Research Report

In this landmark book, the authors challenge the church to be revitalized by the insights and practices found in the Twelve Steps. They combine Sam Shoemaker's time-tested principles of spiritual growth and evangelism with the current support group programs used by the Minirth-Meier Clinic and recovery group programs in churches throughout the country--wisdom that is as old as the Bible and as new as the 20th century.

Women's Health Journal

Young evangelicals in Britain often find themselves at odds with an increasingly secular society, and yet the tradition persists and in some places flourishes. Sociological studies into the faith of this demographic group are rare, yet there is much to be explored as to how their faith functions and how it compares to other groups globally. Similarly, given the privilege evangelicals afford the biblical text, how young believers engage with the ancient Scriptures they understand to be "the word of God" is particularly significant. This work addresses that core question. How do young evangelicals make sense of the Bible today? Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities, ordinary hermeneutics, and theological concerns of young adults. Presenting age-related focus groups with challenging biblical narratives, the study compares strategies for negotiating the texts based on age, gender, and

churchmanship. It provides a unique insight into the realities of Bible reading and the faith of "Generation Y" and gives food for thought not only to those with scholarly interests, but also those with a pastoral concern to shape and sustain the Christian faith of young adults in Britain and beyond.

Can I Know What to Believe?

Your youth group is like no other-so a cookie-cutter curriculum just won't do. With a single book you have the basics for 15 complete sessions-and you can put it all together in a way that works for you. Each topic has been developed by ministry experts to be teen-relevant and spiritually enriching. Each five-session book also includes a 14-point plan for customizing your program, a selection of ice breakers, thought provokers, reproducible handouts, and an encouraging how-to article from well-known youth ministry experts! Can I Know What to Believe? Beliefs to Beware Of--Strategic Answers about Cults (Understand doctrines of Mormons, Jehovah's Witnesses, Christian Science, Scientology, and Unification Church and how they differ from biblical Christianity. Contrast the Bible with the New Age Movement, witchcraft and more. Prepare teens to stand firm in their faith.) They're Not Like Us--What Different Churches Believe (Answer questions concerning what other churches believe. Explores differences between Protestants and Catholics and an overview of various mainline denominations. Discover the common heritage of the universal church.) Your Bible's Alive--How to Get Friendly with God's Book (Brings teens face-to-face with God's Word. Clear up misconceptions about Scripture and show how various Bible characters and incidents are related, gives practical tips for understanding the Bible.) Features: 400+ options for full customization 15 sessions with reproducible resources

Handbook of Qualitative Research Methods in Marketing

Get answers to the Bible questions you have and questions you haven't yet pondered! Over 7,000 notes written in an engaging question and answer format give insight into the common, uncommon, and sometimes perplexing passages from the Bible.

The Inventor's Bible

World Mission: The Biblical

Back by popular demand, this work was originally three volumes in length but is now reprinted as a single volume. This manual integrates essential and relevant articles from Perspectives on the World Christian Movement Reader, and the Perspectives Study Guide, leading the student into deeper, broader mission understanding and vision by covering the Biblical/historical foundations, the strategic dimensions, and cross-cultural considerations.

Wounded Women of the Bible

Women of Bible and Culture

12 group sessions that use football to help young people connect with key Christian beliefs. Suitable for use with 9- to 13-year olds. Ideal for Sunday schools and mid-week groups.

Iron Sharpens Iron

Spiritual Resiliency In Older Women records the narratives of spiritually resilient older German and American women. The authors suggest how persons of all ages can gain maturity and spiritual coping by participating in communities based on faith, which acknowledge the emotion of spiritual experiences and integrate faith and close human relationships.

The Bible Reading of Young Evangelicals

Dave Willis, author, speaker, and father of four boys, talks biblically and practically about how to raise a generation of boys who are champions, encouragers, and respecters of women. In the #metoo and #churchtoo era, with so many men and boys continuing to make the same mistakes, we have to ask: Where are we going wrong? And perhaps more importantly, how do we raise up men who will break this cycle? As the father of four boys, relationship coach and author Dave Willis has studied this issue deeply, concluding that if we are to raise boys to respect girls--and not end up with men who say they respect women but whose actions reveal otherwise--we must go back to the heart of things. Or, more specifically, we must go back to our own hearts. In *Raising Boys Who Respect Girls*, Willis helps readers inventory the blind spots that lead to accidental forms of disrespect, showing how to root out issues in our own hearts before we inadvertently pass along these same issues to our boys. He also teaches readers how to cultivate a healthy respect for God and for themselves as created in his image, as well as a similar respect for others. Full of scripture, research, age-specific tools, and conversation models, this book offers a practical strategy for mindful parents to first embody the right principles themselves and then teach them to their sons.

T&T Clark Handbook of Asian American Biblical Hermeneutics

Explains how to patent and market a product, discussing factors including how to present a product; the relationships between distributors, buyers, and manufacturing agencies; and how to calculate manufacturing costs.

Public Health Education in the African American Community

Custom Curriculum allows you to address the issues that students face in today's world in a way that can be fully customized to be a perfect fit for your group.

The Focus Group Directory of the Greenbook

Both participants and leader will be transformed through this revolutionary approach to group Bible study. Far-reaching in its concept and implications, this

innovative group-encounter method makes particular use of split-brain theory, emphasizing the province of the brain's right hemisphere -- synthesis, imagination, feeling, etc. It also blends biblical form criticism and Jungian psychology with a zealously inquisitive spirit. Wink does well to integrate the social with the personal, as well as the relevance of a scripture passage in its original cultural context with its relevance to our contemporary context. Numerous examples and exercises are given, along with helpful appendices. If you are involved in clergy or lay study groups, teaching a church class, or conducting a prison ministry, Wink's study will open the door to a radically new understanding of the Bible. In the end, the transformation of study methods will lead to the transformation of participants.

Can I Really Relate?

Crisis

Reissued in five parts, this is the revised four-volume tenth edition (1856) of an influential work of biblical scholarship.

The Master Attractor

HIV/AIDS and the Bible in Tanzania

Turbocharge your marketing efforts with the powerful FUSE! strategy The Fusion Media Marketing Bible explains how to pinpoint the most effective elements of your traditional marketing efforts and combine them with social media and digital marketing to reach more customers than ever, while spending less money. Packed with case studies from LinkedIn, New Zealand World Cup Rugby, Sheetz Convenience Store Restaurants, and other companies that have made fusion marketing work for them, it provides everything you need to drive dramatic increases in traffic and revenues. Praise for the The Fusion Marketing Bible "As many marketers get attached to social media 'tools,' they have forgotten that all marketing is about having conversations and providing real benefits to customers. Lon's techniques will teach you how to 'fuse' traditional media, social media, and digital media to create authentic conversations that build trust, loyalty, and, yes, revenue." —Carmine Gallo, author of the bestselling books The Apple Experience, The Presentation Secrets of Steve Jobs, and The Innovation Secrets of Steve Jobs "Perfect for entrepreneurs looking to better understand the relationship between traditional media and marketing and social media. A very likeable book indeed!" —Dave Kerpen, New York Times bestselling author of Likeable Social Media and Likeable Business "Lon shows us how to make traditional, digital, and social marketing work in concert. He gets us thinking about marketing in 3D." —Erik Qualman, bestselling author of Socialnomics and Digital Leader Includes 21 videos accessible through QR codes

The Vault MBA Career Bible

Journal of Theology for Southern Africa

A rare and much needed compilation of some thought-provoking papers in the area of qualitative research in marketing, this book is a must have for anyone pursuing the discipline of marketing research, scholars intent on the pursuit of qualitative inquiry as well as practising professionals looking for innovative approaches to research. Global Business Review Belk has compiled an exhaustive collection of contributions from scholars and practitioners throughout North America and Europe. . . . This extremely informative volume spans the full array of qualitative research areas. . . . Highly recommended. S.D. Clark, Choice The Handbook of Qualitative Research Methods in Marketing offers both basic and advanced treatments intended to serve academics, students, and marketing research professionals. The 42 chapters begin with a history of qualitative methods in marketing by Sidney Levy and continue with detailed discussions of current thought and practice in: research paradigms such as grounded theory and semiotics research contexts such as advertising and brands data collection methods such as projectives and netnography data analysis methods such as metaphoric and visual analyses presentation topics such as videography and reflexivity applications such as ZMET applied to Broadway plays and depth interviews with executives special issues such as multi-sited ethnography and research on sensitive topics. Authors include leading scholars and practitioners from North America and Europe. They draw on a wealth of experience using well-established as well as emerging qualitative research methods. The result is a thorough, timely, and useful Handbook that will educate, inspire, and serve as standard reference for marketing academics and practitioners alike.

Using the Bible in Groups

Public theology is a developing field of discourse concerned to address matters of pressing public concern in theological perspective for the common good. Themes of ecology, poverty, human rights, and especially justice feature prominently in its discourse. Although justice is also a prominent theme in the Bible, there is no single perspective on what constitutes justice in the Bible and no single view on how biblical perspectives on justice should contribute to contemporary discussion regarding the meaning and implementation of justice. Informed and inspired by Christopher Marshall's landmark work on Compassionate Justice (Cascade Books, 2012) in dialogue with Jesus' parables of the Good Samaritan and the Prodigal Son, this collection of studies addresses various interrelations between the Bible, justice, and public theology. Marshall himself proposes that certain parables of Jesus are paradigmatic for public theology, and some contributors respond to

different dimensions of his treatment of the parables of the Good Samaritan and the Prodigal Son in terms of restorative justice. Other contributors, by contrast, examine broader related concerns such as justice in biblical, theological, and philosophical perspective, the hermeneutics of engagement for justice, the relation between feminist theology and restorative justice, biblical resources for public theology, and popular culture as both a conversation partner with and a medium for public theology.

The Focus on the Family Women's Ministry Guide (Focus on the Family Women's Series)

Imploding relationships, incapacitating losses, injurious personal mistakes, or spiritual failures—whatever the issue, the wounds are the same. Whether it's a lapse in judgment by Bathsheba or the moral failure of the women's ministry leader in your local church; the spiritual insensitivity of Martha or the compulsive obsessions of your church's care circle chairwoman; the terror of an abandoned single mother like Hagar or the struggling single mother in your prayer group—the time and circumstances are different, but the wounds are equally deep and spiritually devastating. Dena Dyer and Tina Samples get it. They have their own stories of pain before healing—along with similar experiences of their families and friends. Offering more than pat affirmations or vicarious shoulders to cry on, Dena and Tina delve deep into the shared emotions and injuries that women of all ages have in common—and move readers toward the recovery and healing that only God can provide. No matter what hurts you've experienced, *Wounded Women of the Bible* proves that God understands and that healing is not only His intention but His delight! This is a book not to be missed!

The Managerial Leadership Bible

Use modern scientific foundations and Bible based wisdom to align your life with the Law of Attraction as do the Master Attractors. What is common to evangelist Billy Graham and to world champion Roger Bannister who broke the four minute mile barrier? They benefit from the Law of Attraction! The Law of Attraction is a mindset known over two thousand years ago to the authors of the Bible. Modern scientific fields from neuro-biology, neuro-psychology and social studies identified the foundations and mechanisms of action of the pervasive Law of Attraction. From rulers and prophets to contemporary inventors, politicians, physicians, and evangelists to modern thought-leaders they all use the framework of the Law of Attraction. They align their life and activities with the Law of Attraction and manifest their objectives. You can also align yourself with this ancient wisdom and manifest what you wish out of life. Like King Solomon you can be a Master Attractor that attracts health and longevity, acquires knowledge and invents technologies, wins a political office, manifests wealth and real-estate, and grows your family dynasty. In "The Master Attractor," Mandy Lender MD, illustrates step-by-step how to align yourself with the mindset of the Law of Attraction and manifest your life mission. Dr. Lender researched scientific literature and identified the biologic foundations of the Law of Attraction as it is observed in the work of renowned contemporary physicians, politicians, evangelists and world sports champions. The universal Law of Attraction rewards every human being who lives

in alignment with its Key Concepts.

An Introduction to the Critical Study and Knowledge of the Holy Scriptures

For nearly twenty-five years, Elmbrook Church in Waukesha, WI, has supported a variety of ministries by and for women. Today their program stands as a model. Yet, as the authors of *Designing Effective Women's Ministries* will tell you, it did not happen overnight, but through trial and error. In *Designing Effective Women's Ministries*, the authors share what worked for them and what didn't. They explain how to start where you are, with what you have, and how to do what God wants you to do. *Designing Effective Women's Ministries* included tips and techniques for establishing groups and programs that meet the needs of today's women. The book shows how to develop programs that are specifically tailored to your church and your community.

The Fusion Marketing Bible: Fuse Traditional Media, Social Media, & Digital Media to Maximize Marketing

Focus group participants answered questions regarding what they learned from the debates, how they assessed the formats, what improvements they wanted in future debates, and how information provided by the debates compared with that from other news sources. The fourteen chapters of this volume include a summary of past research on presidential debates, an outline of the focus group methodology used here, and the results of the focus groups, including numerous quotations from focus group members.

Spiritual Resiliency in Older Women

Deriving conclusions from the National Survey of Black Americans and several additional wide-ranging surveys, *Religion in the Lives of African Americans* examines broad issues: patterns of religious involvement; the functions of religion in coping, social support, etc.; and the relationships between religion and physical and mental health and well-being. Since the early 1900s, there has been ongoing academic interest in the nature, patterns, and functions of religion in the lives of African Americans because of the pervasiveness and persistence of the religious context in the lives of individuals, families and communities for this population group. This book enhances and furthers such academic interest by presenting a comprehensive, integrated analysis based upon rigorous, systematic survey research. The authors provide readers with an authoritative profile of the importance of religious involvement in relation to diverse forms of behaviours, attitudes and perceptions.

Designing Effective Women's Ministries

The Researcher's Bible

Custom Curriculum allows you to address the issues that students face in today's

world in a way that can be fully customized to be a perfect fit for your group.

Religion in the Lives of African Americans

Orlando Saer provides a realistic and helpful guide for small group leadership. Unexceptionably biblical, intensely practical and ever-so-wise It is terrific, truly the best book of its kind I have read. R. Kent Hughes, Senior Pastor Emeritus, College Church, Wheaton, Illinois

Transforming Bible Study

A journal of lay Catholic opinion.

Michigan Journal of Community Service Learning

The African American community is facing a health crisis. We are in a predicament in which excessive eating is the order of the day. This overindulgence of food has caused obesity, infant mortality, hypertension, heart failure, diabetes, kidney disease/failure, cardiovascular disease, and eventual death. The purpose of this book is to build public awareness of the health crisis facing the black community, develop a health education model suitable for use in large and small groups that would serve to improve diet and exercise in at-risk individuals and promote the establishment of Faith and Health initiatives in the local church.

The Bible, Justice, and Public Theology

A short introduction to the major concepts and approaches used in the social sciences, especially in sociology, anthropology, and leisure, recreation, and tourism. It's an ideal supplement to a more detailed text on research methods and a guide to choose which research methods to use in a study. It also provides an explanation of different options for company owners and managers of organizations, who might want to do research or hire a research company to conduct a study for them. The chapters cover these topics: What is research and how it differs from program evaluation Choosing a research topic The contribution of different disciplines to the social sciences Different research approaches in social science research Using observation in social research Using qualitative and quantitative research methods The main characteristics, advantages, and disadvantages of different sampling methods The main techniques for analyzing surveys and their advantages and disadvantages The major statistical concepts The major data analysis techniques The easiest method for social research

Digital Animation Bible

The first reference resource on how Asian Americans are currently reading and interpreting the Bible, this volume also serves a valuable role in both developing and disseminating what can be termed as Asian American biblical hermeneutics. The volume works from the important background that Asian Americans are the fastest growing ethnic/racial minority population in the USA, and that 42% of this group identifies as Christian. This provides a useful starting point from which to

examine what may be distinctive about Asian American approaches to the Bible. Part 1 of the Handbook describes six major ethnic groups that make up 85% of Asian population (by country of origin: China, Philippines, Indian Subcontinent, Vietnam, Korea, Japan) and outlines the specific concerns each group has when its members read the Bible. Part 2 of the Handbook examines major critical methods in biblical interpretation and suggests adjustments that may be helpful for Asian Americans to make when they are interpreting the Bible. Finally, Part 3 provides 25 interpretations by Asian American biblical scholars on specific texts in the Bible, using what they consider to be Asian American hermeneutics. Taken together the Handbook interprets the Bible both with and for the Asian American communities.

Does the Bible Have Any Answers?

Offers computer owners advice on how to incorporate their PCs into the operation of their small businesses, addressing every situation that small businesses face, ranging from accounting to managing staff.

Do I Know What the Bible Says?

Now You Can Lead the Women in Your Church on a Journey of Fellowship and Fun! In America today, Christian churches are held together through the prayer and service of women--yet many of these women are overwhelmed and in need of a break so that they can reconnect with the Lord. That's why Focus on the Family has combined the best features of women's ministries and created these new resources to give women of all ages a chance to get together for quality time with each other--and with God. The essential principles in this guide were specially selected to help you lead a ministry that comprises women from different generations and backgrounds. Even if you've never led a group before, you can successfully start, run, and grow a women's ministry with the step-by-step guidelines in this manual. Help the women in your church join together for a journey of laughter and growth in Christ.

The Small Business Bible

This book argues that the Baptist religious denomination underscores the empowerment of women and the expansion of their cultural sphere in Malawi. The study provides the theological background, and gives the history of Baptist women in the south of the country for the period 1961-2001. Women, baptism and marriage is a further subject of study. The author is a theologian, specialising in gender issues.

Niv, Quest Study Bible, Personal Size, Leathersoft, Blue, Thumb Indexed, Comfort Print
