Lyudmila Pavlichenko: The Deadliest Female Sniper in History

This entry posed an artistic conundrum. You see, it's basically two stories. One of Lyudmila's time in the war, and one of her time in the US, and later reconnection with Eleanor Roosevelt. When I first put the two back-to-back, they didn't mesh well at all. In one, you had Lyudmila as bloodthirsty killer, in the other, you had a middle-aged woman tearfully reuniting with her old friend.

Although Nazi Germany was ultimately beaten on the Eastern Front during World War II, films about the Western Front are far more popular in the West. There are several obvious reasons why, but the quality isn't one of them: many strong, powerful pieces of cinema have been made about the battles that took place along the Eastern Front, including "Stalingrad" and "Enemy at the Gates."
