Mike and Dave Need Wedding Dates

The original edition of this accessible and interdisciplinary textbook was the first to consider the ethical issues of digital media from a global, cross-cultural perspective. This third edition has been thoroughly updated to incorporate the latest research and developments, including the rise of Big Data, AI, and the Internet of Things. The book's case studies and pedagogical material have also been extensively revised and updated to include such watershed

events as the Snowden revelations, #Gamergate, the Cambridge Analytica scandal, privacy policy developments, and the emerging Chinese Social Credit System. New sections include “Death Online,” “Slow/Fair Technology”, and material on sexbots. The “ethical toolkit” that introduces prevailing ethical theories and their applications to the central issues of privacy, copyright, pornography and violence, and the ethics of cross-cultural communication online, has likewise been revised and expanded. Each topic and theory are interwoven throughout the volume with detailed sets of questions, additional resources, and suggestions for further research and writing. Together, these enable readers to foster careful reflection upon, writing about, and discussion of these issues and their possible resolutions. Retaining its student- and classroom-friendly approach, Digital Media Ethics will continue to be the go-to textbook for anyone getting to grips with this important topic.

"Managers, Can You Hear Me Now?"

Scandals and hook-ups abound in a summertime restaurant drama where four teens are all willing to do whatever it takes to make it through the workday...and hopefully to win the money in the after-hours dare-based game of Tips. Isa, Xavi, Peter, and

Finn know that a job at the high-end Waterside Café isn't just about waiting tables. It's about the gossip, the hook-ups, the after-hours parties, and, most of all, it's about Tips. Tips—the high-stakes game based on dares. Whoever completes the most dares wins the collected money. A sum that could change a wasted summer into a Summer to Remember. Isa is the new girl with an embarrassing secret, and as long as she stays on top of her game, she sees no reason why anyone could ever find out. Xavi will do anything for the money...absolutely anything. Peter, Xavi's stepbrother, has been in love with her for years, and he thinks the game is the perfect time to confess his feelings. Finn is in the game just for the thrill. He has enough tips coming in to keep him happy...even if those tips come with some conditions. From seduction to stealing to threats, the dares are a complete free-for-all, and only the best can win.

"Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

The Friend Zone

On a foggy July evening in 1956, the Italian cruise liner Andrea Doria, bound for New York, was struck broadside by another vessel. In eleven hours, she would sink nearly 250 feet to the murky Atlantic Ocean floor. Thanks to a daring rescue operation, only

51 of more than 1,700 people died in the tragedy. But the Andrea Doria is still taking lives. Considered the Mt. Everest of diving, the Andrea Doria is the ultimate deepwater wreck challenge. Over the years, a small but fanatical group of extreme scuba divers have investigated the Andrea Doria, pushing themselves to the very limits of human endurance to explore her -- and not all have returned. Diver Kevin McMurray takes you inside this elite club with a hard, honest look at those who go deeper, farther, and closer to the edge than others would ever dream. *Deep Descent* is the riveting true story of the human spirit overcoming human frailty and of fearsome, mortal risks traded for a hard-core adrenaline rush. Chronicling these adventures in his page-turning narrative and in dozens of dramatic photos, McMurray draws us deeper into the cold heart of the unforgiving sea, giving us a powerful vision of a place to which few will ever have the skills -- or the courage -- to go.

Your Irresistible Love

Cambridge Learner's Dictionary with CD-ROM

Nowhere is safe when the gods are wicked. Since the beginning of times, there have always been two sides: Norms and Idols. But never have the scales been so unbalanced as they are today. I'm a Norm, which means, I grew up in fear of the Idols and their godly powers. And now, I'm going to be surrounded by them, day and night. I've been offered a place at the prestigious Gifted Academy, an opportunity very few Norms get. To survive, I must become invisible. But my hope to get through the academy unscathed goes down the drain when the most powerful boys in school set their eyes on me. They hate me simply because I'm a Norm. If they knew who I truly am, they'd tear me apart limb by limb. But I'm done cowering away from Idols. It's time for the Norms to fight back, and it all starts with me.

Deep Descent

I know what people think when they hear the name

Sebastian Bennett. Determined. Ruthless. Head of a business empire. From the outside, I look bulletproof. Behind closed doors, though, family always comes first. My parents. My eight-yes, eight-siblings. Every single one of them nagging at me to settle down and get married. I may be bulletproof, but I can't seem to deflect them. No matter how many times I patiently explain that I don't believe in love. I hadn't counted on Ava Lindt. Beautiful. Funny. Just as stubborn as I am. It's frankly infuriating. I only hired her as a consultant to make our next jewelry collection launch unforgettable. So why is it thoughts of her that I can't shake? Those curves, that smile... it's irresistible. And completely off-limits. She won't risk her job. I won't risk my heart. But one kiss, one touch at a time, our sizzling chemistry is turning into a deep connection. With her time at Bennett Enterprises drawing to a close, I'll have to decide what I was wrong about- her, or love.

The Prince and the Escort

SOON TO BE A MAJOR MOTION PICTURE FROM 20TH CENTURY FOX Two reckless but lovable all-American bros make a strong case for maturing slowly through their outrageous yet enlightening misadventures across this great country of ours. My brother and I are looking for wedding dates for our cousin's wedding. We've been told by the bride that bringing dates is "mandatory" so we "won't harass all of my friends all night" and "stay under control." Rather than ask some fringe women in our lives to go and face the inevitable 'does this mean he wants to take it to the next level?!' questions, we'd rather bring complete strangers and just figure it out... We're both in our 20s, single, dashingly tall, Anglo-Saxon, respectfully athletic, love to party, completely house trained...love our mother, have seen Love Actually several times...raw, emotional, sensitive, but still bad boys....You should be attractive or our aunts will judge you, but not TOO attractive or one of our uncles might grope you. Dave and Mike Stangle thought nothing of it when they boozily decided to turn to the "activity partners" section of Craigslist to solicit dates to their cousin's wedding. The hilarious, out-of-this-world ad that they came up with—featuring a picture of the two brothers as centaurs—immediately went viral, eventually landing these Wayfarers-wearing, moped-riding, completely reckless but ultimately loveable bros in the annals of the "Internet famous." In Mike and Dave Need Wedding Dates, the Stangle brothers bring their trademark, off-color humor to everything from their most embarrassing adolescent

experiences (like getting beat up by a girl on their front lawn in front of their dad), to the most outrageous predicaments (like tripping on mushrooms with their bulldog, Frank), to proper sexting etiquette, and finally to breaking up a midget bar fight (you have to shoo them away). With the incredible comedic chemistry of Vince Vaughn and Owen Wilson in *Wedding Crashers* and the uncensored honesty of Tucker Max, Mike and Dave insist there's nothing wrong with just seeing where life takes you.

Horrible Stories My Dad Told Me

I always dreamed I'd graduate law school, and that I'd meet my very own prince charming who would sweep me off my feet, take me away on wild adventures and that we'd live happily ever after. That was before my parents died in a car accident where my sister lost both her legs. Where am I today? Well, life's pretty sucky. Ok, extremely sucky. I just started a job as an escort so I can support my sister and save up for her prosthetic legs. And my dream of a happily ever after? Well, let's face it: there's no time for that s#it.

I'm stuck here being responsible, doing the adult thing. That's until I meet Erik, the real goddamn Prince of Norway, and he reminds me of what it's like to feel again, to dare to dream again, and to believe in the fairytale I had shoved so deep down I thought it was gone. One touch from him is a jolt to my heart, and suddenly I'm feeling things I really don't want to feel. Because let's face it, fairytales don't come truedo they?

I Am Lily

Every year, millions of foreigners visit The Philippines. They go to the World War II battlefield of Corregidor, tour the presidential home Malacañang Palace, play golf, lounge on the white sand beaches, and . . . Some do things that don't have chapters in the standard tourist phrasebooks and textbooks of the primary native language, Tagalog. Tagalog is spoken as a first language by millions of Filipinos in and around the nation's capital of Manila, including Angeles and Subic Bay. In addition, Tagalog is spoken and understood to some extent throughout the rest of the country because it's the language of school, TV, newspapers and movies. Tagalog Down & Dirty is your guide to the Tagalog you won't learn in the other books. Sex, drugs, alcohol, insults, obscenities, dirty talk, curse words, slurs about your mind, body and sexual equipment, the supernatural, gambling, and "gay language"—which gay men use to hide their meaning from the general population. Best of all, words for lovers and would-be lovers. Tagalog Down & Dirty is

arranged in chapters according to subject. Next is a chapter including a long list of gay language words. And finally is a list of all the standard Tagalog words arranged in alphabetical order – Tagalog to English – so it's easy to look up Tagalog words you don't know. Come to The Philippines prepared to recognize such basic insults as "Your mother is a _____," "You're _____" and "You have no _____." (Don't say them yourself, though, unless you're prepared to defend yourself!) Discover the Tagalog words for parts of your body, at least the most interesting parts, and their functions. Learn the names of the many monsters and ghosts you must avoid at night. If you're a man who has sex with other men, discover how Filipino gays classify your sexuality. Because language is intimately tied to culture, you'll get an inside look at how different Filipinos value are from average Western countries. Call an American woman "ugly" and you'll probably get a lecture on how men objectify women and/or men should look for beautiful personalities. Call a Filipino woman "ugly" and look out! Tell an American they have no shame, and they probably won't even know what you're talking about. If you say it to a Filipino, you better run for your life. Describe an American woman as flirtatious and she'll take it as a compliment. Tell a Filipino woman that and, depending on circumstances, she may take it as an insult to her sexual morality. Whether you wish to learn more about The Philippines because you're chatting up some sweet young thing online and want to meet her in person, or you wish to check out the bar scene, or to swim and sun bathe at the white sand beaches, explore the jungles or oceans teeming with exotic wildlife, or to backpack in the mountains, or a

linguist checking out the phenomenon of gay language, Tagalog Down & Dirty is where to start your adventure.

Of course, magic is real. Everybody knows that. Since it came out on the news that Supernaturals exist, I've heard they can do spells, shapeshift, live forever, you name it. Wonderful, right? Whatever. In my world--where I'm homeless and spend my time avoiding rats and meth heads--magic sounds like major BS. But, when I'm accused of stealing and they're about to arrest me, the item I took disappears from my hand as if by magic. WTF? Just like that, the Supernatural Academy swoops in and recruits me. But I don't belong there, and everyone else agrees, including, Rowan Underwood, this rich and annoyingly handsome warlock who has it in for me. He's investigating the theft of magical artifacts, and he thinks I'm involved. Seriously? I just got here. But I can't worry about that, not while dead kings try to drain my essence or a spell from these angry pixie minotaurs sends my hair follicles into overdrive until I look like Cousin It. Yet, I can't avoid Rowan, and while I learn enough magic to stay alive, I also need to keep myself from falling for a guy who's clearly my worst decision ever. You'll love this magical academy book because everyone wants a chance to become who they are truly meant to be. Get it now.
