Travel industry experts report that more and more people are combining vacations with volunteer work—the growing phenomenon called "voluntourism." Professionals predict this will be a key growth area for years to come; the voluntourists themselves find it a rewarding activity, good for body and soul. And nobody provides such a fun, inviting overview of the possibilities as savvy travel writer Pam Grout in the latest title in our 100 Best Vacations series. With its elegant two-color design, playful cover, and winningly positive goal, it's a travel guide with heart, inexpensive yet inspiring—an ideal gift book for people who care to share. From building houses in Appalachia to saving sea turtles in Costa Rica to teaching English in Thailand, this book is a rich resource of ways to use your skills to help out the world and reap some lasting benefits yourself. Like its two predecessors, it includes an engagingly descriptive menu of choices for tastes and talents of all kinds, along with detailed specifics to turn good intentions into satisfying reality. Throughout, sidebars describe nearby places to visit, little-known facts, and more, providing depth and variety, while a comprehensive resource listing gives additional information about the different organizations offering volunteer vacations.

The Hundred Best Poems (lyrical) in the English Language

Travel statistics say that baby boomers travel more than any other age group in America—and that an ever increasing number of them are looking for ways to spend their leisure time in substantial, meaningful ways. One especially fast-growing area of interest is the "experience-driven" or "wellness" vacation, a proactive approach based on the idea that true recreation involves positive engagement: acquiring a new skill or volunteering to share your own expertise; exercising your intellect or extending yourself in some creative, physical, or spiritual way. In response to such aspirations, this timely book showcases a broad range of the most life-enriching getaways in the U.S., Canada, and Mexico, with something for every taste and every interest. Here are programs dedicated to kayaking lessons, mountain biking, yoga instruction, and more. Perhaps you'd prefer to spend an arts and crafts holiday focused on a creative activity like cooking, painting, or woodworking. Imagine studying French in a Maine village, learning about nutrition at a historic North Carolina spa, or helping rebuild the devastated communities of the Gulf Coast. Weave a Navajo rug; make a film in New York; learn to surf in Mexico; or choose any of scores of other possibilities. Elegantly designed and packed with attractive and fun descriptions, detailed travel information, lists of unique activities, and special sidebars, this unusual resource tells you all you need to know to ensure that your next vacation won't just be time off—it will be time well spent.

100 Essential American Poems

This comprehensive anthology attempts to give the common reader possession of six centuries of great British and American poetry. The book features a large introductory essay by Harold Bloom called "The Art of Reading Poetry," which presents his critical reflections of more than half a century devoted to the reading, teaching, and writing about the literary achievement he loves most. In the case of all major poets in the language, this volume offers either the entire range of what is most valuable in their work, or vital selections that illuminate each figure's contribution. There are also headnotes by Harold Bloom to every poet in the volume as well as to the most important individual poems. Much more than any other anthology ever gathered, this book provides readers who desire the pleasures of a sublime art with very nearly everything they need in a single volume. It also is regarded as his final meditation upon all those who have formed his mind.

Awakenings--which inspired the major motion picture--is the remarkable story of a group of patients who contracted sleeping-sickness during the great epidemic just after World War I. Frozen for decades in a trance-like state, these men and women were given up as hopeless until 1969, when Dr. Oliver Sacks gave them the then-new drug L-DOPA, which had an astonishing, explosive, "awakening" effect. Dr. Sacks recounts the moving case histories of his patients, their lives, and the extraordinary transformations which went with their reintroduction to a changed world.

He has published some thirty books. His work is studied in schools and universities around Australia and has been translated into several foreign languages.

The Hundred Best English Poems

When We Were Very Young

Selected poems from a Nobel laureate Seamus Heaney had the idea to make a personal selection of poems from across the entire arc of his writing life, a collection small yet comprehensive enough to serve as an introduction for all comers. He never managed to do this himself, but now, finally, the project has been returned to, resulting in an intimate gathering of poems chosen and introduced by the Heaney family. No other selection of Heaney's poems exists that has such a broad range, drawing from the first to the last of his prizewinning collections. In 100 Poems, readers will enjoy the most loved and celebrated poems, and will discover new favorites. It is a singular and welcoming anthology, reaching far and wide, for now and for years to come.
