A very unusual cow decides that she's destined for a life of classical ballet.

Didda - The Warrior Queen of Kashmir

Smarter Government Workbook: A 14-Week Implementation Guide to Governing for Results distills the lessons from Smarter Government into a 14-week plan to achieve strategic performance management.

Mix // Hard Back

A girl abandoned by her parents. A disabled princess who fights all odds to become the most feared warrior queen. A woman almost forced into sati by her trusted prime minister. A mother whose son brands her as a witch. This is the story of Rani Didda, the forgotten Hindu queen of undivided Kashmir. History is often unkind and cruel to women, especially women who wield power. Trampled by wars and religious crusades, lies hidden the story of a glorious woman who was considered a harbinger of bad times when she was born but went on to become a legendary warriorthe saviour of Srinagaram, the capital city of Kashmir. Didda: The Warrior Queen of Kashmir is the untold story of a womans rise to power during the tenth century. The legend of Didda is entwined with a life of solitary struggles against prejudice and patriarchy. She eventually went on to rule the unified

Kashmir encompassing the Lohar Kingdom and Kashmir for a period of forty-four years, taking it to glorious heights and making it the most powerful kingdom in mediaeval Asia. The foundation laid by Didda helped Kashmir defeat the dreaded warlord Mahmud of Ghaznavi twice.

It Happened Again

Meet Providence Traveler. Providence likes to make things. Not just ordinary things like macaroni pictures, but things that have never been made before. So it is not surprising that her hero is Leonardo da Vinci, the great sixteenth-century artist and inventor. One day at the library, when Providence is taking out her favorite book, Leonardo da Vinci: Boy Was He Busy, she finds a scrap of paper covered with interesting designs for what looks like a mechanical mouse with a key coming out of its back. Diligently she follows the instructions on the paper and builds the intricate mouse. Just as she is putting on the finishing touches, in barge her brother and the meddlesome McMuzzin twins, who turn the key in the mouse's back. Suddenly there is a sound like thunder and a flash of light and the four find themselves transported to Florence, Italy, during the time when Leonardo was alive. Will Providence get to meet her hero? Gifted artist and storyteller Robert Sabuda introduces young readers to an extraordinary new character -- Providence Traveler -- whose curiosity and excitement will match their own. Providence leads readers on an exciting adventure, full of fun and fascinating information.

The Salvation of Christ

This is a new release of the original 1937 edition.

Sudoku Genius Mind Exercises Volume 1

Family Is More Than Blood

This informative and widely-used text is now available in a third edition. Building on the success of previous editions, it continues to provide a clear and accessible introduction to the complexities of political ideologies. The latest edition of Political Ideologies: introduces and considers the future of all the most widely studied ideologies: liberalism; conservatism; socialism; democracy; nationalism; fascism; ecologism and feminism sets each ideology clearly within its historical and political context includes a new final chapter that examines the impact of recent theoretical developments of ideologies and charts the challenges that they face in the twenty-first century has been fully revised and up-dated and provides an annotated guide for further reading.

Smarter Government Workbook

One night Hector falls asleep to the sound of rain rat-a-tat-tatting on the roof of his wumblebug hole. And even though the rain has been coming down for days, Hector is not worried. He's safe and snug. But then Hector wakes up to discover his hole is filling up with water fast! Hector is swept out of his home, along

with all of his belongings. The next morning he sets off in search of a new place to live. And though Hector is sad to lose his old hole, he soon discovers what makes a hole a home.

Clorinda

Have you ever wanted to calculate the predicted peak flow for one of your asthmatic patients without spending valuable minutes searching for that confounded little slide rule gizmo? Wouldn't it be great if you could somehow remember all Mrs. Jones' medications when the nursing home calls to see if it's OK to treat her acutely elevated blood pressure with some atenolol? Handheld computers are emerging as the stethoscopes of the twenty-first century, and no clinician should be without this essential tool. These small, easy-to-use devices are now powerful enough to help clinicians manage information and make medical decisions at the point of care. This comprehensive how-to guide targets all levels of handheld computer users, from novices to experts, and demonstrates how to make the most of handheld computers in any medical practice. Designed with easy-to-understand, hands-on exercises for each new skill presented, this book begins with choosing a handheld and "getting to know" your new device. It then progresses through downloading and installing software, using charge capture and e-prescription programs, Internet and evidence-based resources for your device, designing and programming your own programs, and going wireless. Written by three experienced family medicine clinicians, Handhelds in

ACE the IT Resume

Imagine growing up in the Bellows family where an eternal curse has been placed on them throughout the generations by a witch doctor. With each succeeding generation, only one male could be born within their family unit. The wives of these men could not give birth to any females because the witch doctor caught her husband in bed with his mistress. These men have been watched throughout the ages by Satan who has in fact designed this curse for his eventual return to walk upon the earth. Known as Lokanetra, he is disguised at first as a great miracle healer. Then, as his fame grows, he brings together the leaders of the Middle East, ending the raging conflicts that have ravaged the region. Through Satan's final act of deceit, his main objective is to have a son born by way of his spirit-filled seed with a virgin wife.

Information Technology and Organizations

This volume aims to provide a collection of unique perspectives on the issues surrounding the management of information technology in organizations around the world and the ways in which these issues are addressed.

The Day Satan Repented

INSTANT NEW YORK TIMES BESTSELLER From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at

home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in *American Like Me*, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.

Isidore Kozminsky's Symbology of the Zodiacal Degrees

When Karthik had to find an individual house in his second year of college, he never expected the house would change his life forever. He meets a beguiling girl named Shruti who introduces herself as the house owner. The pair had the special moments of their lives as friends as well as young lovers. The couple had their future planned out but fate had its own plan. Will they win over fate's design?

My Mother Is Mine

Sudoku Genius Mind Exercises, Volume 1: Greenbrae, California State of Mind Collection Description: 5x8 expertly bound book with 106 pages of simple to extreme Sudoku puzzles (solutions included!). All Book covers are designed by Coco Piracci -- they're collectable editions. Great for you or as a gift. Kids, teens, adults and seniors all love doing Sudoku. In Volume 1 of Sudoku Genius Mind Exercises: Greenbrae, California State of Mind Collection, you have enough Sudoku puzzles for a whole month - one Sudoku a day! When you're done, get Volume 2. Once you start doing Sudoku puzzles, you'll never want to stop. And there's a good reason why! Just like physical exercise, your mind requires training too! Here are the marvelous advantages of playing Sudoku: Improves your memory: Your memory and logic are fully activated when you are playing Sudoku. We use our memory to remember numbers we are considering, and we use logic to figure out the potential answer in the next blank. Stimulates your mind: Playing Sudoku trains your logical thinking processing. It also helps you improve your numeracy skills. Reduces your chances of developing neurodegenerative diseases: Playing Sudoku keeps your brain stimulated. Improves your decision-making skills: Not only is playing Sudoku exciting, but it helps you learn how to make a decision and take action with less hesitation. Increases your concentration skills: Sudoku requires players to evaluate strategically and solve obstacles creatively. If you get interrupted in the middle of solving a puzzle, you'll

have to restart the whole thinking process again, which helps you to develop your concentration and re-focusing skills. Feel Satisfied! Sudoku gives you a sense of fulfillment when you can solve a puzzle, especially if the puzzle is a difficult one. By playing Sudoku daily, you'll learn how to solve puzzles faster and eventually advance to harder levels. Exercise your mind, and you will become more content and smarter too! From now on, play Sudoku every day. Note: We specialize in local publishing. We have many Sudoku Genius volumes available and other great books too! For additional Sudoku book editions, Search for: Sudoku Genius Mind Exercises: Greenbrae, California State of Mind Collection To view our full range of books for Greenbrae, California search for: Greenbrae, California State of Mind Collection

Union a Plague

Tim and Pleskit are abducted in this eighth book in the hilarious, fast-paced, and accessible sci-fi series Sixth Grade Alien from the bestselling author of Aliens Ate My Homework and My Teacher Is an Alien, Bruce Coville. Tim Tompkins has always wanted to visit outer space—though he didn't plan to go as a captive of a mysterious alien! But that's just what Tim, Pleskit, Maktel, and Linnsy have become: captives in an interstellar struggle for control of the galaxy. Can four kids from two very different planets learn to work together? They're going to have to if they want to survive on the strange new world where they've been trapped. But even if they can stay safe, how will they ever find their way back home?
