Her Road Home

The first time he saw Sunny's Bar, in 1995, Tim Sultan was lost, thirsty for a drink, and intrigued by the single bar sign among the forlorn warehouses lining the Brooklyn waterfront. Inside, he found a dimly lit room crammed with maritime artifacts, a dozen well-seasoned drinkers, and, strangely, a projector playing a classic Martha Graham dance performance. Sultan knew he had stumbled upon someplace special. What he didn't know was that he had just found his new home. Soon enough, Sultan has quit his office job to bartend full-time for Sunny Balzano, the bar's owner. A wild-haired Tony Bennett lookalike with a fondness for quoting Shakespeare and Samuel Beckett, Sunny is truly one of a kind. Born next to the saloon that has been in his family for one hundred years, Sunny has over the years partied with Andy Warhol, spent time in India at the feet of a guru, and painted abstract expressionist originals. But his masterpiece is the bar itself, a place where a sublime mix of artists, mobsters, honky-tonk musicians, neighborhood drunks,

nuns, longshoremen, and assorted eccentrics rub elbows. Set against the backdrop of a rapidly transforming city, Sunny's Nights is a loving and singular portrait of the dream experience we're all searching for every time we walk into a bar, and an enchanting memoir of an unlikely and abiding friendship.

No white picket fences for her! It's not in Samantha Crozier's DNA to ignore the call of the open road. The wind in her hair and the pavement beneath her bike are all Sam needs. Until she crashes into Widow's Grove and the arms of Nick Pinelli, that is. Nick is gorgeous, and pure temptation-temptation Sam is determined to avoid. But with her motorcycle totaled, she's here for a while. So she comes up with a plan to renovate an abandoned house. Once that's done, she's gone. However, the plan quickly backfires. She can't find any resistance to Nick's charm. Worse, for the first time, the house she's working on is beginning to feel like a home. Her home. And she knows that's all because of Nick.
