No More Nice Girls

The bestselling coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world from the winner of the 2018 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers.

Luckily, Dr. Frankel can help you eliminate these unconscious mistakes that are holding you back and offer you coaching tips to nail your social and business skills. As you read, you’ll learn how to stop thinking like a girl and start thinking like a leader.

Nice Girls DO Get The Sale

The National Book Award finalist and debut novel by the bestselling author of *The Dinner Party*: "A readymade classic of the office-novel genre. . . . A truly affecting novel about work, trust, love, and loneliness." --Seattle Times No one knows us quite the same way as the men and women who sit beside us in department meetings and crowd the office refrigerator with their labeled yogurts. Every office is a family of sorts, and the ad agency Joshua Ferris brilliantly depicts in his debut novel is family at its strangest and best, coping with a business downturn in the time-honored way: through gossip, pranks, and increasingly frequent coffee breaks. With a demon's eye for the details that make life worth noticing, Joshua Ferris tells a true and funny story about survival in life's strangest environment--the one we pretend is normal five days a week.

Girl, Stop Apologizing

A gourmand's guide to the slim life shares the principles of French gastronomy, the art of enjoying all edibles in proportion, arguing that the secret of being thin and happy lies in the ability to appreciate and balance pleasures, not in deprivation, in a guide that includes inspirational true-life stories, simple advice, and dozens of delectable recipes. Reprint.

Women, Anger & Depression

The groundbreaking classic that explores how women can and should negotiate for parity in their workplaces, homes, and beyond When Linda Babcock wanted to know why male graduate students were teaching their own courses while female students were always assigned as assistants, her dean said: "More men ask. The women just don't ask." Drawing on psychology, sociology, economics, and organizational behavior as well as dozens of interviews with men and women in different fields and at all stages in their careers, *Women Don't Ask* explores how our institutions, child-rearing practices, and implicit assumptions discourage women from asking for the opportunities and resources that they have earned and deserve—perpetuating inequalities that are fundamentally unfair and economically unsound. *Women Don't Ask* tells women

how to ask, and why they should.

Ivy and Bean One Big Happy Family

"Elinor has an amazing way of communicating simple, basic techniques that make the scary topic of sales very accessible to everyone. She shares the secrets that made her a very successful salesperson, from creative approaches to getting appointments to the most effective way to close the sale." -Kim Fisher, Managing Director, eWomenNetwork
Written by a highly successful saleswoman, Elinor Stutz, this how-to book trains women in field-tested sales techniques that will launch them into the next level of success. They will discover how to use their natural relationship-building skills to close better deals with a higher percentage of business-making sales. They will find solid advice on building a network, dealing with management, prospecting, responding to client needs and managing a career, as well as solutions to problems like selling an unknown brand and getting through office gatekeepers to reach the decision makers. Nice Girls DO Get the Sale is perfect for all women in sales, whether experienced or not, and will have them passing their male counterparts on the corporate ladder in no time.

Nice Girls Don't Bite Their Neighbors

Madrigal's Magic Key to Spanish

Annie Barrows' bestselling chapter book series, Ivy & Bean, is a classroom favorite and has been keeping kids laughing—and reading—for more than a decade! With more than 5 million copies in print, Ivy & Bean return with a brand-new book for a new generation! Ivy & Bean are back . . . and they are funnier than ever! Ivy's worried. She's read a lot of books about only children, so she knows that they are sometimes spoiled rotten. They don't share their toys. They never do any work. They scream and cry when they don't get their way. Spoiler alert! Ivy doesn't have any brothers or sisters. That's why she's worried. How can she keep from getting spoiled? She could give away all her clothes, but she'd probably get in trouble. She could give away all her toys, but she likes her toys. There's really only one solution: she needs a baby sister, on the double! Luckily, Ivy and Bean know just where to get one.

People Magazine and Refinery29 Named a Most Anticipated Title of April 2018 by Bustle and Levo A Women@Forbes “Boss Moves Book Club” pick A candid guide for ambitious women who want to succeed without losing themselves in the process Fran Hauser deconstructs the negative perception of "niceness" that many women struggle with in the business world. If women are nice, they are seen as weak and ineffective, but if they are tough, they are labeled a bitch. Hauser proves that women don't have to sacrifice their values or hide their authentic personalities to be successful. Sharing a wealth of personal anecdotes and time-tested strategies, she shows women how to reclaim “nice” and sidestep regressive stereotypes about what a strong leader looks like. Her accessible advice and hard-won wisdom detail how to balance being empathetic with being decisive, how to rise above the double standards that can box you in, how to cultivate authentic confidence that projects throughout a room, and much more. THE MYTH OF THE NICE GIRL is a refreshing dose of forward-looking feminism that will resonate with smart, professional women who know what they want and are looking for real advice to take their career to the next level without losing themselves in the process.

Big Girls Don't Cry

Women around the world have responded to Cara Alwill Leyba's Girl Code with a resounding YES. Companies like Kate Spade and Macy's have brought her in to teach “the Code.” Inc. magazine named Girl Code one of the “Top 9 Inspiring Books Every Female Entrepreneur Should Read” alongside Lean In, #Girlboss, and Thrive. A few years ago, I made a crazy claim in the first edition of Girl Code: that in today's competitive marketplace, the fiercest thing a female entrepreneur can do is to support other women. Something dynamic happens when women genuinely show up for each other. When we lose the facades, cut the bullsh*t, and truly have each other's backs. When we stop pretending everything is perfect, and show the messy, beautiful parts of ourselves and our work—which all look awfully similar. When we talk about our fears, our missteps, and our breakdowns. And most importantly, when we share our celebrations, our breakthroughs, and our solutions. I'm convinced that there's no reason to hoard information, connections, or insight. Wisdom is meant to be shared, so let's start sharing what we've learned to make each other better. Let's start building each other up. Let's live up to our potential and start ruling the world. Girl Code is a roadmap for female entrepreneurs, professional women, “side hustlers” (those with a day job plus a part-time small business), and anyone in between. This book won't teach you how to build a multimillion-dollar company. It won't teach you about systems or finance. But it will teach you how to build confidence in yourself, reconnect with your “why,” eradicate jealousy, and ultimately learn the power of connection. Because at the end of the day, that's what life and business are all about.

Nice Girls Finish First

'My first serious blackout marked the line between sanity and insanity. Though I would have moments of lucidity over the

Read Online Nice Girls Dont Get The Corner Office Unconscious Mistakes Women Make That Sabotage Their Careers A Nice Girls Book

coming days and weeks, I would never again be the same person ' Susannah Cahalan was a happy, clever, healthy twenty-four-year old. Then one day she woke up in hospital, with no memory of what had happened or how she had got there. Within weeks, she would be transformed into someone unrecognizable, descending into a state of acute psychosis, undergoing rages and convulsions, hallucinating that her father had murdered his wife; that she could control time with her mind. Everything she had taken for granted about her life, and who she was, was wiped out. Brain on Fire is Susannah's story of her terrifying descent into madness and the desperate hunt for a diagnosis, as, after dozens of tests and scans, baffled doctors concluded she should be confined in a psychiatric ward. It is also the story of how one brilliant man, Syria-born Dr Najar, finally proved - using a simple pen and paper - that Susannah's psychotic behaviour was caused by a rare autoimmune disease attacking her brain. His diagnosis of this little-known condition, thought to have been the real cause of devil-possession through history, saved her life, and possibly the lives of many others. Cahalan takes readers inside this newly-discovered disease through the progress of her own harrowing journey, piecing it together using memories, journals, hospital videos and records. Written with passionate honesty and intelligence, Brain on Fire is a searingly personal yet universal book, which asks what happens when your identity is suddenly destroyed, and how you get it back. 'With eagle-eye precision and brutal honesty, Susannah Cahalan turns her journalistic gaze on herself as she bravely looks back on one of the most harrowing and unimaginable experiences one could ever face: the loss of mind, body and self. Brain on Fire is a mesmerizing story' -Mira Bartók, New York Times bestselling author of The Memory Palace Susannah Cahalan is a reporter on the New York Post, and the recipient of the 2010 Silurian Award of Excellence in Journalism for Feature Writing. Her writing has also appeared in the New York Times, and is frequently picked up by the Daily Mail, Gawker, Gothamist, AOL and Yahoo among other news aggregator sites.

Nice Girls Just Don't Get It

Maybe it was the Shenanigans gift certificate that put her over the edge. When children's librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that's sure to become Half Moon Hollow legend. On her way home, she's mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She's forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn't enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What's a nice undead girl to do?

If You Don't Have Anything Nice to Say

A groundbreaking, insightful book about women and power from award-winning journalist Lauren McKeon, which shows how women are disrupting the standard (very male) vision of power, ditching convention, and building a more equitable world for everyone. In the age of girl bosses, Beyoncé, and Black Widow, we like to tell our little girls they can be anything they want when they grow up, except they'll have to work twice as hard, be told to "play nice," and face countless double standards that curb their personal, political, and economic power. Women today remain a surprisingly, depressingly long way from gender and racial equality. It's worth asking: Why do we keep playing a game we were never meant to win? Award-winning journalist and author of F-Bomb: Dispatches from the War on Feminism, Lauren McKeon examines the many ways in which our institutions are designed to keep women and other marginalized genders at a disadvantage. In doing so, she reveals why we need more than parity, visible diversity, and lone female CEOs to change this power game. She talks to people doing power differently in a variety of sectors and uncovers new models of power. And as the toxic, divisive, and hyper-masculine style of leadership gains ground, she underscores why it's time to stop playing by the rules of a rigged game.

Nice Is Just a Place in France

Do you have an empty wallet? Money and success spells will send wealth in your direction. He won't make the first move? Love spells attract your ideal mate or return a lost love. Can't beat them? For colored girls who have considered suicide/When the rainbow is enuf

With impressive skill, irrepressible spirit, and more than a touch of class, the 2000-01 Notre Dame women's basketball team reached the pinnacle of college basketball and forever secured a place in the storied sports history of the university and in the hearts of thousands of fans. The senior leadership of Naismith Award winner Ruth Riley, Niele Ivey, and Kelley Siemon combined with the exciting and capable play of underclassmen such as Alicia Ratay and Ericka Haney emphatically spells C-H-A-M-P-I-O-N-S. These Lady Irish practiced and played with relentless resolve, endured injuries and setbacks, balanced emotions and studies, and nurtured bonds—on and off the court—giving new meaning to the words "dedication" and "teamwork." Nice Girls Finish First is the behind-the-scenes story of this remarkable group of young women who, with a goal firmly in mind, set a shining and enduring example of how to achieve in college athletics with grit and grace.

Nice Girls Just Don't Get It

This revolutionary, award-winning play by a lauded playwright and poet is a fearless portrayal of the experiences of women of color—"extraordinary and wonderful...that anyone can relate to" (The New York Times) and continues to move and resonate with readers today more than ever. From its inception in California in 1974 to its highly acclaimed critical success at Joseph Papp's Public Theater and on Broadway, the Obie Award-winning for colored girls who have considered suicide/when the rainbow is enuf has excited, inspired, and transformed audiences all over the country. Passionate and fearless, Shange's words reveal what it is to be of color and female in the twentieth century. First published in 1975 when it was praised by The New Yorker for "encompassing every feeling and experience a woman has ever had," for colored girls who have considered suicide/when the rainbow is enuf will be read and performed for generations to come. Here is the complete text, with stage directions, of a groundbreaking dramatic prose poem written in vivid and powerful language that resonates with unusual beauty in its fierce message to the world.

F*ck Him! - Nice Girls Always Finish Single - A Guide for Sassy Women Who Want to Get Back in Control of Their Love Life

"I believe we can change the world. But first, we've got to stop living in fear of being judged for who we are." Rachel Hollis has seen it too often: women not living into their full potential. They feel a tugging on their hearts for something more, but they're afraid of embarrassment, of falling short of perfection, of not being enough. In *Girl, Stop Apologizing*, #1 New York Times bestselling author and founder of a multimillion-dollar media company, Rachel Hollis sounds a wake-up call. She knows that many women have been taught to define themselves in light of other people—whether as wife, mother, daughter, or employee—instead of learning how to own who they are and what they want. With a challenge to women everywhere to stop talking themselves out of their dreams, Hollis identifies the excuses to let go of, the behaviors to adopt, and the skills to acquire on the path to growth, confidence, and believing in yourself.

Nice Girl's Book of Naughty Spells

While dealing with wedding preparations and the cantankerous ghost of her grandmother, Jane is ordered by the Council to babysit a newborn vampire until he can control his thirst, which causes her fiancée to become insanely jealous.

Then We Came to the End

WRITER AND ACTIVIST FLORENCE GIVEN TELLS YOU HOW FEMINISM IS GOING TO RUIN YOUR LIFE (IN THE BEST WAY

Read Online Nice Girls Don't Get The Corner Office Unconscious Mistakes Women Make That Sabotage Their Careers A Nice Girls Book

POSSIBLE) A vibrantly illustrated primer on modern feminism for the Instagram generation encouraging us to question the insidious narratives that would hold us back from self-acceptance, self-love, and our own power. With her refreshingly audacious voice and unmistakable art style, Florence Given explores all corners of the conversation, from overcoming insecurity projection and the tendency to find comfort in other women's flaws to how to recognize and fight against the male gaze and other toxic cultural baggage and embracing sex and body positivity. *Women Don't Owe You Pretty* is here to remind us that everyone is valuable as they are and we owe the world nothing, least of all pretty.

Nice Girls Don't Get the Corner Office

If you have outstanding balances on your credit cards don't have assets in your own name are saving instead of investing, then chances are you're not rich and not living the life you want. Without your awareness, behaviors learned as a girl are preventing you from becoming a woman who is financially independent and free to follow her dreams. Now, with the same frank advice and empowering information that made *Nice Girls Don't Get the Corner Office* a bestseller, Lois Frankel tackles the 75 financial mistakes that keep women from having the wealth they deserve. She isolates the messages about money given to little girls that little boys never hear. Then she helps you discover the financial thinking that is keeping you stuck in old patterns, dependent relationships, and jobs where you earn less than you deserve. Once you get to the root of the problem, Frankel helps you solve it-with fabulous results. Her coaching tips help you take control of your finances and make more money than you ever thought possible. Do you make these "nice girl" mistakes? * Mistake #4: Not playing to win. Being polite, quiet, and fair to a fault is playing the financial game "like a girl." * Mistake #10: Choosing to remain financially illiterate. Knowledge is power. Learn to manage your major purchases, investments, and banking. * Mistake #20: Spending as an emotional crutch. Understand your emotions; don't make purchases just to lift your spirits. * Mistake #45: Saving instead of investing. Fear can keep your funds in low-interest accounts. Get educated about investing. Get wealthy. Frankel gives you the financial savvy to change negative behaviors, make smart money choices, and embrace the life you want sooner than you think.

Nice Girls Don't Change the World

A BEST BOOK OF 2018 SELECTION NPR * The Washington Post * Book Riot * Autostraddle * Psychology Today ***A BEST FEMINIST BOOK SELECTION*** Refinery 29, Book Riot, Autostraddle, BITCH *Rage Becomes Her* is an "utterly eye opening" (Bustle) book that gives voice to the causes, expressions, and possibilities of female rage. As women, we've been urged for so long to bottle up our anger, letting it corrode our bodies and minds in ways we don't even realize. Yet there are so, so many legitimate reasons for us to feel angry, ranging from blatant, horrifying acts of misogyny to the subtle drip, drip drip of daily sexism that reinforces the absurdly damaging gender norms of our society. In *Rage Becomes Her*, Soraya

Read Online Nice Girls Dont Get The Corner Office Unconscious Mistakes Women Make That Sabotage Their Careers A Nice Girls Book

Chemaly argues that our anger is not only justified, it is also an active part of the solution. We are so often encouraged to resist our rage or punished for justifiably expressing it, yet how many remarkable achievements would never have gotten off the ground without the kernel of anger that fueled them? Approached with conscious intention, anger is a vital instrument, a radar for injustice and a catalyst for change. On the flip side, the societal and cultural belittlement of our anger is a cunning way of limiting and controlling our power—one we can no longer abide. “A work of great spirit and verve” (Time), *Rage Becomes Her* is a validating, energizing read that will change the way you interact with the world around you.

Nice Girls Don't Have Fangs

A journalist and feminist explores the ways the 2008 election brought issues concerning women and power, sexism and feminism into the national spotlight, and what it means for the country, all the while weaving in her first-person experience navigating this turbulent time.

Why Men Love Bitches

Margaret Mead said: “Never doubt that a small group of thoughtful, committed citizens can change the world.” My version of that quote is: “Never doubt that a community of thoughtful, committed women, filled with the power and love of God, using gifts they have identified and developed, and pursuing passionsplanted in them by God—never doubt that these women can change the world.”—Lynne HybelsNice Girls are taught early that serving God means earning God’s love and sacrificing oneself to meet the needs of others. Unfortunately, after living a life she thought was what God demanded, her husband wanted, her kids needed, and her church expected, Lynne Hybels felt utterly lost—both to herself and to God.In this wise and tender book, Hybels tells of her struggle to stop living someone else’s life and to reclaim the unique gifts, strengths, and passions God gave her. And she reveals how turning away from her false view ofGod as a harsh and demanding taskmaster enabled her to rest at last in God’s sustaining love. As she explains, it’s never too late to discover that who you really are is exactly what delights God and what the world needs.

Nice Girls Don't Get the Corner Office by Lois P. Frankel (Summary)

LOOK, MAYBE YOU'RE A NICE GIRL, but we're guessing you're more like us or you probably wouldn't have picked up this book. Not that we have a problem with girls who are nice people. But being nice is just not the way to get what you want. And this book is about getting what you want. Not in like a finding happiness, giving back to the world, being grateful for what you have sort of way. But in a ruling your world, being the most desired, powerful badass in the room way, so you can

Read Online Nice Girls Dont Get The Corner Office Unconscious Mistakes Women Make That Sabotage Their Careers A Nice Girls Book

come out on top of any situation: guys, career, friends, enemies, whatever. How does a betch make that happen? Here are some highlights: DON'T BE EASY. DON'T BE POOR. DON'T BE UGLY. We didn't come up with these life lessons. We're just the ones who wrote it all down. This is not self-help. Self-help is for fat people and divorcées. This is how to deal with your problems when you have no problems. You're welcome.

The Myth of the Nice Girl

UNEXPECTED UNDEAD BREAK-UP Nothing sucks the romance out of world travel like a boyfriend who may or may not have broken up with you in a hotel room in Brussels. Jane Jameson's sexy sire Gabriel has always been unpredictable, but the seductive, anonymous notes that await him at each stop of their international vacation, coupled with his evasive behavior over the past few months, finally push Jane onto the next flight home to Half Moon Hollow -- alone, upset, and unsure whether Gabriel just ended their relationship without actually telling her. Now the children's-librarian-turned-vampire is reviving with plenty of Faux Type O, some TLC from her colorful friends and family, and her plans for a Brave New Jane. Step One: Get her newly renovated occult bookstore off the ground. Step Two: Support her best friend, Zeb, and his werewolf bride as they prepare for the impending birth of their babyor litter. Step Three: Figure out who's been sending her threatening letters, and how her hostile pen pal is tied to Gabriel. Because for this nice girl, surviving a broken heart is suddenly becoming a matter of life and undeath.

Brain On Fire: My Month of Madness

The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked themjust not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might

Read Online Nice Girls Dont Get The Corner Office Unconscious Mistakes Women Make That Sabotage Their Careers A Nice Girls Book

seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

Nice Girls Don't Date Dead Men

Learn the basics of the Spanish language with this easy-to-use guide by one of America's most prominent language teachers. much? "Polled" your friends and colleagues before making a decision? If you answered yes to any of those questions, then chances are you've been bypassed for a promotion and even ignored when you've expressed your ideas. Whether you're conscious of it or not, these behaviors are likely sabotaging your career. Throughout *Nice Girls Don't Get the Corner Office*, Dr. Frankel reveals the unique set of behaviors that women learn in girlhood that threaten to sabotage them as adults. Luckily, Dr. Frankel can help you eliminate these unconscious mistakes that are holding you back and offer you coaching tips to nail your social and business skills. As you read, you'll learn how to stop thinking like a girl and start thinking like a leader.

Nice Girls Don't Get the Corner Office by Lois P. Frankel (Summary)

The workplace is changing. From the boardrooms to non-profit organizations to the military, the typical male management style is now obsolete. There is a new generation of employees who reject hierarchical leadership and respond to the behaviors and characteristics that women traditionally exhibit. In other words, the time for women to take charge is now! In *SEE JANE LEAD*, Dr. Frankel provides a blueprint for women who want to tap their natural leadership abilities and manage with greater ease and confidence in the business world, on the soccer field, at home, and beyond. With the same sharp insight that she demonstrated in *Nice Girls Don't Get Rich* and *Nice Girls Don't Get the Corner Office*, Dr. Frankel shows women how they can overcome sabotaging childhood behaviors that hold them back, while offering practical advice and real-life examples of strong female leaders who have succeeded--in male dominated fields--beyond their wildest dreams.

Girl Code

More than anything Devi Sharma wants to win the upcoming BollyOz competition for her mum. With the help of her best friend in the whole entire universe, Josie, Devi needs to come up with a plan so she can play footy like she wants and light the fire in her belly once again

Nice Girls Don't Get Rich

Before you were told to "Lean In," Dr. Lois Frankel told you how to get that corner office. The New York Times bestseller, is now completely revised and updated. In this edition, internationally recognized executive coach Lois P. Frankel reveals a distinctive set of behaviors--over 130 in all--that women learn in girlhood that ultimately sabotage them as adults. She

teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be incorporated into your social and business skills. Stop making "nice girl" errors that can become career pitfalls, such as: Mistake #13: Avoiding office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82: Asking permission. Children, not adults, ask for approval. Be direct, be confident.

Rage Becomes Her

Offering the same brand of practical, no-holds-barred, expert advice that made *Nice Girls Don't Get the Corner Office* an international million-copy bestseller, *Nice Girls Just Don't Get It* teaches us the skills we need to turn from a nice girl into a winning woman, not just in our careers but in our relationships, families, and everyday lives. Have you ever felt invisible? Taken advantage of? Reluctant (or unable) to articulate what you really want? If so, join the club. The nice girls club. Nice girls—that's right, girls—are those more concerned with pleasing others than with addressing their own needs and haven't yet learned how to overcome the childhood messages cultural stereotypes keeping them from getting their voices heard, their needs met, and the lives they want. This book will turn those nice girls into winning women. That is, women who factor their own needs in with those of others, confront those who treat them disrespectfully, maintain healthy and mutually beneficial relationships with appropriate boundaries—and as a result, are happier and more successful in every area of their life. In 2004, Lois Frankel blew the lid off so many of our long-held ideas about gender and success with her bestselling *Nice Girls Don't Get the Corner Office*, which went on to become such a huge phenomenon, the term "nice girls" has secured a place in our cultural lexicon. Here, Frankel teams up with negotiation expert Carol Frohlinger to bring this bestselling advice out of the workplace and provide a broader set of skills that any woman—whether a CEO or stay-at-home mom—can use to win anywhere, with anyone. Presented in the straightforward, digestible format that helped make *Nice Girl's Don't Get the Corner Office* an instant hit, Frankel and Frohlinger outline seven practical strategies and 99 supporting tactics that every winning woman should know. By the time you've finished reading this book, you'll be able to:

- Get your husband to do his half of the household chores—without being made to feel like a nag.
- Stop overextending yourself by taking on all the unpleasant tasks no one on your volunteer board, or your team at work will go near.
- Win an argument with your mother in law about who will be hosting Christmas dinner.
- Have the courage to send back a meal that isn't prepared the way you'd ordered it.
- Confront a colleague who is shirking responsibility or taking credit for your work.
- Convince a sales person to reduce a fee, waive a surcharge, or honor a store credit.
- Question a doctor's course or treatment or request a second opinion, instead of simply going along in order to be a "good" patient.
- Firmly but politely bow out of an extravagant vacation to celebrate a friend's birthday that you simply can't afford—without feeling guilty about

it. And so much more. A must-read for anyone who's ever felt taken advantage of by a friend or family member, unappreciated by a spouse or partner, or exploited by a vindictive neighbor or co-worker, Nice Girls Just Don't Get It offers women the indispensable knowledge and skills to get the things they want, the respect they've earned, and the success they deserve. From the Hardcover edition.

Nice Girls Don't Play Footy

Following Nice Girls Don't Have Fangs, the second in a hilarious, smart, sexy romantic series about an out-of-work librarian who is turned into a vampire. With her best friend Zeb's Titanic-themed wedding looming ahead, new vampire Jane Jameson struggles to develop her budding relationship with her enigmatic sire, Gabriel. It seems unfair that she's expected to master undead dating while dealing with a groom heading for a nuptial nervous breakdown, his hostile werewolf in-laws, and the ugliest bridesmaid dress in the history of marriage. Meanwhile, the passing of Jane's future step-grandpa puts Grandma Ruthie back on the market. Her new fiancé, Wilbur, has his own history of suspiciously dead spouses, and he may or may not have died ten years ago. Half-Moon Hollow's own Black Widow has finally met her match. Should Jane warn her grandmother of Wilbur's marital habits or let things run their course? Will Jane always be an undead bridesmaid, never the undead bride? Combining Mary Janice Davidson's sass and the charm of Charlaine Harris's Sookie Stackhouse novels, this is an incredibly satisfying read for fans of paranormal romantic comedy.

French Women Don't Get Fat

Women can empower themselves to fulfill their needs and aspirations without being strapped down by feelings that society has taught them to ignore. Finding the source of your anger can help you lose your depression.

Women Don't Owe You Pretty

Do you feel like you are too nice? Sherry Argov's Why Men Love Bitches delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: · Why are men so romantic in the beginning and why do they change? · Why do men take nice girls for granted? · Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," Why Men Love Bitches gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only

increase the romantic chemistry—you'll gain your man's love and respect with far less effort.

Play Like a Man Win Like a Woman

Testimonials for Nice Girls Can Finish First “In Nice Girls Can Finish First, Daylle Deanna Schwartz proves that women who are basically good-hearted can still be taken seriously in both their business and personal lives. In fact, when used properly, kindness and consideration can go further than selfishness and bitchiness. Good lessons to learn and live by.” ~Nina Disesa, chairman of McCann Erickson New York and author of Seducing the Boys Club. "Never underestimate the power of a woman - especially a nice one. This book is a must read for today's world where, thankfully, nice is finally getting the respect it deserves. Mean is so last millennium. Nice Girls Can Finish First offers brilliant tools and savvy advice for making 'nice' work for you in business and in life. Nice girls do finish first and this is their 'how-to' manual." ~Linda Kaplan Thaler, CEO of The Kaplan Thaler Group and bestselling author of The Power of Nice. “Anybody can be a bitch. And effective as that might be in the short run, in the long run (and it is a long run) it'll bring you down. It takes a woman who's smart, strong and confident to assume the best from people and motivate them to deliver it. Daylle Deanna Schwartz shows you how to finish first - every time.” ~Gail Blanke, Author, Throw Out Fifty Things, Clear the Clutter Find Your Life, life coach and motivator “Daylle Deanna Schwartz provides many constructive techniques for being soft-spoken, friendly and considerate to others in ways that get satisfying results. This book is for women who are fundamentally nice, want to stay true to that and who also want to be taken seriously, earn respect and get their needs met.” Terrie M. Williams, author of The Personal Touch: What You Really Need To Succeed in Today's Fast-Paced Business World THE NICE GIRL'S GUIDE TO GETTING AHEAD-WITHOUT GETTING MEAN Are you a “People Pleaser”? Do you put up with put-downs? Say yes when you're dying to say no? Sit down when you should be standing up for yourself? Congratulations, you're a nice girl. Nothing wrong with that-unless your need to be liked is holding you back from having the career, money, love, respect, and happiness you deserve. This step-by-step guide from a self-described former “doormat” shows you that you don't have to be a demanding diva or mean girl to get what you want. There's a “nice” way to be assertive-in business and in life. Once you learn the secret, you can: Speak up-without shouting Say no-without sounding negative Be strong-without being aggressive Get respect-without getting tough Ask for anything you want-and get it! Filled with subtle conversational techniques and people-friendly pointers you can put to work immediately, Nice Girls Can Finish First is the perfect go-to guide for women who know they deserve more out of life-but don't want to step on other people to get to the top. This book proves you can be strong, confident, powerful, successful-and nice too!

Women Don't Ask

Women and men are equally capable as leaders, but women have been trained to be nice. Being nice can take us only so far then it trips us up. To be effective, we need to reach inside ourselves and realize that just as mothers would walk in front of a bus to save their child, so we each can find a similar passion and commitment that pushes us onward removing fear and doubt so we simply do what we know to be right. Do you have to be born a leader? Have a title? Be a man? A certain age? The answer is: no. Each of us has leadership potential within and when we do our inner work, we can be the leader of our family, company, or community. Failure and mistakes are not generally accepted as the road to success, but they are often our most powerful tools to growth. Read how others, including Abraham Lincoln, used failed attempts to spur them on. Read stories of leaders and find out their secrets. Learn to recognize mercenaries and real leaders, and decide which you want to be. There are challenges throughout the book that provide valuable lessons to enhance your leadership skills. In *Feisty & Fearless: Nice Girls CAN Be Leaders*:* The characteristics of effective leaders* 14 Exercises to guide you through your work in becoming a more effective leader* Discover that Caring is one of the keys to authentic leadership Read stories of women leaders:* An artist who empowers children* A successful CEO who puts her family first* A divorced mother who reinvented herself to provide for her children* An actress turned successful business owner who heals a family rift* A child leader* A company leader who thinks empowering others is her main job* A world-renowned expert and author who puts her ego aside* A feminist who lets nothing stop her in her work to have women learn how to be safe "Wow, at last! Here is a feminist voice that covers discrimination of all colors and sizes - bigotry against women, Jews, immigrants, having red hair, too little money and too much, fat, bossy. The list is endless." Carolyn Howard-Johnson, award-winning author of *Imperfect Echoes* "We all have a back story, the failures and the poor decision making we recognise when we look back on our lives, and Pauline is refreshingly frank about her own ups and downs. Her determination to step up and show responsibility is a practical manual in leadership skills which will inspire and motivate many women." Karen Abrams Lawyer/Lecturer, U.K.

Nice Girls Can Finish First

First and foremost a novel about public shaming in the internet age, *If You Don't Have Anything Nice to Say* by Leila Sales is also an exploration of the power of words, the cumulative destructiveness of microaggressions, and the pressing need for empathy. Before we go any further, I want you to understand this: I am not a good person. We all want to be seen. We all want to be heard. But what happens when we're seen and heard saying or doing the wrong things? When Winter Halperin—former spelling bee champion, aspiring writer, and daughter of a parenting expert—gets caught saying the wrong thing online, her life explodes. All across the world, people know what she's done, and none of them will forgive her. With her friends gone, her future plans cut short, and her identity in shambles, Winter is just trying to pick up the pieces without hurting anyone else. She knows she messed up, but does that mean it's okay for people to send her hate mail and death threats? Did she deserve to lose all that she's lost? And is "I'm sorry" ever good enough? Decide for yourself.
