Not only has this book been designed to help allow the user to relieve stress, but also helps to promote creative expression by containing a variety of different styles, patterns and

Get Free Paul And Barnabas Coloring Page

designs for you to color. This coloring book for grown ups great value for money, but the images inside the book are compiled by different artists, this helps to ensure a variety of styles and designs. The designs on the coloring pages inside this book are printed single sided to not only prevent bleed through, meaning this book is appropriate for a range of different coloring mediums, such as felt tips, coloring pencils, crayons and many more. But also allows the user to remove the pages for hanging or framing purposes without risking the loss of any of the other designs. While this coloring book was designed with stress relief for adults in mind, this book is also suitable for people of all ages.

Cupcake Coloring Book for Adults

The apostle Paul is one of the most important figures in the early church. He is a main character in the narrative woven through the book of Acts, and his thirteen letters make up a significant portion of the New Testament canon. Because Acts and his letters appear in the Bible as separate books, it can be difficult to piece together a clear narrative for Paul's life and ministry. In Journeys of the Apostle Paul, twenty contributors present a coherent picture of Paul's life, connecting the events in Acts to his letters and theological teachings. With beautifully rendered maps, this book takes readers step by step through the biblical narratives of Paul's journeys - his interrupted journey to Damascus while persecuting Christians; his three missionary journeys; and his long journey from Jerusalem to Rome. Along the way, you'll discover new insights into Paul's life, his teaching, and his role in the early church.

The Baptist Teacher for Sunday-school Workers

Relax with your markers or colored pencils and these easy-going, abstract OODLES OF DOODELS. This coloring book features hand-drawn illustrations by artist Deanna Pipkin. - 26 Coloring pages - 26 Different patterns - Pages printed on one side only - Full size paper - 8.5x11 - Even mix of basic and advanced designs - 1 Bonus page from Cheryl Casey's coloring book Grandma's Quilts Great for colored pencils, gel pens, most markers - there are blank pages in the back to tear out and use as blotters under your coloring page so markers do not bleed through to the next page. Your coloring style will look great on these illustrations and we would love to see them. Please show off your art and tag us on Instagram @wingfeatherbooks.

Vintage Christmas Gnomes Grayscale Adult Coloring Book

The Pippin takes us back to the late 40's and features beautiful images of boys and girls playing through the seasons and engaging in the everyday activities of the era. It is a nostalgic trip to a simpler time. Children and adults alike will enjoy coloring the idyllic vintage scenes of yesteryear.

Coloring to Relax, a Mother and Child Coloring Book

The art of the Dutch republic in the seventeenth century includes some of the most familiar and best-loved examples of European painting: exquisite still-life studies, tranquil interiors, robust portraits and rowdy tavern scenes. In this account, Mariët Westermann describes this art as it was experienced by the people of the period and as it appears to us today. She examines the major themes of Dutch art, including the growth and expression of national identity, the celebration and examination of the individual through portraiture, and the changing status of artists themselves.

Be Positive Coloring Book

This is the Zip---Line Mice Companion Coloring Book. It was so much fun creating and coloring the illustrations for Zip---Line Mice that I created the Companion Coloring book so children could color while the book is read out loud to them.

Coloring Book of Toronto, Canada

"Life is exciting when Paul is around. Find out what happens when he starts to travel and writes about his amazing adventures."--Back cover.

Steampunk Adult Coloring Book

Color It Yours: Abstract Coloring Book Volume 1 features 48 abstract images by Jason Followell. You will get hours of creative enjoyment & stress relief as you color these 48 original coloring pages. Each page of this 8.5x11 coloring book is printed on one side only. We recommend using a heavy sheet of paper in between pages when coloring to prevent the colors from bleeding through to the next page. For coloring in this book, we recommend using colored pencils, markers, crayons, pastels, and/or gel pens.

Oh, Maccabees! a Hanukkah Coloring Book

Note: this is a 5.5" x 8.5" (13.97 x 21.59 cm) size coloring book, similar to A5 padfolio size; perfect for purses, briefcases, backpacks. "Take it offline," "Let's get the ball rolling," "Ping me," and of course, "synergy." These are just some of the worst clichés that have come out of corporate America. It's a known fact that prolonged exposure to these office sayings can lead to increased eye-rolling, annoyance and strain of the facial muscles from too much fake smiling when hearing these from your manager. To combat this, we've created this corporate clichés adult coloring book as much needed stress therapy; a fun, passive-aggressive way to take out your angst against these ridiculous office sayings that have taken over your meetings, memos and emails from your company's higher ups. We've taken 19 of the most annoying corporate clichés and translated them into hilarious, literal translations that you can color and poke fun at. Most are even workplace friendly so you can hang them on your wall without your manager giving you the stink eye (well, depending on where you work hmmm time for the disclaimer: we make no promises on whether you'll get the stink eye if you pin pages of this book to your office / cubicle wall, so you assume the risk on that!). ***Benefits*** -We've taken 19 of the most ridiculous corporate clichés that have ended up on top business publications' "must stop using list" and translated them into hilarious, literal representations. -5.5" x 8.5" (13.97 x 21.59 cm) similar to A5 padfolio size; perfect for purses, briefcases, backpacks. -The perfect birthday, stocking stuffer, white elephant, secret Santa, gift for a co-worker, friend or loved one who has to suffer thru these clichés on a daily basis. -Studies have shown that adult coloring books are perfect stress therapy. We even consulted with a few therapists who confirmed this. And let's face it, hearing corporate clichés over and over is not fun! But what is fun is poking fun at them in a passive-aggressive way that can relieve stress! -Unlike most coloring books, each illustration is a carefully crafted theme, tied to a specific cliché and not simply random patterns. -Coloring book images are only on one side of the page (we didn't double dip!). -But not to waste the space, we put some fun stuff on the reverse side of each page: a corporate-speak definition, fun trivia and a hashtag on so you can post pictures of your artwork on social media. -We even included a fun all-occasion gift checklist inside the cover so you don't have to buy a separate gift card. You can be cheap and environmentally friendly at the same time!

Pretty Ornate Designs

Open this book and be prepared to be blown away by the intricate Zentangle drawings of various sea creatures from around the world! From small crabs and fish to gigantic whales, you will see it all right here on these pages. You won't see what is in this book anywhere else. With extremely detailed designs, your imagination and creativity will be inspired when you start coloring these pages. Grab your coloring markers, pens, and pencils and get ready to dive into this sea creature coloring book! On top of just being plain fun, coloring provides a great distraction from the outside world. Whether you're dealing with too much stress or just need to mentally get away for a few minutes, a nice coloring book can provide you with the

escape that you need to unwind and relax. From mild stress from the day to full-on anxiety, coloring pages can give you something else to focus on. Instead of giving you stressors that are making you anxious, coloring pages will instead give you a sense of calmness and serenity. Because the nature of coloring requires focus, your mind will be able to temporarily break away from the things that are troubling you and stressing you out. In the time that you work on your coloring, you will have a peaceful, happy creative outlet. Scroll up and click "BUY" to order your copy instantly

The Church School Journal

Postcards from Paul

Newly independent in 1585, the increasingly prosperous and politically powerful Dutch Republic experienced a tremendous rise in the production of artwork that was unparalleled in quantity, variety, and beauty. Now back in print, this classic book (originally published in 1996) examines the country's rich artistic culture in the seventeenth century, providing a full account of Dutch artists and patrons; artistic themes and techniques; and the political and social world in which artists worked. Distinguished art historian Mariët Westermann examines the "worldly art" of this time in the context of the unique society that produced it, analyzing artists' choices and demonstrating how their pictures tell particular stories about the Dutch Republic, its people, and its past. More than 100 color illustrations complement this engaging discussion of an extraordinary moment in the history of art.
