Court justice Ruth Bader Ginsburg. Supreme Court justice Ruth Bader Ginsburg is a modern feminist icon—a leader in the fight for equal treatment of girls and women in society and the workplace. She blazed trails to the peaks of the male-centric worlds of education and law, where women had rarely risen before. Ruth Bader Ginsburg has often said that true and lasting change in society and law is accomplished slowly, one step at a time. This is how she has evolved, too. Step by step, the shy little girl became a child who questioned unfairness, who became a student who persisted despite obstacles, who became an advocate who resisted injustice, who became a judge who revered the rule of law, who became...RBG.

Notorious RBG Coloring Book

To become the first female Jewish Supreme Court Justice, the unsinkable Ruth Bader Ginsburg had to overcome countless injustices. Growing up in Brooklyn in the 1930s and '40s, Ginsburg was discouraged from working by her father, who thought a woman's place was in the home. Regardless, she went to Cornell University, where men outnumbered women four to one. There, she met her husband, Martin Ginsburg, and found her calling as a lawyer. Despite discrimination against Jews, females, and working mothers, Ginsburg went on to become Columbia Law School's first tenured female professor, a judge for the US Court of Appeals, and finally, a Supreme Court Justice. Structured as a court case in which the reader is presented with evidence of the injustice that Ginsburg faced, Ruth Bader Ginsburg is the true story of how one of America's most "notorious" women bravely persevered to become the remarkable symbol of justice she is today.

NATIONAL BESTSELLER "A vivid account of a remarkable life." --The Washington Post In this comprehensive, revelatory biography--fifteen years of interviews and research in the making--historian Jane Sherron De Hart explores the central experiences that crucially shaped Ginsburg's passion for justice, her advocacy for gender equality, and her meticulous jurisprudence. At the heart of her story and abiding beliefs is her Jewish background, specifically the concept of tikkun olam, the Hebrew injunction to "repair the world," with its profound meaning for a young girl who grew up during the Holocaust and World War II. Ruth's journey begins with her mother, who died tragically young but whose intellect inspired her daughter's feminism. It stretches from Ruth's days as a baton twirler at Brooklyn's James Madison High School to Cornell University to Harvard and Columbia Law Schools; to becoming one of the first female law professors in the country and having to fight for equal pay and hide her second pregnancy to avoid losing her job; to becoming the director of the ACLU's Women's Rights Project and arguing momentous anti-sex discrimination cases before the U.S. Supreme Court. All this, even

Drinking Like Ladies

Speaking the Ruth to America Ruth Bader Ginsburg became a Supreme Court Justice in 1993, but her popularity has exploded over the last couple of years as she has been adopted as a modern feminist icon. An octogenarian who has proven that disagreeing does not make one disagreeable, Ginsburg is well-known for her pithy observations as well as her strongly argued dissents. Beloved by many – including her ideological opposition, former Supreme Court Justice Antonin Scalia, who was her dear friend – Ginsburg’s wisdom has never been more relevant or more important to American democracy. Sample quotes: “Women belong in all places where decisions are being made it shouldn’t be that women are the exception.” “Fight for the things you care about, but do it in a way that will lead others to join you.” “People ask me sometimes When will there be enough women on the Court? And I say, ‘When there are nine.’ People are shocked. But there’d been nine men, and nobody’s ever raised a question about that.” “My mother told me two things constantly. One was to be a lady and the other was to be independent. For most girls growing up in the ‘40s, the most important degree was not your B.A. but your M.R.S.” “We have the oldest written constitution still in force in the world, and it starts out with three words, ‘We, the people.’”

A new theory about the origins of consciousness that finds learning to be the driving force in the evolutionary transition to basic consciousness. What marked the evolutionary transition from organisms that lacked consciousness to those with consciousness—to minimal subjective experiencing, or, as Aristotle described it, “the sensitive soul”? In this book, Simona Ginsburg and Eva Jablonka propose a new theory about the origin of consciousness that finds learning to be the driving force in the transition to basic consciousness. Using a methodology similar to that used by scientists when they identified the transition from non-life to life, Ginsburg and Jablonka suggest a set of criteria, identify a marker for the transition to minimal consciousness, and explore the far-reaching biological, psychological, and philosophical implications. After presenting the historical, neurobiological, and philosophical foundations of their analysis, Ginsburg and Jablonka propose that the evolutionary marker of basic or minimal consciousness is a complex form of associative learning, which they term unlimited associative learning (UAL). UAL enables an organism to ascribe motivational value to a novel, compound, non-reflex-inducing stimulus or action, and use it as the basis for future learning. Associative learning, Ginsburg and Jablonka argue, drove the Cambrian explosion and its massive diversification of organisms. Finally, Ginsburg and Jablonka propose symbolic language as a similar type of marker for the evolutionary transition to human rationality—to Aristotle's “rational soul.”

NEW YORK TIMES BESTSELLER Featured in the forthcoming documentary, RBG “The authors make this unassuming, most studious woman come pulsing to life. . . . Notorious RBG may be a playful project, but it asks to be read seriously. . . . That I responded so personally to it is a testimony to [its] storytelling and panache.”— Jennifer Senior, New York Times Supreme Court Justice Ruth Bader Ginsburg never asked for fame—she has only tried to make the world a little better and a little freer. But nearly a half-century into her career, something funny happened to the octogenarian: she won the internet. Across America, people who weren’t even born when Ginsburg first made her name as a feminist pioneer are tattooing themselves with her face, setting her famously searing dissents to music, and making viral videos in tribute. Notorious RBG, inspired by the Tumblr that amused the Justice herself and brought to you by its founder and an award-winning feminist journalist, is more than just a love letter. It draws on intimate access to Ginsburg's family members, close friends, colleagues, and clerks, as well an interview with the Justice herself. An original hybrid of reported narrative, annotated dissents, rare archival photos and documents, and illustrations, the book tells a never-before-told story of an unusual and transformative woman who transcends generational divides. As the country struggles with the unfinished business of gender equality and civil rights, Ginsburg stands as a testament to how far we can come with a little chutzpah.

From Frida Kahlo and Elizabeth Taylor to Nora Ephron, Carrie Fisher, and Lena Dunham, this witty narrative explores what we can learn from the imperfect and extraordinary legacies of 29 iconic women who forged their own unique paths in the world. Smart, sassy, and unapologetically feminine, this elegantly illustrated book is an ode to the bold and charismatic women of modern history. Best-selling author Karen Karbo (*The Gospel According to Coco Chanel*) spotlights the spirited rule breakers who charted their way with little regard for expectations: Amelia Earhart, Helen Gurley Brown, Edie Sedgwick, Hillary Clinton, Amy Poehler, and Shonda Rhimes, among others. Their lives--imperfect, elegant, messy, glorious--provide inspiration and instruction for the new age of feminism we have entered. Karbo distills these lessons with wit and humor, examining the universal themes that connect us to each of these mesmerizing personalities today: success and style, love and authenticity, daring and courage. Being "difficult," Karbo reveals, might not make life easier. But it can make it more fulfilling--whatever that means for you. In the Reader's Guide included in the back of the book, Karbo asks thought-provoking questions about how we relate to each woman that will make for fascinating book club conversation.
