CAMION NOIR

In this true crime classic, out of print since 1981, Lucky Luciano remains a mythical underworld figure.

Liberté

The Godfather

Opera can reveal something fundamental about a film, and film can do the same for an opera, argues Marcia J. Citron. Structured by the categories of Style, Subjectivity, and Desire, this volume advances our understanding of the aesthetics of the opera/film encounter. Case studies of a diverse array of important repertoire including mainstream film, opera-film, and postmodernist pastiche are presented. Citron uses Werner Wolf's theory of intermediality to probe the roles of opera and film when they combine. The book also refines and expands film-music functions, and details the impact of an opera's musical style on the meaning of a film. Drawing on cinematic traditions of Hollywood, France, and Britain, the study explores Coppola's Godfather trilogy, Jewison's Moonstruck, Nichols's Closer, Chabrol's La Cérémonie, Schlesinger's Sunday, Bloody Sunday, Boyd's Aria, and Ponnelle's opera-films.

Scarface: The Novel. the Legend.

"In 1970s Italy, crime films were the most popular, profitable and controversial genre. The product of a country plagued with violence, political tensions and armed struggle, these films managed to capture and convey the widespread anxiety and anger in their tales. This book includes all the crime films produced in Italy between 1968 and 1980"--

Bound by Honor

Britain and France each produced a powerful but different response to youthful aspirations during the 1960s. Now, authors from both sides of the Channel focus on the two countries and the exchanges between them to reveal a new vision of the decade.

Les 100 films de l'histoire du cinéma

Le Nouvel observateur

Never-before-seen photos of Coppola's masterpiece Selections from photographer Steve Schapiro's archives provide an insider's view of the making of the legendary trilogy. This edition is limited to 1,000 copies, each numbered and signed by Steve Schapiro. Imagine the experience of witnessing renowned actors as they made their most memorable performances. Steve Schapiro has had such a privilege as special photographer on some of American cinema's most beloved movies. For Francis Ford Coppola's Godfather trilogy, he immortalized actors such as Marlon Brando, Al Pacino, Robert De Niro, James Caan, Robert Duvall, and Diane Keaton. Brought together in a book for the first time is a vast selection of images from all three Godfather films, selected from Schapiro's archives. This lavish, limited edition book allows fans a privileged peek behind the scenes in the world of making film history.

Massin. Ediz. Inglese

A fictionalization of the rise of American gangster Al Capone, first published in 1930.

Le cinéma américain

Classés par ordre alphabétique de titre, cent films français ou étrangers qui ont marqué l'histoire du cinéma.

La Mafia à Hollywood

Dictionnaire du Cinéma américain

Le cinéma américain s'invente tous les jours. Et l'Amérique avec lui, dans une aventure où les images touchent au réel en le faisant apparaître sous la forme intensément vécue du mythe. Loin du rêve hollywoodien, il est aujourd'hui multiple, puissant et sans refuge, traversé d'œuvres singulières qui poursuivent la conquête d'un pays dont le cinéma reste la frontière et l'horizon. Olivier-René Veillon poursuit ici l'entreprise engagée avec le Cinéma américain. Les années trente et le Cinéma américain. Les années cinquante, publiés dans la même collection : faire l'histoire du cinéma américain à travers chacune des œuvres qui en éclairent la constellation.

Magazine littéraire

1933. New York est frappé par la Grande Dépression. Les familles du crime ont prospéré et quadrillent tous les quartiers de la ville, mais la fin prochaine de la prohibition menace de dissoudre leur entente : une seule de ces familles pourra prendre la tête de la Mafia, condamnant toutes les autres à une fin violente. Homme d'affaires à succès aux yeux de sa femme et de ses enfants, Vito Corleone va devoir tomber le masque de la respectabilité face à la guerre qui s'annonce. Avec l'aide de ses plus fidèles hommes de main, il va devenir le tout-puissant Don Corleone " Force de la tradition, corruption, rivalité, loyauté, amour et trahison : dans ce préquel sont réunis tout ce qui a fait du Parrain un classique moderne et un film devenu culte. " Figaroscope

The Macmillan Dictionary of Films and Filmmakers: Films

Livres de France

No one can tell the true story of the Mafia in America better than Bill Bonanno. He was there. He lived it. Bill Bonanno was born into a world of respect, tradition, and honor. The son of legendary mafioso Joe Bonanno, Bill was a "made" member of the Mafia by the time he was in his early twenties. He was rumored to be the model for The Godfather's Michael Corleone and was the subject of Gay Talese's best-selling Honor Thy Father. Now retired, Bill is finally ready to give an eyewitness account of his life as a high-ranking captain in the Bonanno crime family, one of America's most powerful Mafia syndicates. He takes you inside the mob at its peak, when New York's Five Families-Bonanno, Gambino, Colombo, Lucchese, and Genovese-not only dominated local businesses, but also controlled national politics. For the first time, Bill Bonanno discloses the machinations behind his marriage to Rosalie Profaci (niece of the powerful don Joe Profaci), and even that cemented the alliance between the two Families with all the pomp and circumstance of a royal wedding. From the truth about the mysterious disappearance of his father to a startling disclosure about the mob's participation in the Kennedy assassination, Bill Bonanno lays bare the inner workings of his chaotic, violent, and surprisingly human world with unparalleled detail and insight. Bound By Honor not only recounts Bill Bonanno's tumultuous life, but also is an engrossing chronicle of organized crime. Bonanno's story provides a remarkable glimpse into all of the intriguing personalities of the underworld of yesterday to today, from Bugsy Siegel to John Gotti. This book is a must for readers of Mario Puzo, Gay Talese, Nicholas Pileggi, and others who have written about the Mafia, but who have never been in the eye of the storm in quite the same way as Bill Bonanno in Bound By Honor.

La Revue du cinéma

An explosive, non-stop thriller following one man's trail of violence across post-war Europe from the bestselling author of *The Godfather*. Michael Rogan was an intelligence officer behind enemy lines in World War II. But he made the mistake of falling in love, which gave him something to lose—or to be taken from him.

Captured by the Nazis, Michael was treated as an experiment. A piece of meat. A subject upon which his captors committed atrocity upon atrocity. But not before they did the same to his wife—and unborn son. He's lived with the horror of that experience for ten years. Now, Michael Rogan has returned to Europe to find the men who tortured him. And he's going to make sure that they never have to live with the horror as he did. They will die with it. First published under a pseudonym in 1967, *Six Graves to Munich* was Mario Puzo's literary predecessor to his legendary novel, *The Godfather*. In this unsung classic, Puzo's trademark unflinchingly stark writing style, vivid descriptive skill, and relentless pace are exemplified in the genre of the spy novel. In his hands, the classic tale of revenge becomes a haunting study of humanity at its most visceral, offering a glimpse into a damaged soul whose only remaining purpose for living is to kill.

Vingtième siècle

L'histoire vraie de Salvatore Giuliano, bandit sicilien au grand coeur dans la Sicile de l'après-guerre. Parmi les seconds rôles importants, un dénommé Michael Corleone, fils du célèbre Parrain.

A Century of French Best-sellers (1890-1990)

A portrait of a Mafia family focuses on the life and times of patriarch Don Vito Corleone, a Sicilian-American godfather, and his sons.

The Godfather

Qui n'a pas en tête des images du trio Hopper-Fonda-Nicholson dans *Easy Rider*, sur fond de riffs signés Steppenwolf ? Des images d'hélicoptères et de napalm magnifiées par (et magnifiant) le « The End » des Doors ? Il suffit de voir une seule fois Martin Sheen danser dans sa chambre d'hôtel au début d'*Apocalypse Now* ou Marlon Brando, en colonel Kurtz ivre de folie mystique, à la fin du même film, pour s'en souvenir indéfectiblement. Pourquoi Sorcese a filmé les Stones ? Et comment ces images et ces musiques se développent et se transmettent de façon virale dans l'imaginaire du panthéon contre-culturel ? Eh bien, c'est ce que Franck Buioni détaille avec passion, brio et force anecdotes dans cet ouvrage magistral. « I love the smell of napalm in the morning ! » Ça tombe bien, ce livre dédié aux « réalisateurs de l'extrême » est écrit au palmitate de sodium... Sébastien Raizer, *Camion Noir*.

The Godfather Family Album

The Sixties

La Famille Corleone

Omerta

How to explain the enduring appeal of the The Godfather film and its two sequels? This book, *The Godfather*, concentrates on the elements that combined, against all odds, to make the Paramount production so successful when it appeared in 1972: the screenplay from Mario Puzo's bestselling novel; a cast of actors who, apart from Marlon Brando, had not yet achieved celebrity; the vivid locations in New York and Sicily; and the inspired direction of Francis Ford Coppola (only 31 years old when shooting commenced). Film historian and *The Godfather* aficionado Peter Cowie - who's written extensively on Francis Ford Coppola - delves deep into the trilogy's history. With the help of many previously unseen behind-the-scenes images from the Paramount Archives, Cowie explores the filming and editing process, as well as the trilogy's critical reception upon release.

The Godfather

Le sang des Borgia

Don Corleone is the Godfather, head of one of the richest families in New York and a gangster. His favourite son Michael is a lawyer who wants to lead a quiet life, but when Don Corleone is nearly killed by a rival Mafia family, Michael is soon drawn into the family business.

The Godfather Notebook

THE PUBLISHING SENSATION OF THE YEAR FOR EVERY FILM FAN The never-before-published edition of Francis Ford Coppola's notes and annotations on *The Godfather* novel by Mario Puzo reveals the story behind one of the world's most iconic films. The most important unpublished work on one of the greatest films of all time, *The Godfather*, written before filming, by the man who wrote and directed it—Francis Ford Coppola, then only thirty-two years old—reveals the intense creative process that went into making this seminal film. With his meticulous notes and impressions of Mario Puzo's novel, the notebook was referred to by Coppola daily on set while he directed the movie. *The Godfather Notebook* pulls back the curtain on the legendary filmmaker and the film that launched his illustrious career. Complete with an introduction by Francis Ford Coppola and exclusive photographs from on and off the set, this is a unique, beautiful, and faithful reproduction of Coppola's original notebook. This publication will change the way the world views the iconic film—and the process of filmmaking at large. A must-have book of the season. Nothing like it has ever been published before

Le point

Aux yeux de ses voisins, Don Corleone est un patriarche, un respectable père de famille qui a su donner à ses enfants une éducation où les rigoureux principes de

la morale sicilienne s'adaptent aux nécessités de la vie américaine. Mais sa vraie famille est plus vaste ; c'est une des " familles " de la Mafia dont il est un des chefs les plus aimés, mais aussi les plus respectés, car il est raisonnable et juste. Pour eux, il est le Parrain. Le Parrain, c'est l'évocation d'un monde souterrain qui sape les fondations de l'Amérique, d'une pègre redoutable que la société voudrait ignorer, mais que de retentissants scandales ne cessent de révéler au grand jour. De New York à Las Vegas, des somptueuses villas de Hollywood au maquis de Sicile, voici le portrait d'une nation gangrenée par ses syndicats du crime, sa guerre des gangs et ses puissances occultes.

Le Sicilien

De Scarface et Psychose à Basic Instinct ou Pulp Fiction, le cinéma américain, diffusé dans l'ensemble du monde, sert de miroir à une violence dont on entend souvent dire qu'elle n'a pas d'équivalent dans les civilisations européennes. De fait, de sanglants conflits ont forgé le destin de la première démocratie de l'ère moderne. La violence jalonne la conquête de l'Ouest, affecte les relations interraciales et accompagne les crises majeures de la société, comme en témoignent les lynchages par le Ku Klux Klan, les attentats anarchistes, les émeutes dans les ghettos et les raids des partisans de la suprématie blanche. Plus généralement, la civilisation américaine, c'est celle, qui peut nous paraître étrangère, de la vente libre des armes, de la peine capitale et des syndicats du crime. Alors, la violence serait-elle l'irréductible envers du rêve américain ? C'est à cette question qu'il faut tenter de répondre, car la réalité ne peut se réduire à des constats sommaires ou à des jugements péremptoires. Ce livre a donc pour objet de dresser un exact état des lieux, au-delà des métaphores et des stéréotypes véhiculés par la culture de masse, mais au plus près de la vie sociale, culturelle et politique des États-Unis. Daniel Royot est professeur émérite de civilisation américaine à la Sorbonne Nouvelle. Ses études publiées tant en France qu'outre-Atlantique portent sur la société, la culture et la littérature des États-Unis. Il est notamment le co-auteur, avec Philippe Jacquin, de *Go West. Histoire de l'Ouest américain* (2002) et de *Le Peuple américain* (2000). Son *Histoire et civilisation des États-Unis*, écrit avec Jean Pierre Martin, a été réédité en 2003.

When Opera Meets Film

A wickedly funny collection of personal essays from popular NPR personality Sarah Vowell. Hailed by Newsweek as a "cranky stylist with talent to burn," Vowell has an irresistible voice -- caustic and sympathetic, insightful and double-edged -- that has attracted a loyal following for her magazine writing and radio monologues on *This American Life*. While tackling subjects such as identity, politics, religion, art, and history, these autobiographical tales are written with a biting humor, placing Vowell solidly in the tradition of Mark Twain and Dorothy Parker. Vowell searches the streets of Hoboken for traces of the town's favorite son, Frank Sinatra. She goes under cover of heavy makeup in an investigation of goth culture, blasts cannonballs into a hillside on a father-daughter outing, and maps her family's haunted history on a road trip down the Trail of Tears. *Take the Cannoli* is an eclectic tour of the New World, a collection of alternately hilarious and heartbreaking essays and autobiographical yarns.

Italian Crime Filmography, 1968-1980

Le Parrain

"Robert Massin (b. 1925), the celebrated French graphic artist, art director, typographer and writer, has made a remarkable contribution to the history of book design. He has worked as a graphic designer in Paris since the 1950s, and spent and twenty years as art director for the pre-eminent French publisher Gallimard. This is the first comprehensive monograph published in English to explore Massin's impressive body of work. It present an essential portfolio of his career to date, examining in detail themilestones of his professional life. Laetitia Wolff charts his wide-ranging career with detailed discussion of some of his most inventive and exciting projects. The book is a result of many conversations between the author and the artist, and is richly illustrated with almost five hundred images, many of which are taken from Massin's personal archives and published here for the first time, including books, layouts, posters, preparatory sketches and letters."--BOOK JACKET.

Six Graves to Munich

The Last Testament of Lucky Luciano

Le fabuleux tournage d'Autant en emporte le vent

Élu pape en 1492 sous le nom d'Alexandre IV, Rodrigo Borgia fut l'une des plus extraordinaires fripouilles de son époque. Avant de servir Dieu, le nouveau souverain pontife cherche d'abord à servir les siens, à commencer par ses enfants, Juan, César, Geoffroi et Lucrece. Mais sa position dominante et son népotisme vont susciter des jalousies, qui bientôt deviennent meurtrières En cette Italie de la Renaissance, intrigues, complots et empoisonnements ne sont pas de vains mots ! À la mort de Rodrigo, l'ennemi de la famille, le Cardinal della Rovere lui succède. Et c'est tout le clan Borgia qui se trouve en danger. César, qui inspirera à Machiavel le personnage du Prince, se réfugie à Naples avant de fuir en Espagne, où il sera fait prisonnier. Mais, bien décidé à retrouver le statut qui était le sien, il s'évade et ourdit sa vengeance Don Corleone n'avait rien inventé ! Première édition : l'Archipel, 2002.

Take the Cannoli

History of the Book in Canada: 1918-1980

Le dossier du Parrain et autres textes

THE FINAL CHAPTER IN MARIO PUZO'S LANDMARK MAFIA TRILOGY Mario Puzo

spent the last three years of his life writing *Omerta*, the concluding installment in his saga about power and morality in America. In *The Godfather*, he introduced us to the Corleones. In *The Last Don*, he told the wicked tale of the Clericuzios. In *Omerta*, Puzo chronicles the affairs of the Apriles, a family on the brink of legitimacy in a world of criminals. Don Raymonde Aprile is an old man wily enough to retire gracefully from organized crime after a lifetime of ruthless conquest. Having kept his three children at a distance, he's ensured that they are now respectable members of the establishment: Valerius is an army colonel who teaches at West Point, Marcantonio is an influential TV network executive, and Nicole is a corporate litigator with a weakness for pro bono cases to fight the death penalty. To protect them from harm, and to maintain his entrée into the legitimate world of international banking, Don Aprile has adopted a "nephew" from Sicily, Astorre Viola, whose legal guardian made the unfortunate decision to commit suicide in the trunk of a car. Astorre is an unlikely enforcer—a macaroni importer with a fondness for riding stallions and recording Italian ballads with his band. Though Don Aprile's retirement is seen as a business opportunity by his last Mafia rival, Timmona Portella, it is viewed with suspicion by Kurt Cilke, the FBI's special agent in charge of investigating organized crime. Cilke has achieved remarkable success in breaking down the bonds between families, cultivating high-ranking sources who in return for federal protection have violated *omerta*—Sicilian for "code of silence," the vow among men of honor that, until recently, kept them from betraying their secrets to the authorities. As Cilke and the FBI mount their campaign to wipe out the Mafia once and for all, Astorre Viola and the Apriles find themselves in the midst of one last war, a conflict in which it is hard to distinguish who, if anyone, is on the right side of the law, and whether mercy or vengeance is the best course of action. Rich with suspense, dark humor, and the larger-than-life characters who have turned Mario Puzo's novels into modern myths, *Omerta* is a powerful epitaph for the Mafia at the turn of a new century, and a final triumph for a great American storyteller.

Les États-Unis, civilisation de la violence ?

Le cinéma est américain par excellence. En 350 articles empruntés à l'Encyclopædia Universalis, ce dictionnaire en explore les richesses. De Bud ABBOTT à Fred ZINNEMANN, les réalisateurs ont la part belle dans notre sélection. Les producteurs, scénaristes et compositeurs, les studios et bien sûr les comédiennes et comédiens qui incarnent si brillamment l'histoire de Hollywood complètent la distribution. Sous la conduite des meilleurs guides (Marc Cerisuelo, André-Charles Cohen, Alain Garel, Joël Magny), le Dictionnaire Universalis du cinéma américain est le compagnon idéal de tous les cinéphiles, confirmés ou débutants.

Le parrain

The History of the Book in Canada is one of this country's great scholarly achievements, with three volumes spanning topics from Aboriginal communication systems established prior to European contact to the arrival of multinational publishing companies. Each volume observes developments in the realms of writing, publishing, dissemination, and reading, illustrating the process of a fledgling nation coming into its own. The third and final volume follows book

history and print culture from the end of the First World War to 1980, discussing the influences on them of the twentieth century, including the country's growing demographic complexity and the rise of multiculturalism. Crucial to creating a sense of identity during this period was the Royal Commission on National Development in the Arts, Letters and Sciences, whose report of 1951 led to the establishment of influential cultural institutions such as the Canada Council for the Arts and the National Library of Canada. Other key developments included the initiation and growth of library systems, the expansion of film, radio, and television, the burgeoning of children's literature, enhanced opportunities for writers, the Quiet Revolution in Quebec, and the rise of Canadian studies and Canadian literature as respected fields for teaching and research. In English Canada, mainstream book publishing flourished during the 1920s, suffered severely during the Depression, went through a period of renewal and advance after the Second World War, but became imperilled by the 1970s. Small literary presses and allophone publishers, in turn, grew increasingly significant during the 1960s, a decade in which Quebec's new cultural policies began to foster ongoing support for francophone book culture. In addition to telling the stories of Canada's recent book history, this volume pays due attention to multifarious developments in print culture, including book prizes, sports writing, pulp magazines, the alternative press, Coles Notes, the international success of Harlequin, and the unprecedented influence of *Les insolences du Frère Untel*, the famous cry for education reform in 1960s Quebec. Volume three of the *History of the Book in Canada* marks the successful completion of an extraordinary project that documents the country's achievements for generations of scholars and readers to come.
