The wildly popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort. Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution:

- Identify the most important areas (MIAs) in your home that need attention
- Select the proper products, tools, and techniques (PTT) for the job
- Implement these new cleaning routines so that they stick

Clean My Space takes the chore out of cleaning with Melissa's incredible tips and cleaning hacks (the power of pretreating!) her lightning fast 5-10 minute "express clean" routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa's simple groundbreaking method you can truly live in a

Comfort, the beauty of imperfections, the allure of time-worn objects, and the appeal of simple practical living: these are the cornerstones of what has come to be known as the Shabby Chic style. Like the cozy familiarity of a well-worn pair of faded jeans, the dilapidated elegance of an Italian villa, or the worn grandeur of faded velvets and mismatched floral china handed down from your grandmother's attic, the Shabby Chic style is a revived appreciation for what is used, well-loved, and worn. It is a respect for natural evolution and a regard for what is easy and sensible. The hundreds of lavish photographs in this book invite you inside the unique world of Shabby Chic. Rachel Ashwell, founder of the Shabby Chic home decor stores, for the first time provides her invaluable and much-sought-after advice on how to recreate Shabby Chic style in your own home. With engaging text and easy-to-follow instructions, Rachel details the Shabby Chic basics in a way that will put even the most apprehensive or novice decorators at ease. From flowers to fabrics to lighting, Rachel illuminates all of the elements essential to this unpretentious yet truly exquisite style. A behind-the-scenes look at a flea market lets readers in on Rachel's personal secrets of how to cull hidden treasures from flea market trash--an old trunk, its paint peeling around the edges, can be given new life as a coffee table, while a chipped white iron salvage piece becomes the perfect frame for a vintage mirror. This book tells you not only how to restore these pieces but how to find the perfect place for them in your home. Gorgeous color photographs and accompanying text reveal how this relaxed look works with a variety of different styles, from Victorian to

****THE INTERNATIONAL, NEW YORK TIMES and SUNDAY TIMES BESTSELLER, WITH OVER A MILLION COPIES SOLD AROUND THE WORLD**** Denmark has an international reputation for being one of the happiest nations in the world, and hygge is widely recognised to be the magic ingredient to this happiness. Hygge has been described as everything from "the art of creating intimacy", "cosines of the soul", "the absence of annoyance" to "taking pleasure from the presence of soothing things", "cosy togetherness" and "the pursuit of everyday pleasures". Hooga? Hhyooguh? Heurgh? It is not really important how you choose to pronounce or even spell 'hygge'. What is important is that you feel it. Whether you're cuddled up on a sofa with a loved one, or sharing comfort food with your closest friends, hygge is about creating an atmosphere where we can let your guard down. The Little Book of Hygge is the definitive, must-read introduction to hygge, written by Meik Wiking, CEO of the Happiness Research Institute in Copenhagen. The book is packed full of original research on hygge, conducted by Meik and his team, along with beautiful photographs, recipes and ideas to help you add a touch of hygge to your life.

Allete Auvray isn't just heir to the English throne. Since marrying her beloved Viking fiancé, Jarl Torben, she's also the new queen of his clan, fulfilling a prophecy made by the clan's former Oracle who bespoke of a foreign bride who would lead their people and unite the Northerners. But life isn't about courtesans and ballroom finery. It's about leading a ferocious clan of Vikings into battle, and Allete can't do that unless she completely becomes one of them—a shieldmaiden of Clan Hakon. With war against her former fiancé, King Cathal, on the horizon, Allete will sacrifice everything to ensure she's up to the task of leading her clan to victory. But will she be able to do enough to earn the respect of her sisters-in-arms? Allete's sister, Dayna, is in the hands of a witch, her well-being unknown. Cathal has his armies at the ready, and Allete and Torben know they don't stand a chance on their own. To make matters worse, Brant, Torben's right-hand man and the Viking who has laid claim to Dayna's heart, is holding onto his sanity by a thread—fighting the urge to go after Dayna with or without an army behind him. With everything to lose, Allete and Torben must hold onto

Endowed with exceptional talents as a warrior, diplomat, and ruler--not to mention a temperament that earned him the epithet fornicator immensus in the chronicles of his contemporaries--Vladimir of Russia (960?-1015) began his career at the age of twelve as Prince of Novgorod, rising to be known as "The Red Sun." Volkoff tells Vladimir's story with gusto and humor, describing the years of conquest, violence, polygamy, and pagan ritual as the remarkable prince seized his brother's throne, expanding his rule over the whole of Russia. A shrewd, hospitable, and progressive ruler, he adopted the Christian faith from the Greeks, bringing Christianity to Russia. A "second Constantine," he was later canonized as a saint. This is the first complete biography, based on Russian, Greek, German, Arabic, and Icelandic sources. - Publisher.

Architectural Record

The Last Viking

The Big Pets

It's been more than 250 years since Leif "The Lucky" first set foot somewhere on the North American coast. Now, in this final chapter of "The Wineland Sagas" Leif's descendants are in a life and death struggle to survive. The "lost" Viking colony is isolated and all but abandoned by their fellow Norse in Greenland and Iceland. Contact with the old Scandinavian kingdoms has been lost; their kings are locked in their own struggles for survival. A combination of overwhelming forces threaten the lost Viking colony. They are a small group of settlers amidst a sea of Native Americans, tribes that sometimes turn hostile to the Norse outsiders. Worse, Mother Nature has sent the

Get Free Viking Professional Dual Self Clean Thermal Convection Double Oven Manual

"Little Ice Age" into the Northern Hemisphere and frozen the sea lanes between North America and Northern Europe. The colony's lifeline is being choked off. Ships carrying iron tools and weapons can no longer supply the westernmost Norse with these absolute necessities. Even Greenland and Iceland are threatened with isolation. How can Leif's struggling descendants survive in their beautiful but dangerous Wineland the Good? Can they maintain their European culture and identity or must they merge with the Native culture to survive. Just when it seems all is lost, a succession of strong-willed women and their tough-minded men rise to confront the obstacles thrown in their path. The old "Viking Spirit" seems to be revived and promises to rescue the lost colony. A fragile chain is forged to link them to the old motherland across the sea. The one lure that would attract European kings and turn their attention to the Winelanders is gold. But there is no gold in Wineland. Or is there something more valuable? It turns out the Wineland colony is home to the greatest concentration of piscatorial "gold" in the New World; cod, the Holy Fish of a hungry Catholic Europe. Once the word gets out, the great fishing nations of Western Europe scramble to grab the prize for themselves. Will the sea lanes thaw in time for Leif's old colony to be rescued by the Nordic kingdoms? Or will some other European power gain the upper hand? It turns out there is an even more dangerous threat to not only Leif's old colony, but also to the European kingdoms themselves. It arrives in the form of a small stowaway in the hold of a Venetian merchant ship. In the end, it is the Fates who decide the destiny of the last Vikings in Wineland.
