In this deeply moving and myth-shattering work, Ann Fessler brings out into the open for the first time the astonishing untold history of the million and a half women who surrendered children for adoption due to enormous family and social pressure in the decades before Roe v. Wade. An adoptee who was herself surrendered during those years and recently made contact with her mother, Ann Fessler brilliantly brings to life the voices of more than a hundred women, as well as the spirit of those times, allowing the women to tell their stories in gripping and intimate detail.

TIME'S NOW for Women Healthcare Leaders: A Guide for the Journey Women comprise over 80 percent of healthcare frontline employees, but they often hit the proverbial glass ceiling. Only 30 percent of healthcare C-suite Executives and less than 15% of CEOs are women. Moreover, while 51 percent of medical students are women, only 16 percent of the Department Chairs and Deans are women. Clearly, women are facing barriers to achieving their potential, limiting their ability to add their unique talents and skills to the tables of leadership. The author provides extensive detail on these barriers and approaches to their solutions. This is a practical "how-to" book that will help women in healthcare envision their ability to contribute and inspire them to lead. The author sees this as not only helping women, but also facilitating solving healthcare's myriad problems, improving health and benefitting society. \*\*\* This book is a must-read primer for women seeking leadership. It is practical, thought provoking, and carefully researched, addressing why women's leadership is important and how women can be better leaders. Gabow's approach capitalizes on interviews with strong women leaders. She uses the notions she learned from the interviews coupled with research from the literature to create an easy-to-read, motivating, and challenging book for women and men! Nancy Agee President and CEO Carilion Clinic Past Chair American Hospital Association TIME'S NOW for Women Healthcare Leaders is filled with powerful examples of how women have overcome multiple obstacles and prevailed on their leadership journeys. It is a MUST read for women and men about the obstacles to be overcome, potholes to avoid, and the shout outs to be given to women who every minute, every hour, every day are committed to human caring. It has captured the heart and spirits of women from diverse backgrounds who have and continue to demonstrate their commitment to making society a better place for all! Linda Burnes Bolton, DrPH, RN, FAAN Senior Vice President and System Chief Equity Officer Cedars Sinai Health System This highly engaging book addresses the relative dearth of women leaders in healthcare through thoughtful assessment of how leaders' values and actions can improve healthcare within healthcare organizations and systems. Dr. Gabow, an exceptional leader whose relentless passion for excellence for patients served by Denver Health earned her national renown, combines insightful observations from her own path with current statistics about women in medicine, experiences of other successful women

leaders, and mentoring skills to offer wise counsel to all current and future leaders. The thoughtful distillation of practical wisdom offered here make this book a unique contribution and highly relevant to healthcare in America today. Carolyn Clancy, M.D. Past Director, Agency for Healthcare Research and Quality This insightful book is full of personal stories, honest reflections, and data-driven guidance from and about women leaders. It serves as a wonderful resource for those motivated to advance diverse and inclusive organizations. Karen DeSalvo, M.D., MPH Chief Health Officer, Google Health Past Acting Assistant Secretary for Health, US HHS National Coordinator for Health Information Technology, US HHS

Calling all Catholic women! Has your longing for real romance never really been satisfied? Have you been let down by love or marriage? Are you tired of asking God for happily ever after? Hope is here. In this her latest in the series--all about romance!--noted author Rose Sweet reveals the truth behind flowers, love letters, and the deepest desires of the heart. The Catholic Woman's Guide series integrates classic Catholic theology (Theology of the Body and teachings on contemplative prayer) with Sweet's unique brand of story and humor and will help you to find and hold on to authentic happiness, love, and joy in every area of your life. In this second volume, The Catholic Women's Guide to Romance, Sweet takes you through the doorway of romance that leads deep into the "Interior Life." Topics include: Expressing love in rites and rituals Seeing romance in religion Lusting for love in ways that hurt us Hearing the Bridegroom and saying "yes" Understanding the meaning of Scripture Unveiling the secrets hidden in the Mass Sweet reveals the "Seven Stages of Romance" and points to the places we often get stuck or lost. Her most surprising secret of all will fill you with joy at the extravagant love God has for you! The Adventure awaits! Accompany Rose through the portal of romance to the Love that never fails!

## **Catholic Guide to Depression**

## **The Adoration of the Blessed Sacrament**

In these fascinating pages, author Luanne Zurlo shows that, contrary to popular opinion, single life is often a holy, joyful vocation lived out, sometimes in a hidden way, by souls who have had an authentic encounter with Christ. Here she sheds light on this little-understood vocation discerned and embraced by a growing number of single persons who neither marry nor enter religious life. These souls are joyfully single for a greater purpose, nourishing both the world and the Church with the unique spiritual strengths and graces that God gives to souls who deliberately remain single for Him — in the world but not of it. In the face of mounting difficulties within our world and our Church, God is now calling for an army of dedicated singles — laymen for the Kingdom of God — nourished from within and empowered by an authentic, personal encounter with Him alone.

How the saints, the sacraments, and psychiatry can help you break depression's grip and find happiness again Countless Christians—including scores of saints—have suffered profound, pervasive sorrow that modern psychiatrists call “depression.” Then, as now, great faith and even fervent spiritual practices have generally failed to ease this wearying desolation of soul. In these pages, Catholic psychiatrist Aaron Kheriaty reviews the effective ways that have recently been devised to deal with this grave and sometimes deadly affliction — ways that are not only consistent with the teachings of the Church, but even rooted in many of those teachings. Extensive clinical experience treating patients with depression has shown Dr. Kheriaty that the confessional can't cure neuroses, nor can the couch forgive sin. Healing comes only when we integrate the legitimate discoveries of modern psychology and pharmacology with spiritual direction and the Sacraments, giving particular attention to the wisdom of the Church Fathers and the saints. Here, with the expert help of Dr. Kheriaty, you'll learn how to distinguish depression from similar-looking but fundamentally different mental states such as guilt, sloth, the darkness of sin, and the sublime desolation called “dark night of the soul” that is, in fact, a privileged spiritual trial sent to good souls as a special gift from God. You'll come to know how to identify the various types of depression and come to understand the interplay of their often manifold causes, biological, psychological, behavioral, cultural, and, yes, moral. Then you'll learn about exciting breakthroughs in pharmacological and other medical treatments, the benefits and limitations of psychotherapy, the critical place that spiritual direction must have in your healing, and the vital role that hope — Christian hope — can play in driving out depression.

Calling all Catholic women! Does your religious reading and pious practice not always "translate" into how you interact with and love each other? Are you not always aware or convinced of God's love for you? Does happiness seem to elude you in certain circumstances of your life? Fear not! Noted author Rose Sweet is here to help in a new series of books with practical steps and tips to help the reader first remember God's tender love for her and then to love neighbor . . . so that the ups and downs of life and relationships will not diminish her joy. The Catholic Woman's Guide series integrates classic Catholic theology (Theology of the Body and teachings on contemplative prayer) with Sweet's unique brand of storytelling and humor and will help you to find and hold on to authentic happiness in every area of your life. In this first volume, The Catholic Women's Guide to Happiness, Sweet takes you into the "Interior Life" to explore the attitudes, fears, and deepest desires that may keep you from greater joy. Topics include: Identifying what gives you the most pleasure, peace, contentment, and satisfaction. Recognizing when you may be hanging on too tightly to something you own, a power you possess, or even a person you love. Rooting out the specific fears that rob you of happiness. Hearing what the saints and

mystics have said about happiness. Seeing hidden windows and doors that open to the deepest joys. Reordering your natural desires rather than repressing or rejecting them. Sweet points to the goodness and love of God as the true Source of all happiness and how to reconcile your longings with his special love for you. The Adventure awaits! Accompany Rose on this journey to true happiness in Christ!

## **Meditations for Every Day in the Month**

Looks at the history of the Immaculata Mighty Macs through a collection of surveys and interviews with more than 130 former players and others affiliated with the program.

## **A Catholic Woman's Guide to Romance**

## **The Holiness of the Church in the Nineteenth Century**

Father Lasance's "Catholic Girl's Guide," published in 1906, found immediate success among Catholic readers, and the natural demand for a companion volume gave rise to "The Young Man's Guide" in 1910. Both have a similar format and similar material, though each is geared specifically for its particular audience. In "The Young Man's Guide" we see life as warfare; thus those who would conquer must be prepared, as were the knights of old. The implements of battle are the young man's virtues, and the fight will determine not only the character of the man he will become, but the crown he may win in the hereafter. The original "Guide" doubled as a prayerbook, including numerous devotions, litanies, and even a Latin Missal; however, this edition omits most of these prayers, retaining only a selection of the most important, as well as the original section on preparation for Confession. Because of these omissions, this volume is considered abridged; however, "all of the material contained in this edition remains unchanged and unabridged" based on the original 1910 edition printed by Benziger Brothers. Brand-new illustrations by Julie Streeter bring to life this classic text, which served as an inspiration for the Blue Knights boys clubs.

A woman's vocation is to love—indeed, this feminine gift is essential to the health and strength of civilization—and yet women cannot love freely without knowing how to move past the personal wounds that are inevitable in a fallen world. In this new book, Genevieve Kineke shows women that once they see the grace and freedom inherent in forgiveness, their natural fear of injury will give way to the transforming power of God's grace. Addressing both the traumatic and the trivial, Genevieve weaves biblical truths and real-life stories together in a way that reveals the heart of forgiveness: the freedom that comes from letting go and forgiving.
