Notes Critical, Explanatory and Practical on the Book of the Prophet Isaiah

Athanasiana Syriaca

Once upon a time...the Blood Sorcerer vanquished the kingdom of Elden. To save their children, the queen scattered them to safety and the king filled them with vengeance. Only a magical timepiece connects the four royal heirs...and time is running out.... As the dark Lord who condemns souls to damnation in the Abyss, Micah is nothing but a feared monster wrapped in impenetrable black armor. He has no idea he is the last heir of Elden, its last hope. Only one woman knows—the daughter of his enemy. Liliana is nothing like her father, the Blood Sorcerer who'd cursed Micah. She sees past Micah's armor to the prince inside. A prince whose sinful touch she craves. But first she has to brave his dark, dangerous lair and help him remember. Because they only have till midnight to save Elden.

But there was nowhere Carmen could hide from this prince of Judar. No stone he wouldn't turn to find her, no wall he couldn't tear down. Nothing would stop Farooq Aal Masood from claiming the mother of his baby. She had betrayed him. And she would pay. In his bed. As his wife...until he tired of her. And though Carmen professed to love him, that it was all a misunderstanding, well...Farooq would never fall for her lies again!

Lord Lytton's Novels: Rienzi

In this companion to Initiation in the Aeon of the Child, now available in paperback, author J. Daniel Gunther provides detailed and cohesive analysis of the two major spiritual crises in the career of the aspirant in the Aeon of the Child—the Knowledge & Conversation of the Holy Guardian Angel and the Crossing the Abyss between the divine realms and the human. Expounding on the sublime Formulas of Initiation confronting those who would aspire to these Mysteries, the author draws deeply from Jungian psychology, world mythology and religion, and the doctrines of the classic Mystery traditions, explaining how the revelations of Thelema apply to the individual. The Angel & The Abyss is written in clear, precise language that will aid those students who seek to navigate the difficult terrain of this advanced stage of the Spiritual quest. More knowledgeable students will find tantalizing clues to serve as guideposts and eventual confirmations of their direct experience. The book offers copious illustrations including some in full color and numerous diagrams. It features detailed references that encompass ancient Egyptian hieroglyphic texts, the Old and New Testaments, the Apocrypha, Greek philosophy, alchemy, hermetic qabalah, and tarot, as well as the writings of Carl Jung, Eric Neumann and Aleister Crowley.

The Wisdom of the Desert was one of Thomas Merton's favorites among his own books—surely because he had hoped to spend his last years as a hermit. The personal tones of the translations, the blend of reverence and humor so characteristic of him, show how deeply Merton identified with the legendary authors of these sayings and parables, the fourth-century Christian Fathers who sought solitude and contemplation in the deserts of the Near East. The hermits of Scete who turned their backs on a corrupt society remarkably like our own had much in common with the Zen masters of China and Japan, and Father Merton made his selection from them with an eye to the kind of impact produced by the Zen mondo.

The fabled desert kingdom of Zulheina was Tariq's birthright, and he was a man who held tightly what belonged to him. And

that meant he had to reclaim a very special woman—the woman who had broken his heart years before in New Zealand. And once he had lured her to this distant land, he meant to keep his new bride here forever... BUT Jasmine Coleridge was not as easily tamed as he had imagined. Her beguiling blend of untouched innocence and dazzling sensuality threatened, once again, to bring the haughty sheikh to his knees—and made him wonder who was the true prisoner....

"A Voice Crying Out in the Desert honors Father Barnabas Mary Ahern, C.P. (1915-1995), whose career as a biblical scholar culminated at Vatican II. It was preceded by an outstanding ministry in scriptural studies both in the United States and around the world and followed by intense involvement in postconciliar implementation within the secretariats in Rome." "Father Ahern has been called the leading American biblical scholar in the 1950s and 1960s. These reflections attempt to carry on, in terms of contemporary scholarship, what he so adroitly initiated several decades ago."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
