### Every Day in His Presence

Life abundant? Jesus promised it and we long for it, yet few Christians seem to have it. Blending lively anecdotes, commentary, and teachings from the Bible, Dr. Charles Stanley introduces you to the Holy Spirit. "A big part of the Spirit-filled life is learning to recognize the fingerprint of the Holy Spirit. Once you know what to look for and once you begin looking for it, you will be amazed at how real the Holy Spirit will become to you. Learning to recognize the Holy Spirit is the first step in learning to live the Spirit-filled life."

### How to Let God Solve Your Problems

Internationally recognized author and theologian Andrew Gabriel opens readers' eyes to who the Holy Spirit is, how He can be fully experienced, and what it means to be charismatic. Many Christians, not just those who identify with the charismatic tradition, want to experience the Holy Spirit more but are afraid of falling into excess. Some attend churches that rarely speak of the Holy Spirit and are left curious about how the Spirit moves. As a result, too many Christians hesitate to intentionally open themselves to the Spirit's presence. Written by Andrew Gabriel, an internationally acclaimed theologian of the Spirit, *Simply Spirit-Filled* reveals a breathtaking vision of what it means to live the Spirit-filled life. Gabriel matches the more charismatic experiences of God with a thoughtful and thorough theology lesson delivered from an honest and often humorous firsthand perspective. Through a tour of contemporary testimonies and biblical accounts of experiencing the Holy Spirit, this book reveals how to discern the legitimate signs of the Spirit's presence. *Simply Spirit-Filled* encourages readers by showing them ways the Spirit is already quietly at work in and around them. *Simply Spirit-Filled* has a wonderful

way of blending theology and application as it investigates praying in tongues, how to hear God speak, and the spiritual gifts. It offers answers to questions about being slain in the Spirit, the relationship of faith and the healing power of the Spirit, and what it means to be spiritual. Simply Spirit-Filled is a biblically rooted, pastorally sensitive, and well-informed introduction to some of the basics of the charismatic tradition. Gabriel brings clarity to the confusion as he nudges Spirit-experience junkies toward discernment and steers skeptics toward experiencing the Spirit as more than just idly dwelling within them.

"God, how did I get in this mess!?" Is that the cry of your heart? You may be in the midst of an emotional hurricane right now and wondering Can anything good come out of this situation? Or you may be stumbling through the aftermath of a physical or financial crisis, fearful that you'll never get back on your feet. In *How to Let God Solve Your Problems*, Dr. Charles Stanley demonstrates how God allows times of trial for a number of reasons: To turn your attention back toward Him. To adjust your priorities. To purify and prepare you for greater service. To better form you into His image. To grant you the experience of His comfort. Whether your hardship is the result of sin, unwise choices, or simply the consequence of living in a fallen world, God still has a plan for your life. He is aware of your circumstances, He has not forgotten His promises, and He will guide you through your difficulty to victory!

The Christian Life Trilogy: Campaign Manual Do you want to maximize the impact of your small group ministry at the heart of the Christian year? The Christian Life Trilogy seeks to foster the small group life of a congregation, but always with the aim and end of gathering the whole family back together in larger corporate worship and celebration. In this way, the series hopes to encourage a return to the things of first importance in the church-communal life and the heart of the message of the Church: Christ has died, Christ is risen, and Christ will come again. Therefore, we undertake this journey, following His command together to "remember His death, proclaim His resurrection, and await His coming in glory." The structure of the series reflects the pattern and heart of the Christian life. Every year, we calendar our lives around Good Friday, Easter, and Pentecost, recognizing that Jesus' crucifixion, resurrection, and ascension form the heart of Christian belief and reveal the heartbeat of God for the people of God. ## **The Christian Life Trilogy**

"The following pages represent the gist of a series of sermons given on successive Sunday evenings to the congregation of the church of which I am pastor. The fact that these were originally spoken messages accounts for their racy style and for the personal references which occur in them occasionally. Had I been writing the messages I should have exercised greater care in the composition. The subject is, however, so vitally important that I feel sure the reader will pardon the offhand style of the language. The truth is always good even when the vehicle in which it rides is homely and plain."

## **Acts**

Foreword by Robert Morris When Jesus needed help, He went to the Helper. Where do you go? If Jesus needed help, we all do. Spirit-Filled Jesus explores the role of the Holy Spirit in and through the life of Jesus, revealing aspects of His life that have not been examined before and helping you see how this applies to you. In understanding how Jesus lived His life through the power of the Holy Spirit, you will learn how to: Maintain emotional health even during hardship Redeem your relationships with friends, family, and enemies Be perfected through suffering Forgive others as Jesus forgives you Defeat the demonic with five God-given weapons Everyone knows the Holy Spirit as the Helper but may not realize He helped Jesus. Jesus resisted temptation, endured suffering, and overcame Satan, all by the power of the Spirit. You can do the same. The Spirit that empowered Jesus also lives in you! God wants us not only to admire the life of Jesus and reflect it in

our lives but also to experience the same source of life-giving power that Jesus did.

DON T read this book if you want to remain comfortable! Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did. Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to be, rather he is describing what is actually happening as he builds Biblical disciples in the context of the inner city. This book is soundly Biblical, challenging and practical. This book is about building disciples not programs. Roger Hershey, Campus Crusade For Christ It is a joy to highly commend to all Discipleship Defined, for it is exactly the prescription that is needed for the Church to regain much of our lost effectiveness. "Discipleship Defined has carefully described, yet without programming it into a rigid system, how to go about this challenging task. Walter C. Kaiser, Jr., President Emeritus Gordon-Conwell Theological Seminary Eric Russ gives us some very straight forward thinking about discipleship, a topic widely misunderstood and undervalued. Moving away from piety-driven discipleship, Russ points us toward a holistic, Christ-centered way of following Jesus. Jonathan Dodson, Lead Pastor Austin City Life, Austin, TX. Eric has a healthy obsession about strong discipleship, and it shows in a gracious way in this guidebook for muscular commitment. Can you be obsessed and still have a gracious spirit?
