### Vampyres of Hollywood

Those stories you hear? The ones about things that only come out at night? Things that feed on blood, feed on us? Got news for you: they're true. Only it's not like the movies or old man Stoker's storybook. It's worse. Especially if you happen to be one of them. Just ask Joe Pitt. There's a shambler on the loose. Some fool who got himself infected with a flesh-eating bacteria is lurching around, trying to munch on folks' brains. Joe hates shamblers, but he's still the one who has to deal with them. That's just the kind of life he has. Except afterlife might be better word. From the Battery to the Bronx, and from river to river, Manhattan is crawling with Vampyres. Joe is one of them, and he's not happy about it. Yeah, he gets to be stronger and faster than you, and he's tough as nails and hard to kill. But spending his nights trying to score a pint of blood to feed the Vyrus that's eating at him isn't his idea of a good time. And Joe doesn't make it any easier on himself. Going his own way, refusing to ally with the Clans that run the undead underside of Manhattan—it ain't easy. It's worse once he gets mixed up with the Coalition—the city's most powerful Clan—and finds himself searching for a poor little rich girl who's gone missing in Alphabet City. Now the Coalition and the girl's high-society parents are breathing down his neck, anarchist Vampyres are pushing him around, and a crazy Vampyre cult is stalking him. No time to complain, though. Got to find that girl and kill that shambler before the whip comes down . . . and before the sun comes up.

### The Mysteries of the Court of London

Outnumbered, outsmarted and desperate, the hunters are on the run, pursued by the vampirez, the police, and an angry mob. With their enemies clamoring for blood, the vampires prepare for a deadly battle. Is this the end for Darren and his allies?

Book ,1 Searching for Faith, is free right now! Get it before it's no longer available. A gripping psychological thriller full of heart-stopping twists and a surprise ending you won't see coming, from NY Times Bestselling Author, Kristen Middleton. "Grabs your mind and won't let go." - Amazon Reviewer "I started this book a little late in the evening and stayed up until 4 am when I had to go to bed. Didn't want to stop. Actually had me talking to myself. Loved it. Great read, Ms. Middleton. Can't wait to read more." - Amazon Reviewer Your worst nightmare as a parent - having your child stolen when your back is turned. What lengths would you go to get your son or daughter back? An eight-year-old girl abducted by sex traffickers A distraught mother riddled with guilt for taking her eyes off of her daughter. A man close to both of them guilty as sin. Psychic Carissa Jones is once again pulled into a case this one involving the sordid and terrifying world of child trafficking. A compelling, gripping thriller with an ending that you will not see coming. Perfect for fans of Kay Hooper, Nora Roberts, Heather Graham, and Iris Johansen. ## **The London Journal**

In this gripping Gothic drama of the 1840s, the bloodthirsty title character repeatedly dies but is reborn and forced to renew his relentless search for victims. Volume 2 of 2.

## **Awaken**

## **The London Journal: and Weekly Record of Literature, Science, and Art**

#1 New York Times Bestselling author - The spellbinding classic that started it all - Book I of the Vampire Chronicles Here are the confessions of a vampire. Hypnotic, shocking, and chillingly erotic, this is a novel of mesmerizing beauty and

astounding force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write. Praise for Interview with the Vampire “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune “Unrelentingly erotic . . . sometimes beautiful, and always unforgettable.”—Washington Post “If you surrender and go with her . . . you have surrendered to enchantment, as in a voluptuous dream.”—Boston Globe “A chilling, thought-provoking tale, beautifully frightening, sensuous, and utterly unnerving.”—Hartford Courant

### **Already Dead**

### **The Vampyre**

Infamous poet Lord Byron comes to life with incendiary brilliance in this spellbinding blend of gothic imagination and documented fact. Wandering in the mountains of Greece, the supreme sensualist is drawn to the beauty of a mysterious fugitive slave; soon he is utterly entranced, and his fate is sealed. He embarks on a life of adventure even his genius could not have foreseen; chosen to enjoy powers beyond those any vampire has ever known, Byron traverses the centuries and enters a dark, intoxicating world of long-lost secrets, ancient arts and scorching excesses of evil. But Byron's gift is also his torment: an all-consuming thirst that withers life at the root, damning all those he loves. With its impeccable scholarship and breathtaking storytelling, THE VAMPYRE is a wonderful combination of fact and fantasy.

### **Dracula**

“Upon her neck and breast was blood, and upon her throat were the marks of teeth having opened the vein: - to this the men pointed, crying, simultaneously struck with horror, "a Vampyre, a Vampyre!"” John Polidori's classic tale of the vampyre was a product of the same ghost-story competition that produced Mary Shelley's Frankenstein. Set in Italy, Greece, and London, Polidori's tale is a reaction to the dominating presence of his employer Lord Byron, and transformed the figure of the vampire from the bestial ghoul of earlier mythologies into the glamorous aristocrat whose violence and sexual allure

make him literally a 'lady-killer'. Polidori's tale introduced the vampire into English fiction, and launched a vampire craze that has never subsided. `The Vampyre' was first published in 1819 in the London New Monthly Magazine. The present volume selects thirteen other tales of the macabre first published in the leading London and Dublin magazines between 1819 and 1838, including Edward Bulwer's chilling account of the doppelganger, Letitia Landon's elegant reworking of the Gothic romance, William Carleton's terrifying description of an actual lynching, and James Hogg's ghoulish exploitation of the cholera epidemic of 1831-2. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

## **The Vampyre and Other Tales of the Macabre**

### **Vampyre 2000: Ill of the Dead**

Macdonald offers a look at the Romantic period framed around the life of Polidori, doctor, novelist, and student of religion, the law, politics, and philosophy. He explains how Polidori fashioned his vampire after his employer, Lord Byron--the aristocrat, traveller, and seducer--a version that differs greatly from the vampire of folklore. Annotation copyrighted by Book News, Inc., Portland, OR

### **Dead Guy Spy**

The goal of this anthology is to present a wealth of poetry, prose, and drama from the full sweep of the literary history of the British Isles and its empire, and to do so in ways that will bring out both the works' original cultural contexts and their lasting aesthetic power.-Pref.

### **Already Dead**

### **My Dead Body**

In this second installment of the hilarious Nathan Abercrombie, Accidental Zombie series by popular author David Lubar, fifth-grader Nathan Abercrombie becomes the world's first zombie spy. Nathan Abercrombie is getting used to his rotten life

as a half-dead zombie. The good thing is he doesn't feel any pain. The bad thing is his body can't heal, so he has to be really careful not to break anything. But that's hard to do when his wrestling-obsessed gym teacher, Mr. Lomux, matches him up with Rodney the bully, who's looking for any excuse to break his bones. Then one day, Nathan is approached by the secret organization B.U.M.—aka the Bureau of Useful Misadventures—which offers him a cure in exchange for his help. Nathan jumps at the chance to become the world's first zombie spy, but soon discovers that B.U.M. isn't quite what it seems. Can Nathan trust them? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

### **An Unattractive Vampire**

Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire.

## **The Century Dictionary and Cyclopedia: The Century dictionary prepared under the superintendence of W. D. Whitney**

Nobody lives forever. Not even a Vampyre. Just ask Joe Pitt. After exposing the secret source of blood for half of Manhattan's Vampyres, he's definitely a dead man walking. He's been a punching bag and a bullet magnet for every Vampyre Clan in Manhattan, Brooklyn, and the Bronx, not to mention a private eye, an enforcer, an exile, and a vigilante, but now he's just a target with legs. For a year he's sloshed around the subway tunnels and sewers, tapping the veins of the lost, while above ground a Vampyre civil war threatens to drag the Clans into the sunlight once and for all. What's it gonna take to dig him up? Just the search for a missing girl who's carrying a baby that just might be the destiny of Vampyre-kind. Not that Joe cares all that much about destiny and such. What he cares about is that his ex-girl Evie wants him to take the gig. What's the risk? Another turn playing pigeon in a shooting gallery. What's the reward? Maybe one shot of his own. What's he aiming for? Nothing much. Just all the evil at the heart of his world.

## **Interview with the Vampire**

## **Film Review**

## **'The Vampyre' and Other Writings**

## **Vampires, Burial, and Death**

"Franklin Charles Bishop's introduction illuminates the context in which *The Vampyre* was written, deepening our understanding of Romanticism and the Gothic."--Jacket.

## **The Lady of Serpents**

One of the main ideas behind writing *Vampyre 2000: Life to the Lifeless* was to show that if vampires actually existed, how one might live his life today. Cornelius, the main character, is a two hundred year old vampire who conducts business in the downtown of a major American metropolis. I set out to write a realistic story about his past and how he interacted and

survived in the twenty first century. We saw him fall in love with a human female. We also saw how, because of his involvement with her, he was forced to protect her and ultimately save her life. Now, in *Vampyre 2000: Ill of the Dead*, Rita has become vampyre. Again, seeking a realistic treatment of the story, the reader will learn that the transition, for her, is not an easy one. The dark lifestyle and harsh reality of being a vampire soon fills Rita with regret and she rejects the way that she is forced to live her new life. In this story we will see Rita question the choices that she has made and decide on how she intends to embrace her future of being undead. Sometimes, the afterlife isn't always happily ever after. In the end, her transformation from a frightened and timid vampire to a powerful and confident creature of the night is sure to excite and intrigue you.

### **Club Vampyre**

The New York Times Best Seller #1 April LibraryReads Pick April Indie Next Pick Goodreads Big Book of Spring Steel Magnolias meets Dracula in this '90s-set horror novel about a women's book club that must do battle with a mysterious newcomer to their small Southern town, perfect for murderinos and fans of Stephen King. Patricia Campbell's life has never felt smaller. Her husband is a workaholic, her teenage kids have their own lives, her senile mother-in-law needs constant care, and she's always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings they're as likely to talk about the Manson family as they are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor, bringing the neighbor's handsome nephew, James Harris, into her life. James is well traveled and well read, and he makes Patricia feel things she hasn't felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt. The real problem? James is a monster of a different kind—and Patricia has already invited him in. Little by little, James will insinuate himself into Patricia's life and try to take everything she took for granted—including the book club—but she won't surrender without a fight in this blood-soaked tale of neighborly kindness gone wrong.

### **The Century Dictionary and Cyclopedia**

Discusses the life and Dracula writings of British horror writer Bram Stoker. Includes his influences and sources and the history of the work's publication.

### **Monsieur L'Vampyre and Friends**

In his Preface to *The Living Dead: A Study of the Vampire in Romantic Literature*, James Twitchell writes that he is not interested in the current generation of vampires, which he finds "rude, boring and hopelessly adolescent. However, they have not always been this way. In fact, a century ago they were often quite sophisticated, used by artists varied as Blake, Poe, Coleridge, the Brontes, Shelley, and Keats, to explain aspects of interpersonal relations. However vulgar the vampire has since become, it is important to remember that along with the Frankenstein monster, the vampire is one of the major mythic figures bequeathed to us by the English Romantics. Simply in terms of cultural influence and currency, the vampire is far more important than any other nineteenth-century archetypes; in fact, he is probably the most enduring and prolific mythic figure we have. This book traces the vampire out of folklore into serious art until he stabilizes early in this century into the character we all too easily recognize.

### **Night of the Harvest Moon : Vampyre**

Night Of The Harvest Moon: Vampyre is a gothic horror narrative, one that delves deeply into the souls of its characters. The tale begins in the late 1800's in Central Europe, primarily Moldavia and Transylvania and expands to London and Sweden. Harvest Moon is a story of immense reprisals, hatred, and passion. Sorcery, demonology, and religion are essential elements that interweave within the physical and supernatural planes of existence of all those involved. The Vampyre learns of ancient knowledge that existed long before Egyptian civilization, the Ta Merians. The nosferatu also learns of other dimensions and secrets of man and god, another race of beings before the existence of humankind. With this knowledge

the Vampyre's revenge is set in place with hatred that far surpasses that of, She-Who-Must-Be-Obeyed and Kremhild of the Die Nibelungen, and the avenger of Siegfried. The Command Demon, Karcist and Rulers of the North and South Airs, Azazel and Pazuzu with the aid of the Bloodstone Ematille, are summoned by the antagonist Dijon. They are to do his bidding in the Circle Of Magic for one sole purpose: the sacrifice of human life in order to gain his immortal existence.

## **The Southern Book Club's Guide to Slaying Vampires**

Vampyre's Pyre was a work long in the making. For as long as I could remember I had a fascination with these fictional beings. They always brought thoughts of cobblestone streets at night, lit by gaslight. The sound of hoof beats growing louder. In my mind I saw them also rampant and wild in forests, reclusive, seductive. I had never really considered them something to be feared. Well, not until There is more to their lore than meets the eye. They are continually elusive, one might say. But that's when the question becomes clear. Are they possibly near?

## **Varney the Vampyre**

Hollywood, California: three gruesome deaths within two weeks and every one of them a major star - an Oscar winner, an ingénue, and an action hero. A serial killer is working through the Hollywood A-list and celebrities are running scared. Each crime scene is worthy of a classic horror movie, and all three victims share a connection to the powerful scream queen, Ovsanna Moore. The stunning and formidable Moore is the legendary head of a Hollywood studio, as well as the writer and star of seventeen blockbuster horror films (and a few that went straight to DVD). She's also a 500 year old vampyre but this is Hollywood after all, and no one ever looks their age. Beverly Hills Police Detective Peter King knows a lot about the City of Angels, but he certainly doesn't know that most of the famous actors in town are actually an established network of vampires. Or that secretive and seductive Ovsanna Moore happens to be their CEO. Moore and King may be from opposite sides of the Hollywood Hills, but both have something to gain by stopping the killer who the tabloids have dubbed the Cinema Slayer. Ovsanna must protect her vampire legacy and her production schedule, while King just wants to keep his Beverly Hills beat as blood-free as possible. But when the horror queen and the cop with the movie star looks form an unholy alliance, sparks fly and so do the creatures of the night. Film, television and Broadway star Adrienne Barbeau and New York Times bestselling author Michael Scott have teamed up to deliver this sexy, scary, and deliciously clever novel full of Hollywood glamour, behind-the-scenes secrets, and the truly bloodthirsty reality of Tinseltown. So grab some popcorn and some holy water and lose yourself in the high-stakes, back-stabbing world of the Vampyres of Hollywood.

## **The Longman Anthology of British Literature**

## **Vampyre's Pyre**

"A darned good read finished it in one sitting. Charming characters I'd love to visit again." — Lynsay Sands, New York Times best-selling author of The Argeneau series "Thought vampires were dead? Well of course they are, but Jim McDoniel proves that don't have to be boring. Or sparkly." — Veronica Belmont and Tom Merritt, Sword & Laser Jim McDoniel's debut novel, *An Unattractive Vampire*, is a darkly comic urban fantasy of ancient horrors in suburban cities. After three centuries trapped underground, thousand-year-old Yulric Bile—also known as the Curséd One, the Devil's Apprentice, He Who Worships the Slumbering Horrors—awakens only to find that no one believes he is a vampire. Apparently he's just too ugly—modern vampires, he soon discovers, are pretty, weak, and, most disturbing of all, good. Determined to reestablish his bloodstained reign, Yulric sets out to correct this disgusting turn of events or, at the very least, murder the person responsible. With the help of pert vampire-wannabe Amanda; Simon, the eight-year-old reincarnation of his greatest foe; and a cadre of ancient and ugly horrors, Yulric prepares to battle the glamorous undead. But who will win the right to determine, once and for all, what it truly means to be a vampire?

## **Poor Polidori**

In the small town of Warwick, Massachusetts, Natalie Korps unexpectedly makes new friends. Little does she know, her new posse is made up of several inhuman beings and it's too late to get out. She finds herself becoming like them and having to kill an entire group of torturous murderers. However, in order to have enough power to kill the clan, she must undergo a ceremony to awaken her inner spirit. This ritual will either unleash the spirit of the slayer from within, which she was in her past life, or push her spirit over the edge. Scarlett Kay was born in Atlanta,

## **The Living Dead**

To end the sorceress Enora's reign of terror, Aleric-prophesied messiah of the vampyre-must find the alchemist behind her power. Though that may mean unleashing Pythia, the Lady of Serpents-Aleric's old enemy, and the seductress who ended his mortal life.
