Sunday School Lessons and Sermon Topics for Real Faith in the Real World

Today there are many people in the world who attend Sunday school and church services that are exposed to instructional teachings that are either haphazard or

not focused upon those real-life issues that matter most to them. Likewise, this book offers Sunday school lessons that focus upon real-life concerns that help people understand how the word of God applies to providing knowledge for understanding the origins of spiritual, social, psychological, and vocational problems experienced in life and underscores thoughtful considerations for how to alleviate or solve those problems. In addition, this book is a suitable reference for pastors or teachers who need to refresh their war chest of sermon topics in which great instructional teachings might derive from in the future.
