Garcke's Manual

Vermont Legislative Directory and State Manual

"Summarizes the activities and products of a project that produced an updated version of Florida's Level of service manual, which has been subsequently published in final form. Other products included implementation software, training materials and a CD-ROM based version of the draft document as a multimedia demonstration. The final report also includes 14 working papers presenting the results of studies conducted in support of the recommended changes to the manual"--Technical report documentation page.
