacle, the copyist replaces a watercolour masterpiece and makes an infamous escape. Who is the mysterious musician? Who is the mysterious copyist? And what has happened to the priceless watercolour?

Meet Detective Sergeant Alicia Friend. She's nice. Too nice to be a police officer, if she's honest. Now assigned to DI Donald Murphy's team, the annoyingly-perky detective finds herself in the grip of a northern British winter, investigating the kidnap-murders of two young women - both strikingly similar in appearance. When a third is taken, they have less than a week to chip away the secrets of a high-society family, and uncover the killer's objective. But Richard - the father of the latest victim - believes the police are not moving quickly enough, so launches a parallel investigation, utilising skills honed in a dark past that is about to catch up with him. As Richard's secret actions hinder the police, Alicia remains in contact with him, and even starts to fall for his charms, forcing her into choices that will impact the rest of her life. For a chilling serial killer thriller with a quirky main character, pick up *His First His Second* today! >>> [Reviews CrimeFictionLover.com](#)

"An intriguing mix of police procedural and serial killer thriller, that will tease, involve and unnerve you. An entertaining and intriguing debut." *Undercover Book Reviews*: "Want a book with twists and turns? This is the one. It will not disappoint." **AUTHOR Q&A** Q: Alicia Friend is kind of an oddball, isn't she? A: I'd say she's unique. She knows who she wants to be and she doesn't compromise, but most police officers she meets are dour and grumpy, and she sees how that impacts their personal lives. She doesn't want to be as hard-nosed as many women sleuths in fiction, so radiates the sort of perkiness that sometimes grates on her fellow officers. But it's who she is. Q: Despite having a quirky woman sleuth as main character, the novel goes to some dark places. A: Yes. I found that at one point I was trying to include ALL my research, and I'm really aiming for a thrill ride as much a straight police procedural. I originally included the sort of forensic details you get with Patricia Cornwell or Kathy Reichs, but it wasn't right for this book. I keep it as accurate as possible, but it's about the characters and how they uncover secrets, both externally and within the police. Q: So who is your ideal reader? A: Fans of serial killer books in general. If you like James Patterson, P.J. Tracy or Steven James, Mark Billingham or Ian Rankin, Alicia Friend's series could be worth checking out. Q: What levels of violence and bad language are there? A: Some of the violence is graphic, but the language that goes as strong as references to one's posterior and some faecal synonyms, if you get my meaning. No "F" or "C" words, as I don't think Alicia's audience appreciates that. Q: And how, exactly, do you come up with a character like Alicia? A: She is based on a real person. But very loosely. The essence is there, although I had to invent certain aspects for dramatic effect. The parts from real life are: a ditzy, perky outer shell, yet possesses a fierce intelligence, true dedication, and being brilliant at her job. Q: So the real Alicia Friend isn't a serving police officer? A: No, she isn't. And if she was, I certainly wouldn't say so here. *Alicia Friend Books In Order: His First His*

Due to the emergence of IFRS as the required convention for reporting to stock exchanges in the European Union and other important markets, accountants must gain a strong understanding of these standards. Intermediate Accounting integrates this new information throughout the chapters so they'll learn how to apply the new global accounting standards. Global examples are presented to clearly show how the information is utilised in the field. The use of various currencies is also explored, which is critical for accountants to know in today's global businesses environment.

## **Over Their Heads**

Aydan Kelly has reluctantly accepted her unwanted role as an undercover agent. When she finds evidence that the government murdered her husband to manipulate her, the betrayal drives her on a quest to uncover the truth.

## **Tell Me No Spies**

Austin Carr is a homeless stockbroker. Sort of. He's a salesman. Living on 100% commission during a recession and with child support payments can lead to getting kicked out of your apartment, having your car repossessed and living in a camper. Not even a real camper. A beat up old pickup with one of those camper toppers on it. Which he parks in the lot at Luis's Mexican Restaurant where he also takes advantage of the shower in the employee dressing room. His biggest client has health issues, the client's wife is coming on to him, another client is super pissed about an investment and wants to get revenge, and his supervisor is ready to take him down by any means necessary. Determined to make enough money to meet the child support payments and get to see his kids again, Austin gets mixed up with a redhead which leads to illegal bond and money transfers and in the course of less than two weeks is run down by a car, beat up, his manager tries to shoot him, is buried in sand at the water's edge with the tide coming in, then he's

kidnapped and finally becomes the victim of attempted murder by Bluefin (yes, the fish). And when he sneaks in to watch his daughter's swim meets, Austin wears nothing but a speedo.

Meg Daniels and Andy Beck—better together at the Jersey Shore! But while Andy slaves away at a hotel-casino security job, Meg is doing her best to sleep late, limit her exercise, and get plenty of sand between her toes. Too much free time on this gal's hands always spells trouble, and this time it comes courtesy of Andy's old pal Johnny Angelini, a would-be Rat Packer who channels Frank Sinatra nightly at the hotel bar. Johnny was just an infant in 1964 when the Democratic Convention came to town and his mother, Betty Boyle, vanished without a trace. Intrigued, Meg hits the Boardwalk running to solve the 50-year-old case and bring some closure for Johnny. As she doggedly tracks down and interviews surviving witnesses, involving a former senator with powerful ties, she stumbles on a twisted cover-up. One of Meg's suspects is intent on keeping the Boyle case cold—even if that means icing a meddlesome Jersey girl along with it.

"You see," Miss Kayne said, "I committed a murder once myself." Miss Kayne's proud boast to Detective-Sergeant Bobby Owen is that she has committed the Perfect Murder - a crime with no clues. Bobby thinks at first it is a macabre joke, but before long a body is reportedly found, stabbed in the world-famous Kayne Library. When Bobby gets to the scene, the corpse has disappeared. But instead Miss Kayne's cousin, Nat, is found in a nearby country lane - shot through the heart. Were the two murders connected - or were there even two? Bobby finds himself embroiled in one of the most ingenious and sinister cases of his career. Can he prove this was not a case of Perfect Murder? Comes a Stranger, originally published in 1938, is the eleventh novel in the Bobby Owen mystery series. This new edition features an introduction by crime fiction historian Curtis Evans. "What is distinction? The few who achieve it step - plot or no plot - unquestioned into the first rank in the works of Mr. E.R. Punshon we salute it every time." Dorothy L. Sayers

## **The Big Splash**

When a top-secret weapon goes missing on Colonel Maggie Black's watch, her honor and her career are on the line. There were airmen who said the Air Force's best female combat pilot would never be the same after losing her arm in Iraq, but state-of-the-art prosthetics have made Maggie better than new, and she's not about to lose what she battled so hard to regain. But finding her experimental missile won't be easy—thanks to the revenge-fueled ambitions of Asdrubal Torres, whose hallucinatory encounter with the Great Spirit challenges him to refill Lake Cahuilla, the ancient inland sea that once covered much of Southern California. To fulfill his blessed mission, Torres needs wizardry and weaponry, and the Great Spirit provides both: Magic, in the form of a celebrated shaman's basket returned to the tribal museum by San Diego reporter Jordan Scott; Might, in the form of Maggie Black's top-secret weapon that falls from the sky. From that moment, it's a

race against time for Maggie and Jordan, who together must stop Torres from destroying Hoover Dam—and turning the Colorado River into a tsunami that would kill hundreds of thousands and wipe out the Southwest's water supply. In the final showdown, it's Maggie who must disarm the stolen missile's trigger—one-handed or not—and save the day.

The treacherous, hormone-soaked hallways of Franklin Middle School are the setting for this sharp, funny noir novel about tough guys and even tougher girls. "The Frank" is in the clutches of a crime syndicate run by seventh-grader Vinny "Mr. Biggs" Biggio, who deals in forged hall passes and blackmarket candy. Double-cross him and your number is punched by one of his deadly water gun-toting assassins. One hit in the pants and you are in "the Outs" forever. Matt Stevens is a proud loner with his own code of justice. He's avoided being pulled into Vinny's organization until now: Mr. Biggs has offered him a job he can't resist, even if it means bringing down one of his oldest friends. Nominated for an Edgar Award in 2009, *The Big Splash* revitalizes the noir novel while delivering a terrific, addictive mystery that crackles with wit and excitement. Awards and praise for *The Big Splash* 2009 Edgar Award nomination "Jack Ferraiolo shines a light on middle school and reveals what we've always suspected: It's a sinister place ruled by crime bosses and thugs. *The Big Splash* will make you laugh out loud." --Jeff Kinney, #1 New York Times bestselling author of *Diary of a Wimpy Kid* "Entertaining and thrilling." --New York Times Book Review "An ingenious premise: junior high noir. . . . Twists and curve balls keep readers guessing; extended jokes will keep them laughing." --Publishers Weekly, starred review "Well paced, funny, and suspenseful, with some real commentary on bullying and mob mentality." --School Library Journal "If middle school has an 'underworld,' this book is *The Godfather* and *The Maltese Falcon* all rolled into one. Better still, it's funny, and not just a little." --Gordon Korman, author of *Born to Rock*

As if things aren't bad enough in Penns River, development and funding of a new religious-themed mall grinds to a halt when heavily-armed assassins cut down five leaders of the town's fledgling drug trade while eating lunch in the food court. The television minister behind the mall has associates not normally associated with a ministry, outside drug gangs may be muscling into town, and the local mob boss could have an angle of his own. The cops have this and all the usual local activity to contend with in a story that extends beyond the borders of Penns River. Praise for *RESURRECTION MALL* "Dana King's *Resurrection Mall* is a patchwork of

desperation from a depressed river town written with genuine style and grit.” —Reed Farrel Coleman, New York Times bestselling author of *What You Break* “Another thoughtful, taut, suspense filled novel from one of America’s best new writers, the great Dana King.” —Adrian McKinty, author of the Sean Duffy trilogies “Resurrection Mall is a brilliant crime novel that deserves to win every award in sight. One of the best of the year.” —Tim Hallinan, author of the *Poke Rafferty*, *Junior Bender*, and *Simeon Grist* mystery series. “Dana King’s *Resurrection Mall* draws you in from the beginning, like sipping a fine single malt that opens wonderfully in the glass and you have to keep sipping until the end. King has a skillful grasp on character and dialogue, and that, along with his rock-solid police procedure, makes for a gripping, authentic read. I am a big fan of the *Penns River* series, and I want more.” —David Swinson, author of *The Second Girl*. “Along with *Worst Enemies* and *Grind Joint*, *Resurrection Mall* elevates Dana King’s masterful *Penns River* crime series into the best hard-nosed police procedural since TV’s *The Wire*. Fun, gripping and thought-provoking, this third entry firmly plants ace Detective Ben ‘Doc’ Dougherty in the ring with heavyweight crime-stoppers *Elvis Cole*, *Alex Cross* and *Jack Reacher*. All of King’s characters burst with no-nonsense, rural Pennsylvania life, but the author dives deepest into the most realistic and engaging crew of municipal cops I’ve encountered since *Joseph Wambaugh*. Don’t miss it!” —Jack Getze, author and Fiction Editor for *Spinetingler Magazine*. “Complex characters, smooth dialogue and a hell of a plot make this one a winner. Rest easy, *Ross Macdonald*. The torch has been passed.” —Terrence McCauley, author of *Sympathy for the Devil* and *A Murder of Crows*.

A Shamus Award Finalist and Named Best Mystery in the 2015 Next Generation Book Awards A body in a rundown Opera House. A missing manuscript A dark family secret. Still suffering nightmares from a case that ended tragically, brilliant freelance crime consultant Scott Drayco considers retiring from crime solving altogether. When a former client bequeaths Drayco a rundown Opera House in a Virginia seaside town, he figures he'll arrange for a quick sale of the place while nursing his battered soul in a peaceful setting near the shore. What he doesn't count on is finding a dead body on the Opera House stage with a mysterious "G" carved into the man's chest. With hopes for a quick sale dashed and himself a

suspect in the murder, Drayco digs into very old and very dangerous secrets to solve the crime and clear his name. Along the way, Drayco must dodge a wary sheriff, hostility over coastal development, and the seductive wife of a town councilman - before the tensions explode into more violence and he becomes the next victim. EDITORIAL REVIEWS: "Lawson uses the gothic features of the abandoned Opera House to great effect, creating an atmospheric background for the crimes and the solving of them, all of it accompanied with music that's almost like another character. The pace never sagged and it kept me enthralled." - Long and Short Reviews "Lawson's book was so good, I read it twice from beginning to end The citizens of Cape Unity are as diverse and multi-layered as any person living in the large cities, and Lawson portrayed them splendidly." - Reader's Favorite Reviews "The storyline here is nicely structured, and creatively ties together two murder mysteries, which occurred decades apart. The small town setting is ideal, the lead character engaging, and the supporting cast interesting and diverse. Overall, a solid start to this series." - Omnimystery News "A nice tight mystery in a realistic setting. The drugs are missing and four lives are about to collide. Clyde just wanted to make a little extra cash on the side to raise his new baby. Now his life and the lives of his wife and newborn daughter are in jeopardy. Brent just wanted to do his job and be left alone. Now he's in a race against time for his life. Sean just wanted to escape the crime he committed in Detroit. Now he's stumbled into another. The money he embezzled is nothing compared the load of narcotics that fell into his lap. And Skeeter? Well, Skeeter wants the drugs back, and he'll use any means necessary to get them. When these four are let loose on a mad scramble to locate the drugs, they cut a path of mayhem and bloodshed across Virginia. Inept would-be criminals clash with ruthless drug dealers in a violent weekend where no one is safe. The only certainty: Everyone is in over their heads. "Hard boiled pulp, hot off the press. The writing team of JB Kohl and Eric Beetner give the middle finger to polite crime writing and splatter the pages of Over Their Heads with foul mouthed, two-fisted action delivered in a hail of bullets. Neo-noir, transgressive fans will cheer. Drawing room mystery readers may need smelling salts. Don't say you weren't warned." -Anonymous-9, author of Hard Bite and Bite Harder "Over Their Heads is a stripped down hot-rod of a novel. JB Kohl and Eric Beetner keep things fast and tight, with a gasp or a laugh on pretty much every page as an assortment of would-be badasses try to track down some missing drugs. It's a comedy of errors, scored with the sound of gunfire." -Jake Hinkson, author of The Big Ugly "Over Their Heads is a real tour-de-force from the writers that brought you One too Many Blows to the Head. A full-blown crime noir that will keep you on the edge of your seat " -Bill Craig, author of the Marlow Key West Mysteries and the Decker P.I. mysteries

Wall Street’s miasmal garbage washes up on the Jersey Shore when a small time broker falls in love: Is he attracted to the beautiful lady — or her brother’s inside information? Held spellbound by a steamy, auburn-haired woman with a dubious past and a get-rich-quick, insider trading scheme, Austin Carr knocks down a beehive of bad-acting Bonacellis, including the ill-tempered “Mr. Vic” Bonacelli, who wants his redhead back, and local mob lieutenant Angelina “Mama Bones” Bonacelli, architect of a strange and excruciating death trap for the fast-talking stockbroker she calls smarty pants. To survive, Austin must unravel threads of jealousy, revenge and new affections, discover the fate of a pseudo ruby called the Big Mojo and slam the lid on a pending United States of America vs. Austin Carr insider trading case. Can Austin and his Jersey Shore mouthpiece possibly out maneuver the savvy U.S. District Attorney from Manhattan? Will anything matter for Austin ever again if Mama Bones flips that switch? Praise for BIG MOJO ...

“Darkly comic and always entertaining — with an outrageous cast of characters including a scheming grandmother and a mysterious redhead. Our engaging hero, fueled by honor and passion, does the best he can in a world where the bad guys seem determined to do him in. Gordon Gekko meets Janet Evanovich in this wry and winning caper — Jack Getze does it again!” — Hank Phillippi Ryan, Agatha, Anthony and Mary Higgins Clark Award winning author of *Truth Be Told* “If Jack Getze’s Austin Carr novels aren’t on your must-read list, you don’t know what you’re missing. Austin Carr’s that buddy your wife doesn’t like you to hang out with. Fast-talking, wisecracking, and hard-living, he’s the type of guy who swears he’s only ever looking for a good time, and yet every night out with him seems to end in a fight. But you can’t deny he’s got heart — and BIG MOJO is Carr’s most epic adventure yet. It’s got frame-ups. Insider trading. Stolen jewels. Double-crosses. Triple-crosses. Love potions. Gunplay. And enough outsized characters it could only take place in the great state of New Jersey. So pick it up. Give it a read. But maybe tell the missus you’re hanging out with someone else.” — Chris F. Holm, author of the Collector Series “There’s no way you can lose with an Austin Carr novel with a gorgeous redhead, a character with the moniker of “Mama Bones”, a double-crossing business partner, more bad guys than can be seen in one place outside of the White House, and Austin’s smart mouth that surely he learned by reading lots of Robert B. Parker’s character Spenser ... A truly rollicking, fun, action-filled read with more twists than a fevered revival of Hula Hoop fanatics

at a Jersey Shore ballroom ... And then, there's that redhead. Always that redhead ... " — Les Edgerton, author of *The Genuine, Imitation, Plastic Kidnapping* and others "The irrepressible Austin Carr is back, and he's sly and sardonic as ever. Bartter surveys 250 American science-fiction stories, and American SF novels--with occasional overlaps of stories made into episodic novels--that have some relationship, often direct, sometimes marginal, to atomic weapons and their effects. . . . Highly recommended for popular literature collections. Choice Divided into three principal parts, *The Way to Ground Zero* begins by exploring *The Way to Hiroshima*. Through a detailed analysis of the works included, Bartter reveals the sociopolitical assumptions that authors took for granted and develops a method by which these assumptions can be disclosed. She shows that encoded in these fictions we can find the patterns that led us to create and use the atomic bomb. In the second section, Bartter looks at the deeper assumptions on which these sociopolitical assumptions rest, focusing particularly on those which perpetuate considerations of nuclear war--both in science fiction and in actual policy making. Finally, Bartter explores alternative assumptions proposed by innovative science fiction writers. Throughout, an attempt is made to forge a deeper understanding of the ways in which science fiction both reflects and influences human and international relations. Students of science fiction and of literature and politics will find Bartter's work enlightening, provocative reading. Bartter argues that a close examination of American fiction, particularly science fiction, can offer important new insights into the events surrounding the bombing of Hiroshima in 1945. The use of an atomic bomb to end the war followed a scenario long established in science fiction--defeating our enemy with a super-weapon developed by native technological genius. By examining the interrelationship between this persistent plot-device and the development and use of a real super-weapon, Bartter sheds new light on the transactional role of literature and real life. Her analysis is based on a comprehensive theory of human nature, substantiated by exhaustive research in science fiction archives and libraries and covers a large number of stories--both well-known and relatively obscure--featuring super weapons or super war and published by American authors.

## **Big Slick**

Jack has a secret. One he's kept hidden from his best friend Emma... When she calls in a favor, asking Jack to perform in a pirate fetish fantasy at the nightclub she manages, Emma inadvertently opens Pandora's box—for both of them. As portraying a dominant pirate forces more of Jack's secret desires to light, Emma finds herself enmeshed in sensual explorations of BDSM, wax play, bondage and sex in public that leave her questioning her vanilla existence. When a second heated interlude on the stage finds her submitting to Jack, Emma suspects she'll never find her way back to her simple missionary lifestyle. But with Jack in

control...she's not sure she wants to.

"We deal in blood, friend." With those prophetic words, John "Big Slick" Elder, a professional killer with an unbendable set of ethics, finds himself trapped between the harsh concrete will of a brutal boss of bosses and Slick's own never-broken boundaries on what he will or won't do for money. Slick had vowed never to work in Ohio, for very personal reasons, yet now he's found himself in that great flat state with his work-partner, Thumper, and at the beck and call of a very violent criminal underworld boss who forces them to carry out on a very unusual errand, one that he claims involves no violence and appears harmless at first. The question is, will Slick and Thumper figure out the end game behind this simple chore in time, and are they prepared for what it will reveal about who they are, as men? The thrilling followup to Elijah Drive's debut mystery novel BULLETS. "Razor sharp writing, crackling dialogue, characters that jump off the page and slap you in the face. In BIG SLICK, Elijah Drive delivers a compulsively readable thriller that held me captive until the last page. Can't wait to read the next one." -Dwayne Alexander Smith - FORTY ACRES. "An emotional roller coaster of a novel that manages to be profound, moving and completely surprising. A rarity for a thriller, BIG SLICK shocks you by exploring the mystery of the characters in addition to the situation they're trapped in." -Ato Essandoh - HBO's VINYL, DJANGO UNCHAINED, BLOOD DIAMOND, CBS's ELEMENTARY, BBC America's COPPER.
