Songs of the Carpenters

Karen Carpenter was the instantly recognisable lead singer of the Carpenters. The top-selling American musical act of the 1970s, they delivered the love songs that defined a generation. Karen's velvety voice on a string of 16 consecutive Top 20 hits from 1970 to 1976 – including Close to You, We've Only Just Begun, Rainy Days and Mondays, Superstar, and Hurting Each Other – propelled the duo to worldwide stardom and record sales of over 100 million. Karen's musical career was short – only 13 years. During that time, the Carpenters released 10 studio albums, toured more than 200 days a year, taped five television specials, and won three Grammys and an American Music Award. But that's only part of Karen's story. As the world received news of her death at 32 years of age in 1983, she became the proverbial poster child for anorexia nervosa. Little Girl Blue is an intimate profile of Karen Carpenter, a girl from a modest Connecticut upbringing who became a Superstar. Based on exclusive interviews with nearly 100 friends and associates, including record producers, studio musicians, songwriters, television directors, photographers, radio personalities, classmates, childhood friends, neighbours, personal assistants, romantic interests, hairdressers, and housekeepers.'thorough and affectionate biography of a singer who's been constantly undervalued by the music industry.' MOJO 'Schmidt cannot be faulted carefully factual, sensitively pitched book.' The Word 'The first truly convincing account of her nightmarish story.' The Guardian

Why Karen Carpenter Matters

In the '60s and '70s, America's music scene was marked by raucous excess, reflected in the tragic overdoses of young superstars such as Jimi Hendrix and Janis Joplin. At the same time, the uplifting harmonies and sunny lyrics that propelled Karen Carpenter and her brother, Richard, to international fame belied a different sort of tragedy—the underconsumption that led to Karen's death at age thirty-two from the effects of an eating disorder. In *Why Karen Carpenter Matters*, Karen Tongson (whose Filipino musician parents named her after the pop icon) interweaves the story of the singer's rise to fame with her own trans-Pacific journey between Manila—where imitations of American pop styles flourished—and Karen Carpenter's home ground of Southern California. Tongson reveals why the Carpenters' chart-topping, seemingly whitewashed musical fantasies of "normal love" can now have profound significance for her—as well as for other people of color, LGBT+ communities, and anyone outside the mainstream culture usually associated with Karen Carpenter's legacy. This hybrid of memoir and biography excavates the destructive perfectionism at the root of the Carpenters' sound, while finding the beauty in the singer's flawed, all too brief life.

Adele - 19 (Songbook)

Jeremy Monteiro is a thinker and observer. He likes to think about music, life, people and human existence, and he loves to observe human behaviour. He loves people, loves to tell stories and share experiences. From his formidable virtuosity on the piano where he communicates non-verbally, to the stories he tells on stage at his many packed concerts and jazz club shows, he keeps his audiences in rapt attention. His Facebook and blog posts attract thousands of "Likes" and comments, often becoming their own lively discussion forums. In this book, Jeremy revisits, rewrites and updates many of his postings along with many new thoughts and stories. Sometimes thoughtful and sometimes silly, sometimes serious and sometimes irreverent, Jeremy writes with the confidence of one who has seen his fair share of ups and downs in life and is not afraid to

speak his mind, while always observing his personal guiding light of fair comment. Going from fond reminiscences that tug at the heartstrings, to funny stories that will evoke a huge guffaw, the insightful essays in this volume takes you on a journey into the mind of one of Singapore's most respected – and most loved – musicians.
