Labor Relations Yearbook

The British Retail Consortium represents UK retailers of all sizes and sectors, and seeks to promote wider understanding of the industry's contribution to the UK economy. This yearbook provides information on the organisation, membership and activities, with a directory of membership. It contains an essay on the value of retailing within the economy as well as other perspectives on retailing, such as: corporate responsibility; emerging markets; falling margins and regional reviews.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible.

Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this

work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
