Pain relief from head to toe. The Miracle Ball Method is a proven, effective healing kit, including two balls and a fully illustrated book of exercises and techniques for pain and stress relief. The Method. This revolutionary program uses controlled breathing, two squishy balls, and simple exercises of rolling and rotating to heal everything from a bad knee to a stressed-out back. The key is to let gravity do all the work. The Balls. Take two—they're small. Made out of a durable, yielding, nontoxic PVC, the balls are sized to tuck under strategic parts of your body, including back, neck, head, knees, hip, and elbow. Like magnets, they draw out pain and tension. Elaine Petrone. After suffering a career-ending, potentially crippling injury to her back and right leg, a young dancer named Elaine Petrone turned to everyone from orthopedists to yogis to heal her injuries. Nothing worked—until she developed her own program of therapy. Elaine's simple program and the classes she teaches in the Miracle Ball Method have helped thousands of people conquer pain, stress, and injury.

The more the science has advanced the further away have we moved from nature. Thanks to our artificial existence, even to quench a natural urge like thirst, we imbibe synthetic substances such as colas and caffeine-loaded drinks. Having starved our body of nature`s most precious liquid, water, we are beset with multiple ailments like headaches, arthritis, asthma, urinary problems, general debility, blood pressure and the like. Very often missing the root cause of the problem, we rush to doctors - only to have antibiotics pumped into us that offer short-term relief while turning into long-term nightmares. This book shows how drinking just 12 to 14 glasses of water per day (for the average person) cures many ailments, including chronic ones.

Right Neti Pot Himalayan Salt Is Best How to Use a Neti Pot The Pot Procedure Benefits of Neti -based Water Therapy Precautions during Water Therapy. Pressure points for improving Eyesight Conclusion Author Bio Introduction Being very interested in alternative medicine forms like Ayurveda and being taught yoga as a part of our Academic curriculum, in our student days, I soon began to understand why the ancients in the East considered yoga to be an integral part of their lives. This book is going to introduce you to some of the more common ancient natural healing traditions practiced in the Indian subcontinent since ancient times. I was talking to an American audience about alternative Indian medicine, when I spoke about Ayurveda and yoga. A friend immediately said, "But that is religious, and is based on Hindu practices." I would like to clear up this point once and for all. These practices are definitely not based to people belonging to one religion. Besides, the people who wrote these exercises and rules for right and proper living, and practiced them millenniums ago were Aryans and they gave this knowledge in their religious and spiritual books to the people of India who were practicing Hinduism. Practicing Hinduism? What do I mean by that? Consider Hinduism at that time to be a way of life, practicing nonviolence and following the wise teachings of the ancient ones. It is now a full-fledged religion, incorporating those same beliefs, traditions, and way of life in their manner of living and being. The ancient knowledge of those wise ones are now being practiced, as set down in the Vedas and the Puranas. I am definitely not a Hindu, but since childhood, I and my Hindu, Christian, Mussalman, Buddhist, Sikh and Jain Friends did all these yogic

# Read Book The Miracle Of Water Therapy And Oil Pulling A Beginners Guide To Ancient Yogic Remedies

exercises every morning, during school assembly, and we never believed them to be part of a religious tradition belonging exclusively to the Hindus. Our teachers were sensible enough not to let even an inkling of this controversial idea blossom in our infantile, suspicious and susceptible minds, because that would mean that 17% of the students would immediately have their parents yelling “keep religion out of academics. This is unacceptable. ” This is an extremely touchy subject in the East. And because we considered these exercises to be part of PT, 15 minutes of this healthy workout kept us healthy and happy throughout our childhoods and youth. We never knew that they were yogic exercises! According to us, we were keeping healthy, in a natural manner. We definitely did not chant Hindu hymns while doing these exercises. That in itself would be anathema Maranatha to anybody not a Hindu, including I. So the idea that this universal healing tradition is limited to just one peoples, is definitely wrong, and it has been started by some lazy minded people, who would rather find excuses not to do a thing rather than work out. So here am I -not a Hindu!- telling all my friends all over the globe how they can keep healthy, through different natural remedy practices, which have been in vogue for centuries in the Indian subcontinent. These practices are going to include oil pulling, which is getting to be extremely popular in the West today, and also water therapy. All this information was taken by me from an experienced Ayurvedic doctor, so that all the information that is being given to you has been time tested and has been recommended by him. But before that, you would want to know a little bit more about the terms, which I am going to be using in this

## Urine Therapy

An introduction to urine therapy's amazing effectiveness in treating a wide array of physical complaints. • Contains effective treatments for acne, asthma, hair loss, indigestion, infections, migraines, warts, wrinkles, and many other common ailments. • Examines the historical use of urine therapy in the United States, Europe, and Asia. • Includes a program for overcoming initial aversion to urine therapy. If you are like most people, trained from their earliest years to regard urine as a mere waste product, the thought of using it for its healing powers may seem shocking. Yet urine has long played an important role in the holistic medical traditions of societies all over the world, and is even mentioned in the Ebers Medical Papyri of ancient Egypt. For centuries people have been availing themselves of urine's incredible curative powers for ailments ranging from anemia to warts. Urine is free, sterile, and acts homeopathically to "prepare" the immune system. Urine Therapy includes many case histories of people who have successfully treated their ailments with urine, along with cogent explanations of why urine does what it does, how to ensure that the wastes flushed out with your urine aren't taken back in, and why urine may be the best tonic available for your immune system. In addition to protocols for using urine to treat a wide array of diseases, the book offers a program that teaches you step-by-step to overcome any initial aversion to urine therapy. Still playing an important

# Read Book The Miracle Of Water Therapy And Oil Pulling A Beginners Guide To Ancient Yogic Remedies

role in the medical systems of countries as diverse as Germany, Japan, and India, this surprising health treatment has been gaining popularity in the United States.

## **Natural Therapy for Your Liver**

### **The Miracle Ball Method**

In this revolutionary treatise, J.W. Armstrong puts the

# Read Book The Miracle Of Water Therapy And Oil Pulling A Beginners Guide To Ancient Yogic Remedies

compelling case that all diseases (except those caused by traumatism or structural disorders) can be cured by one simple means. The therapy is an entirely drugless system of healing that treats the body as a whole. Moreover, the only ingredient needed is a substance manufactured in the body itself, rich in mineral salts, hormones and other vital substances, namely human urine. It may seem strange to take back into the body something that the body is apparently discarding. Yet the theory is similar to the natural practice of organic composting. Fallen leaves, when dug back into the soil, provide valuable mineral salts to nourish new plant life. The same principle holds true for the human body.

## **The Miracle of Urine-therapy**

### **Water a Miracle Therapy**

Humans have survived for as many as 90 days without food. But we can live only seventy-two hours without water before going into a semi-comatose state. However, drinking water saturated with inorganic minerals such as magnesium carbonate, calcium carbonate and other elements our bodies cannot use, may lead to a variety of unhealthy conditions and diseases. These inorganic minerals, toxic chemicals, fluoride and other contaminants can pollute, clog up and even turn our tissues into stone, causing pain, illness and even premature death. H<sub>2</sub>O Water, nature's healing water, may help remove inorganic mineral deposits and toxins from our joints,

# Read Book The Miracle Of Water Therapy And Oil Pulling A Beginners Guide To Ancient Yogic Remedies

may remove cholesterol and fat, and create a pH balance in our body. This book unlocks the mysteries of H<sub>2</sub> Water, which can often relieve chronic suffering. Using the miracle of H<sub>2</sub> Water Therapy can now help us live healthier, happier and longer lives. - Dr. Howard Peiper, N.D. We are very fortunate to be alive during a global movement towards hydrogen water therapy and enjoy its abundance of health benefits. Hydrogen was present at the dawn of time. It is the father of all known elements in our universe. It is the most abundant gas in our galaxy. Earth could not sustain life without it because 71% of our planet's surface is covered in water (2 Hydrogen Atoms + 1 Oxygen Atom = H<sub>2</sub>O). Our human body is a "bag of H<sub>2</sub>O." For centuries, science-minded people have focused on the "O" part of H<sub>2</sub>O and either minimized or have never considered possible health benefits of the "H<sub>2</sub>" in H<sub>2</sub>O. There are millions of hydrogen atoms in every glass of water! This raises two fascinating questions. First, how can the 2 hydrogen atoms connected to the 1 oxygen atom in H<sub>2</sub>O be separated from the water molecules? Second, how can we get these millions of liberated single hydrogen atoms to pair with each other and form a very safe, emerging medical gas, H<sub>2</sub>, and, again, get this medical gas safely infused into a glass of water? So, in this book, we have the privilege of introducing you to what may be the greatest discovery in medical-science and health-care since 1953! - Steven Clarke, C.M.H.A.

## **Water of India**

## Read Book The Miracle Of Water Therapy And Oil Pulling A Beginners Guide To Ancient Yogic Remedies

In this New York Times bestseller, internationally renowned Japanese scientist Masaru Emoto shows how the influence of our thoughts, words and feelings on molecules of water can positively impact the earth and our personal health. This book has the potential to profoundly transform your world view. Using high-speed photography, Dr. Masaru Emoto discovered that crystals formed in frozen water reveal changes when specific, concentrated thoughts are directed toward them. He found that water from clear springs and water that has been exposed to loving words shows brilliant, complex, and colorful snowflake patterns. In contrast, polluted water, or water exposed to negative thoughts, forms incomplete, asymmetrical patterns with dull colors. The implications of this research create a new awareness of how we can positively impact the earth and our personal health.

There Is Too Much Sickness in the World. God has provided everyone with many natural ways and means to heal ourselves. One of them is the seemingly unpopular and unscientific system of urine therapy. Believing that there is a free, natural medicine that can heal most ailments sounds totally ludicrous. Particularly if you add the fact that it has been around for thousands of years and works both externally and internally. Most people are understandably incredulous to learn that their kidneys can simultaneously produce a prognosis and a corresponding remedy for any sickness the body may have. Drink Your Own Water brings a whole new meaning to the term "Free Health Care." The list of diseases for which it has been effective is long enough to consider it a miracle remedy. In this book, you will learn: The toxic effects of chemicals The implications of nuclear radiation The nutritional problems caused by our diet The hazards of medical mistakes The kidney's advance system for healing The remarkable ingredients in urine Testimonies and history of urine therapy Why urine is the ideal tonic for the restoration of health Practical ways to utilize this personal remedy Tony Scazzero has been researching and practicing urine therapy for over 20 years. After trying it out in many situations and listening to others who have done the same, he came to the conclusion - it really works. With over 80 websites and a dozen books to back up his experience, he felt compelled to publish a simple book to condense this information for the average Joe. Not only will the reader learn about the phenomenal results from this obscure remedy, but he will also

# Read Book The Miracle Of Water Therapy And Oil Pulling A Beginners Guide To Ancient Yogic Remedies

discover the real, honest causes for the diseases affecting us today.

## **The pH Miracle**

If you have bad breath, bleeding gums, cavities, or tooth pain—you need this book! If you suffer from asthma, diabetes, arthritis, migraine headaches, or any chronic illness, and have not found relief, this book could have the solution you need. All disease starts in the mouth! As incredible as it may seem, most of the chronic and infectious illnesses that trouble our society today are influenced by the healthy of our mouths. Our mouths are a reflection of the health inside our bodies. If you have poor dental health, you are bound to have other health problems. Despite regular brushing and flossing, over 90 percent of the population has some degree of gum disease or tooth decay. Most people aren't even aware they have existing dental problems. Recent research has demonstrated a direct link between oral health and chronic illness. Simply improving the health of your teeth and gums can cure many chronic problems. More brushing, flossing, and mouthwash isn't the solution. What will work is Oil Pulling Therapy. Oil pulling is an age-old method of oral cleansing originating from Ayurvedic medicine. It is one of the most powerful, most effective methods of detoxification and healing in natural medicine. In this book, Dr. Fife combines the wisdom of Ayurvedic medicine with modern science. The science behind oil pulling is fully documented with references to medical studies and case histories. Although incredibly
